Good Times In Rhyme:

A Sampler of Uncommon Sense and Good Times/ Emotional Trips, Whimsy and More in Rhymes George L. Hand, 2011-02-01 This book follows the popular Huckleberry Days The author's poetic presentation of the good old ways Common sense is not so common you'll find Lack of sense is a great resource to be mined This poet points out where we go astray Sometimes we get disaster when we get our way The first chapter contains advice for the old Some hate this word but the alternative will leave you cold Next are war stories about the greatest generation The author will always hold them in total veneration There's some philosophy and complaints about modern life Thoughts on religion nature and political strife The male female conflict is also treated With some whimsy and humor the book is completed The author is 76 a pretty old man He's always had the drive of I think I can Surprisingly he has spent his whole life's career Doing what's incomprehensible He was an engineer To prove that old dogs can learn new tricks He writes poetry which gives him kicks He lives in Eastern Mass with his bride of 54 years For this he deserves some kudos and four cheers **The Good Times and the Hard Times** Arthur Finch, 2010-03-05 This Volume is Dedicated to Cathy Parrish Booth One of the sweetest kindest and most gentle Persons I have Ever known Cathy God Loves you and I love you Arthur G Finch The Rhymes of Times Margaret Llorico, 2023-06-13 We spend every passing day yearning for our moment waiting for our turn We cheer on others when they shine their brightest We pace back and forth as we anxiously anticipate our breakthrough to arrive but only to find out that the path is not straight there are bumps and diversions that can only be rectified by time This is a collection of poems about the wait the hurt and eventually the alignment of our fates The game of life is all about patience and hope These poems are for all of us who have spent sleepless nights and lived mundane routine days knowing that when the clock is finally in our favor everything will finally make sense There is a time for waiting There is a time for hurting But after every detours and delays destiny persists and everything will align All we have to do is wait *Lines Of Love: A Pot-Pourri Of Rhymes*, *Good Times for Your Family* Wayne E. Rickerson, 1976-02 **Rhymes for Doing Time** James Perkins, 2023-10-11 Rhymes for Doing Time provides a unique opportunity to use real life situations that come up every day in prison or upon release to help a prisoner develop a closer walk with God and to make their time easier knowing that they may be just an inmate to the guards or even to the world but they are or can become a child of the Most High God The book has a page for every day and is formatted so that it describes a situation that happened to a prisoner describing how he or she reacted to different situations that came up Then it shows a situation that happened to a person or persons in the Bible and then it draws a practical or a spiritual application between the two It gives people a chance to realize that the Bible is living and practical and it shows them that the same God back in Bible times hasn't changed one bit The book also has inspirational poems that were written by the author to uplift his friends They are perfect for prisoners to send to their families in cards and letters for everything from birthdays to holidays *Poems and Rhymes for All Times* Natalie Mason, 2012-07-26 An

The Poetry of Brecht Philip Thomson,2020-05-01 Though not a survey of Bertolt Brecht s poetry this book covers the major periods in his work and most of its major themes as well Each of the seven chapters deals with a segment from Brecht s considerably poetic opus A central characteristic of Brecht s poetry is its dual function as self revelation and self concealment This emerges most clearly in the poet s relationship to his reader for whom Brecht dons a variety of guises plays a variety of roles and speaks in a variety of voices Thomson s methodology is pluralist although he includes a discussion of how reader response theory can be harnessed to the task of interpreting Brecht s poetry Various means of interpretation and analysis are used depending on which seems to yield the most information and insight The only reading of Brecht s

poetry categorically refused is the one that accepts it at face value as a record of Brecht's life experience. Despite outward appearances, Brecht is a devious writer and nowhere more so than in his poetry where he most immediately presents himself to his public.

Poems by Hope Hope Edwards Wills, 2020-02-26 I started to write what I call None sense Rhymes. This was mostly for my own enjoyment but there came a time when I sent my Aunt Marrienne Cox a couple of my Rhymes and I kept sending them as I wrote them.

The Life and Rhymes of Benjamin Zephaniah Benjamin Zephaniah, 2018-05-03 BBC Radio 4 Book of the Week Benjamin Zephaniah who has travelled the world for his art and his humanitarianism now tells the one story that encompasses it all the story of his life. In the early 1980s when punks and Rastas were on the streets protesting about unemployment, homelessness and the National Front, Benjamin's poetry could be heard at demonstrations outside police stations and on the dance floor. His mission was to take poetry everywhere and to popularise it by reaching people who didn't read books. His poetry was political, musical, radical and relevant. By the early 1990s Benjamin had performed on every continent in the world, a feat which he achieved in only one year and he hasn't stopped performing and touring since. Nelson Mandela, after hearing Benjamin's tribute to him while he was in prison, requested an introduction to the poet that grew into a lifelong relationship inspiring Benjamin's work with children in South Africa. Benjamin would also go on to be the first artist to record with The Wailers after the death of Bob Marley in a musical tribute to Nelson Mandela.

The Life and Rhymes of Benjamin Zephaniah is a truly extraordinary life story which celebrates the power of poetry and the importance of pushing boundaries with the arts.
