Coward, 2013-06-06 This first volume in the Coward Collection contains four plays written within a two year period when Coward and the century were still in their 20s The volume is introduced by Sheridan Morley Coward s first biographer Hay Fever a comedy of bad manners concerns a weekend with friends of the Bliss family who have all been invited independently for a weekend at their country house near Maidenhead The Vortex was a controversial drama in its time introducing drug addiction onto the stage at a time when alcoholism was barely mentioned Fallen Angels which is written for two star actresses was described as degenerate vile obscene shocking the second half of the play is entirely taken up with an alcoholic duologue between the two women Easy Virtue is an elegant laconic tribute to a lost world of drawing room dramas no other writer went more directly to the jugular of that moralistic tight lipped but fundamentally hypocritical 20s society He is simply a phenomenon and one that is unlikely to occur ever again in theatre history Terence Rattigan **The Untold Story** Joseph

Jerry Dampier, 2005-12-01 Steven Leroy Zienner is a hard working hard driving hard headed economic materialist Money because of the influence it has over people and because of the things it buys is the highest value he places on life Unrestrained ambition in the pursuit of accumulating large profits Mr Zienner believes lies at the heart of success and at the same time he believes wealth is the key to complete happiness As a result of his genius in the affairs of business that and the willingness to exploit his employees to maximum effect Mr Zienner became a multimillionaire before his 30th birthday The story takes place in the 1950s in Cleveland Ohio Vicksburg Mississippi and Paris France At this point it should be noted that this story *The Downfall and Rise of Steven Leroy Zienner* is not merely a story about a man's company or the products that he sells or even his rise from humble beginnings to wealth and privilege It is a story about a choice a person ultimately makes between personal growth or self destruction when faced with personal tragedies and financial ruin It is about the stubbornness as well as the willingness to see different points of view it is about the desire to live in accordance with certain values and principles or the lack thereof it is also about the importance of family and friends and the discovery examination and triumph over some of the most unattractive and malevolent elements within human nature All in all it's about a man's downfall but more importantly his struggle to rise in the pursuit of the ethics of Happiness The Emerald Frontier Project

The Vortex Noël Coward, 2025-07-03 Set in the glittering world of 1920s London *The Vortex* by Noël Coward is a modernist drama that delves into the lives of the privileged elite exposing the psychological tension and emotional turmoil lurking beneath their polished exteriors The story centers on Florence Lancaster a glamorous and self absorbed woman and her son Nicky a young man struggling with addiction and emotional instability As the narrative unfolds the audience is drawn into a whirlpool of family conflict unspoken desires and the corrosive effects of decadence The play opens in the opulent drawing room of the Lancaster household where guests revel in the excesses of the jazz age Florence preoccupied with maintaining her youth and social status is blind to the suffering of her son who returns home from Paris with secrets and a growing dependence on drugs Nicky's relationship with his mother is fraught with tension as he grapples with feelings of neglect and resentment while Florence remains oblivious caught up in her own romantic entanglements As the evening progresses layers of deception are peeled back revealing the raw vulnerability and moral ambiguity of the characters Coward's sharp dialogue and keen social critique expose the hollowness of high society where appearances mask inner turmoil and addiction becomes a metaphor for the destructive forces at play The climax of the drama is a powerful confrontation between mother and son offering a searing indictment of the values and priorities of the age Readers of classic plays and modernist literature will find *The Vortex* a compelling exploration of family dynamics psychological depth and the consequences of a life lived for appearances The work stands as a landmark of theatrical literature its themes of addiction scandal and emotional turmoil resonating with audiences to this day
