Goodbye to a River John Graves, 2010-11-10 In the 1950s a series of dams was proposed along the Brazos River in north central Texas For John Graves this project meant that if the stream's regimen was thus changed the beautiful and sometimes brutal surrounding countryside would also change as would the lives of the people whose rugged ancestors had eked out an existence there Graves therefore decided to visit that stretch of the river which he had known intimately as a youth Goodbye to a River is his account of that farewell canoe voyage As he braves rapids and fatigue and the fickle autumn weather he muses upon old blood feuds of the region and violent skirmishes with native tribes and retells wild stories of courage and cowardice and deceit that shaped both the river's people and the land during frontier times and later Nearly half a century after its initial publication Goodbye to a River is a true American classic a vivid narrative about an exciting journey and a powerful tribute to a vanishing way of life and its ever changing natural environment *Farewell to a Lifeline* Pasquale De Marco, 2025-08-12 In a time of uncertainty and change a river flows on a lifeline for the people who live along its banks But the river is facing threats from all sides pollution climate change and development In this powerful and moving book the author takes us on a journey down a river that is fighting for its survival We meet the people who live and work along the river and we learn about their struggles and their triumphs We also learn about the river's history its role in the region's culture and economy and the threats that it faces The author's journey is a journey of discovery a journey that teaches us about the importance of rivers the threats that they face and the need to protect them It is also a journey that teaches us about the power of community and the importance of hope This book is a must read for anyone who cares about the environment for anyone who loves rivers and for anyone who believes in the power of community It is a book that will inspire you move you and leave you with a renewed sense of hope for the future of our planet This book is perfect for readers who enjoy books about nature the environment and the human spirit It is also a great choice for readers who are looking for a book that is both informative and inspiring If you like this book write a review *Flowing Like a River* Ashley Aurthurton Massicotte, 2004-09-03 Flowing Like A River is a poetic expression of true life experiences It covers four separate areas Love Friendship Romance Spiritual Children and Nature and General poetry Combining humor with deep true feelings Ashley invites all readers to be entertained educated and to also reflect on their own personal experiences Though deep and thoughtful each poem is so simple that persons of almost every age can read understand and enjoy If you want to express your true feelings to loved ones there are many to suit you You can even find a few for Spiritual occasions or simply to reflect on the goodness of God in your life You can entertain a child encourage comfort make someone stop and think by simply choosing one of these poems You had a hard day and work and need to relax Then read one of the Mosquito poems you will surely feel better You are cordially invited Come on in be like a boat and flow along on that river of words as they gently flow from my lips These poems are nothing short of being real take some time to sit relax and enjoy Snow River Jennifer

Bernard,2024-12-03 In Firelight Ridge Lila Romanoff's unusual intuitive abilities have stayed mostly silent until now When she starts having dream conversations with a murdered local it's time to skedaddle But she only gets as far as the overlook on Snow River before she can't go any farther and it's not just because she runs out of gas don't ask Her gut literally won't let her leave Maybe it's her feelings for her huge hunk of a boss at the local bar Or maybe it's the mystery about to unfold around the dead woman on the banks of the river below Bear Davis always knew his employee would flit out of town sooner or later Lila is sunshine itself and with winter fast approaching he's not surprised she's ready to take her light elsewhere but he's also not about to object when she abruptly decides to stay And when she starts digging into the recent murder on Snow River Well as an ex cop don't ask there's no one better suited to make sure she stays safe while they nose around When the recent death appears connected to a decades old murder spree that involved Lila's dream visitor everything seems to point back to Snow River As Bear and Lila follow clues that include local lore old gossip and even mysterious pranks the couple gets closer and closer Both to each other and to an explosive truth someone will do anything to keep hidden deep in the wilds of Alaska

The Tombigbee River Steamboats: Rollodores, Dead Heads and Side-Wheelers Rufus Ward,2010-07-30 The Tombigbee River flows through the history of Alabama and Mississippi connecting the Black Prairie cotton belt of northeast Mississippi and west Alabama to Mobile and the Gulf of Mexico In the early 1800s it became the regional artery of commerce and trade with steamboats carrying cotton to the port of Mobile and then returning upriver with farm supplies and consumer goods Today the rollodores who rolled cotton bales down slides to the decks of boats the sunken logs or dead heads that could sink a boat if struck and the side wheeler model steamboats have all but vanished The Tombigbee River Steamboats brings this forgotten era back to life through accounts of the steamboats their crews and their trials such as the haunting story of the steamer Eliza Battle which burned and sank on a freezing flooded river

American River Road Beyond 2017 John Worker for Jesus Christ,2014-05-02 The 1960s saw the dawn of manned space flights and America quickly recognized its destiny to seek out things beyond earth Despite the nations external wars and internal conflicts the sky and the future possessed our imaginations People had so much hope so much looking forward We were living American Pie years before the song with that title would come out Today my soul longs for the innocence of that childhood view In those days of long ago friends and I preferred to be outside throwing a ball searching for new finds walking through fields and forests looking up We never kept in touch Where are they now Do they feel as

alone as I do My chest aches like an old hollow log its emptiness filled with pangs of joyful memories of things once whole a family a neighborhood a nation A lost time it is a lost spirit am I and inside me lives a heart that weeps for a dying country The mortal situation is so clear Together let us travel a 50 year American river road of loves sharp curves deaths hazardous potholes and murders sudden downhill drops We will dive into the polluted river of the decayed American soul descend to its very bottom and crawl in the muck We will then swim up and out of the river onto its opposite shore to begin our walk through swamps and forests that lead to a steep uphill climb to an incredible place of panoramic view The driver John Worker asks that the reader not become overly shaken as he steers you through a dark valley of personal reflection that you courageously survive it get through it because well you will find out when you get to the top of the other side The Threshold of Eternal Life

Three River Valleys Called Home Vicki Holmes, 2019-08-14 Sometimes people leave their home with the hopes of finding something better Sometimes they are forced out and chased away Philip Eamer and his wife Catrina experience both in this true story of immigrants searching for a place to call home The Eamer family's story begins in 1755 as they leave the Rhine Valley for a better life in America Once there they move to the Mohawk River Valley in New York where they build a home and raise 10 children Despite the effects of the French Indian War the Eamers flourish and happily find their lives intertwined with their neighbours and fellow immigrants for almost two decades However no family's story occurs in isolation and eventually the Eamers find themselves at the mercy of the political and historic events of the American Revolution Choosing to side with the Crown they are forced to flee their home at the hands of neighbours and soldiers What follows next is representative of many Loyalists experiences The Eamer family is forced to make a 370 km 230 mile trek to Montreal where they must live in a refugee camp for three years before finally being granted their own land in the St Lawrence Valley for their loyalty to the King Told by one of Philip and Catrina's descendants Three River Valleys Called Home is historical fiction based on a real family and true events Although some of the interactions and dialogue may be imagined they are firmly planted in the harsh realities that many immigrants faced and pay tribute to the true grit of the settlers who built North America While this book will have special meaning for the thousands of descendants of the Eamer family and the other families who made up their community their story will touch anyone with a history of immigration in their family tree

The goal and purpose of the Christian writer is to be a servant of the Word to contribute to the disclosure in Him of the unified truth in its infinitely diverse manifestations in the earthly life of a Christian and thereby lead the Christian soul along the path of Orthodoxy from temporary life to eternal life in Christ Jesus our Lord After the publication of this book I sent it as a gift to Bishop Theophan of Poltava In response to this Vladika wrote me the following on November 24 1915 Honorable Sergey Alexandrovich I sincerely thank you for your attention to me expressed in sending me your book On the Bank of the River of God I read all your books with great interest and completely share your views on recent events People of this world live by faith in progress and lull themselves into unrealizable dreams Stubbornly and with some bitterness they persecute the very idea of the demise of the world and the coming of Antichrist Their eyes are spiritually blinded Seeing they do not see and hearing they do not understand But the meaning of these events is not hidden from the truly believing children of God and even more so on whoever the favor of God rests they will be open to the time of the coming of Antichrist and the end of the world for sure When the Lord speaks out His formidable Judgment over the sinful world My spirit shall not always strive with man for that he also is flesh Gen 6 3 then He will say to His faithful

servants Wherefore come out from among them and be ye separate and touch not the unclean thing and I will receive you 2 Cor 6 17 cf Isa 52 11 And hide them from the eyes of the world sighing in fear of impending disasters Therefore the great merit of those who remind people of this world about the coming great times and events May the Lord help you to Preach the word be instant in season out of season reprove rebuke exhort with all longsuffering and doctrine 2 Tim 4 2 Your sincere admirer and worshiper Bishop Theophanes God help you to say this in the preaching the word hearing of the world of everything these words of the bishop came true in all accuracy during the years of the revolution Such is the significance of the episcopal blessing and moreover of such a bishop as Theophan
