## **Good Morning City:**

Good Morning, City Pat Kiernan, 2016-11-15 It's dark and quiet. The moon still glimmers in the sky. While the baker, the ferry boat captain and the TV anchorman are busy at work, most people are cozily snuggled in bed. Then dawn's first light peeks through the tree branches. Wake up, city! There is much to be done in neighborhoods all across the metropolis. As the morning gets brighter, the city streets bustle with people ready to begin the day. **GOOD MORNING CITY** by morning news anchor Pat Kiernan is sure to start the day off right. Good Morning, City Pat Kiernan, 2016-11-15 A picture book about how the different city dwellers wake up and start their day. From the popular NY1 morning news anchor Pat Kiernan.

*Good Morning, Beautiful Business* Judy Wicks, 2013-03-07 It's not often that someone stumbles into entrepreneurship and ends up reviving a community and starting a national economic reform movement. But that's what happened when in 1983 Judy Wicks founded the White Dog Caf on the first floor of her house on a row of Victorian brownstones in West Philadelphia. After helping to save her block from demolition, Judy grew what began as a tiny muffin shop into a 200-seat restaurant, one of the first to feature local organic and humane food. The restaurant blossomed into a regional hub for community and a national powerhouse for modeling socially responsible business. *Good Morning, Beautiful Business* is a memoir about the evolution of an entrepreneur who would not only change her neighborhood but would also change her world, helping communities far and wide create local living economies that value people and place as much as commerce and that make communities not just interesting and diverse and prosperous but also resilient. Wicks recounts a girlhood coming of age in the sixties, a stint working in an Alaska Eskimo village in the seventies, her experience cofounding the first Free People store, her accidental entry into the world of restaurantering, the emergence of the celebrated White Dog Caf and her eventual role as an international leader and speaker in the local living economies movement. Her memoir traces the roots of her career, exploring what it takes to marry social change and commerce and do business differently. Passionate, fun and inspirational, *Good Morning, Beautiful Business* explores the way women and men can follow both mind and heart, do what's right and do well by doing good.

**Good Morning, God!** Ginger Hurta, 2015-10-28 Do you have a friend in your life with whom you just love to spend time, someone with whom you can pour out your heart and who will understand because he or she loves you? After your visit, you feel as if all your problems are solved and the weight of the world has been lifted off your shoulders. You have such a friend. He is your Father in heaven and He wants to spend time with you and hear the desires of your heart. He wants to comfort and guide you. *Good Morning, God* is a wonderful way to begin your day. By spending just a few minutes each morning, you'll embark on your day filled with the Word of God and prayer. You will feel a closeness to the Lord that will linger throughout the day. As trials and temptation appear, you will have the strength of the Lord to overcome whatever the world throws at you. Instead of letting the daily grind and craziness get you down, your day will be overflowing with the Holy Spirit and the joy of the Lord. Your heart will be lifted and you will experience a feeling of exuberance like never before. The Lord

wants a close personal relationship with you He wants to shower you with His blessings He wants to be there for you in every circumstance Spend time alone with Him today and see what blessings He has in store for you God bless you on your journey in His Word and prayer      *Good Morning Mayor* Leslie Waters,2019-04-18 *Good Morning Mayor* What s Up is a primer on local government the government closest to the people It explains how City governments are formed managed and governed It tells how to get elected to public office how to advocate state legislators provides highlights of the value of constitutional municipal home rule versus state overreach and provides relevant municipal government terminology It is a book for students of all ages in public private home schooling all the way through high school and college university Candidates for city council would benefit as would elected officials at the state and federal levels of government Professional Associations of Elected and Appointed Local State National and International Officials such as Mayors and Commissioners Board Members City and County Managers City Clerks and Public Entity Lawyers would be interested in this book      *The Bloomsbury Handbook of Sound Art* Sanne Krogh Groth,Holger Schulze,2020-02-20 *The Bloomsbury Handbook of Sound Art* explores and delineates what Sound Art is in the 21st century Sound artworks today embody the contemporary and transcultural trends towards the post apocalyptic a wide sensorial spectrum of sonic imaginaries as well as the decolonization and deinstitutionalization around the making of sound Within the areas of musicology art history and later sound studies Sound Art has evolved at least since the 1980s into a turbulent field of academic critique and aesthetic analysis Summoning artists researchers curators and critics this volume takes note of and reflects the most recent shifts and drifts in Sound Art rooted in sonic histories and implying future trajectories      **New York Magazine** ,1988-04-18 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea      *Child Autonomy and Child Governance in Children's Literature* Christopher Kelen,Bjorn Sundmark,2016-11-18 This book explores representations of child autonomy and self governance in children s literature The idea of child rule and child realms is central to children s literature and childhood is frequently represented as a state of being with children seen as aliens in need of passports to Adultland and vice versa In a sense all children s literature depends on the idea that children are different separate and in command of their own imaginative spaces and places Although the idea of child rule is a persistent theme in discussions of children s literature or about children and childhood the metaphor itself has never been properly unpacked with critical reference to examples from those many texts that are contingent on the authority and or power of children Child governance and autonomy can be seen as natural or perverse it can be displayed as a threat or as a promise Accordingly the child rule motif can be seen in Robinsonades and horror films in philosophical treatises and in series fiction The representations of self ruling children are

manifold and ambivalent and range from the idyllic to the nightmarish Contributors to this volume visit a range of texts in which children are in various ways empowered discussing whether childhood itself may be thought of as a nationality and what that may imply This collection shows how representations of child governance have been used for different ideological aesthetic and pedagogical reasons and will appeal to scholars of children s literature childhood studies and cultural studies
