Goodbye Magpie:

Goodbye, Magpie Richard Ardinger, 1995 *The American Fiddle Method Volume 1* Brian Wicklund, 2011-08-18

Destined to become a classic this method provides the beginner with the elements needed to become a proficient fiddler Based on many years of teaching experience the author introduces the concepts and techniques that yields solid results This method encourages creativity in the student by including variations to the tunes and illustrating how they can serve as a basis for improvisation to assist in the development of ensemble skills chords and lyrics basic music theory and demonstrations of such skills as backup and lead playing are included in this profusely illustrated book A CD for listening and play along captures the excitement of the music and aids instruction This book is beneficial for both fiddle students and classical Suzuki violin students *The American Fiddle Method for Viola, Volume 1* Brian Wicklund, Faith Farr, 2016-04-13

Written as a companion to the wildly popular fiddle book this method opens up the world of fiddling to the beginning intermediate violist Finally fiddlers violists and cellists can jam together Unlike many books for violas and cellos which simply transpose the tunes the authors went to considerable effort arranging the tunes to be both playable and true to the original melody and key Variations to the tunes are included illustrating how they can serve as a basis for improvisation Ensemble skills are taught with chords and lyrics basic music theory and demonstrations of such skills as backup and lead playing in this playfully illustrated book A high quality multi instrumental CD for listening and play along captures the excitement of the music Like its fiddle counterpart this method is destined to be a classic *The American Fiddle Method, Volume 1 - Cello* BRIAN WICKLUND, 2016-02-17 Written as a companion to the wildly popular fiddle book this method opens up the world of fiddling to the beginning intermediate cellist Finally fiddlers violists and cellists can jam together Unlike many books for violas and cellos which simply transpose the tunes the authors went to considerable effort arranging the tunes to be both playable and true to the original melody and key Variations to the tunes are included illustrating how they can serve as a basis for improvisation Ensemble skills are taught with chords and lyrics basic music theory and demonstrations of such skills as backup and lead playing in this playfully illustrated book A high quality multi instrumental CD for listening and play along captures the excitement of the music Like its fiddle counterpart this method is destined to be a classic **Qualitative**
