The Good News of the Kingdom for a Modern World Elaia Luchnia,2013-05-10 Nearly 2000 years ago the Good News of the Kingdom began to be preached throughout the Mediterranean by a carpenters son Jesus of Nazareth His teachings restored dignity and religious freedom to all who heeded his message of hope However within 400 years Christianity had lost its way and reverted back to the old ways of clergy laity distinctions Ecclesiastical authority brought divisions and sects and pitted Christian against Christian The individual disciple lost his spiritual autonomy and was relegated to a position of servitude to a church rather than as a dynamic free son of God As a result the Good News as Jesus conceived it has to a large extent been submerged under so much dogma Christianity today languishes for lack of a new vision of Jesus life and the religion that he practiced Modern man will refuse to accept a religion which is inconsistent with known facts and out of harmony with his highest conceptions of truth beauty and goodness He will not acquiesce to a religion based on supers titious bondage and religious fear Therefore what is needed is a new revelation of Jesus life illuminated with a new understanding of his Good News of eternal salvation The purpose of this book is to reintroduce Jesus to mankind The world needs new leaders spiritual men and women who will dare to depend solely on Jesus and his incomparable teachings Until then worldwide harmony will continue to be the illusive dream of a hopeful minority instead of the tangible reality of a God knowing human race And when this Good News is preached in all the inhabited earth the end of wickedness sorrow distress and anguish will come Matthew 24 14 **Good News for Modern Man** ,1966 **Good News For Modern Man - The New Testament In Today's English Version** American Bible,1966 **A General Introduction to the Bible** David Ewert,1990 David Ewert combines the story of the history of the biblical text with the story of the men and the women who went to great extremes to provide their generation with the Word of God in a language that could be understood Good news for modern man by American Bible Society American Bible Society, *Good News for Modern Man* ,1978 **Good News for Modern Man** American Bible Society,1978 **Good News for Modern Man Complete Bible - Sam's Club** Zondervan Publishing,Zondervan Publishing Staff,2004-03-01 Complete Bible in the easy to read Good News TranslationOne column text formatNearly 600 line drawing illustrationsDevotional reading planThe Good Book that reads like a good book The Good News is a wonderful volume Dr Billy GrahamComplete text of Good News Translation is accurate and easy to understand makes the meaning of the Bible plain even if you ve never read it before How to Seek God suggests first steps toward a relationship with GodSummary of the Bible tells briefly the broad story of the Bible in its own wordsDevotional reading planStudy helps including glossary maps and map index subject index and more **GOOD NEWS FOR MODERN MAN BIBLE** ,1971 **Good News** ,1966 Mississippi Sissy Kevin Sessums,2008-03-04 Kevin Sessums recounts his

someone who always thought history was boring here s a book to enlarge your spiritual family and teach you valuable lessons about life and faith Here is history with a heart **Paul's Concept of Justification** Richard Kingsley Moore,2015-02-11

The Greek family of words characterizing the doctrine of justification by faith as it is known in English is most prominent in the writings of the Apostle Paul It was this doctrine that lay at the heart of the sixteenth century Reformation Martin Luther and his followers considered it to be at the very center of the gospel Protestants came to understand justification differently from the Catholic Church they had left Instead of the Catholic realist view in which God makes a sinner righteous they came to a forensic understanding by which God as judge declares a sinner righteous During the nineteenth century a third relational view began to emerge it viewed justification as God s gift of a right relationship to a sinner This monograph examines Paul s concept from three perspectives the New Testament data the way the doctrine has developed historically and how the doctrine has been expressed in English translations of the Scriptures The author concludes that it is the relational view that most accurately depicts Paul s concept of justification **The Devil's Music** Randall J.

Stephens,2018-03-19 Randall Stephens traces rock s inspiration to the Pentecostal churches where Elvis Little Richard and others worshipped Faith which served as a vehicle for whites fears led them to condemn the godless music of blacks and hippies But in a reversal of strategy evangelicals later embraced Christian rock as a way to project Jesus s message

Mark, Matthew, Luke and John: The 4 Gospels John Howard Reid,2014-03-28 Newly translated from the best recently available Greek texts this book presents not only the Gospels of Mark Matthew Luke and John placing them in their correct order of composition but fresh translations of other New Testament books as well The author is not an adherent of any particular Christian religion and is therefore free to report what Jesus actually said what Mary and the apostles actually thought not what various religious bodies think they ought to have said or ought to have thought Mary emerges as a real person Extensive notes accompany the text for readers who wish to probe deeper into the Gospels their philosophy and their authorship Other New Testament documents translated in this book include the three letters by John the Elder the Letter to Christian Exiles often incorrectly identified in other Bibles as written by Peter the Apostle but actually credited by Peter himself to Silvanus plus Paul s disputed First Letter to Timothy as well as his disputed Letter to Titus **An Introduction**

to the New Testament, Second Edition Charles B. Puskas,C. Michael Robbins,2011-06-16 Studying the New Testament requires a determination to encounter this collection of writings on its own terms This classic introduction by Charles B Puskas revised with C Michael Robbins provides helpful guidance Since the publication of the first edition which was in print for twenty years a host of new and diverse cultural historical social scientific socio rhetorical narrative textual and contextual studies has been examined Attentive also to the positive reviews of the first edition the authors retain the original tripartite arrangement on 1 the world of the New Testament 2 interpreting the New Testament and 3 Jesus and early Christianity This volume supplies readers with pertinent primary and secondary material The new edition carries on a genuine effort to be

nonsectarian and although it is more of a critical introduction than a general survey it is recommended to midlevel college and seminary students and to anyone who wants to be better informed about the New Testament
