I Am What I Am Jerry Lawyer,2016-06-23 Everyone lives their lives by what they have learned and experienced We are all different and live different lives Some people live uneventful normal lives Others have very strange lives filled with a roller coaster of events This is what Sally learned when she received a package one day Sally was newly married to a wonderful husband This is the life she had wanted for as long as she could remember She just wanted to be normal Sally was adopted and never knew her birth parents She always wondered what they were like as most adopted children do Yes she had a fairly

happy childhood and a loving mother that raised her but still she wondered That is until the package came It changed her life forever As the saying goes Be careful what you wish for you just might get it In the package Sally found what she had been looking for all her life It was nothing like she had imagined It was the truth of why she was abandoned at one year old and who her mother and father were This story tells of why someone could abandon a child It may not be a good reason but maybe it so ne Sally could understand You might not agree it was a good thing to do but maybe you will understand too Understanding why people do what they do is key to understanding ourselves Under the same circumstances would you do the same thing We all do things we regret In the 60 s it was popular to go find oneself When we find ourselves we may not like who or what we are Here is a story of someone who did just that He found out who he was and what he had to do to survive this world Maybe it was selfish maybe it s the ultimate sacrifice Who are we to judge others His story also helped his daughter find out who she was Maybe it will help you understand that people make terrible choices for what they think to be good reasons After all we are only human The Mother-Daughter Relationship Makeover Leslie Glass, Lindsey Glass, 2024-04-16 Do you have ongoing conflicts with your mother or daughter that have left you exhausted exasperated and sad for all that you have lost Do you feel that the relationship is beyond repair If so you are not alone This first most important bond can be fraught with pitfalls and devastating ups and downs the seeds for which may have been planted A Brief History of Seven Killings Marlon James, 2015-09-08 A tale generations ago Now there s help Page 4 of cover inspired by the 1976 attempted assassination of Bob Marley spans decades and continents to explore the experiences of journalists drug dealers killers and ghosts against a backdrop of social and political turmoil Molly McGolly and Mother Nature: An Earth Day Story Virginia Marie Capps, 2016-12-15 Molly McGolly is a little ten year old Irish Catholic girl who attends public school She decides this is the year to teach her classmates to become green like her family Recycle reduce reuse and along the way repent Molly discovers trying to change people is a much bigger task than she ever imagined Catholics are reminded of the truths of the Catholic faith scripture passages sacraments prayers Ten Commandments divine mercy Eucharistic adoration etc throughout the book as the humorous story of the McGolly family unfolds So laugh cry get angry or whatever it takes to get your attention and wake up God does not change Spreading the wings of Foster Care,
