## **Gospel In The Stars:**

*The Gospel in the Stars* Joseph A. Seiss, 2005-11-01 It was the common and accepted doctrine of antiquity that the constellations were divine in origin and sacred in character They are woven in with all the old ethnic religions Much as heathenism has perverted them to false worship it has ever held to the belief that they are from God from Primeval Man Did God arrange the stars in the sky to spell out his ultimate plans for the human race Such is the conclusion of this curious book first published in 1882 as an attempt to reconcile Christianity with the public fascination with astrology a fascination that endures today In this profusely illustrated volume discover the connections between the signs of the Zodiac and Christian symbolism Leo the lion represents Jesus for instance the Gemini twins signify both the relationship of Adam and Eve as well as God's relationship with his church Building upon this language of the stars the author demonstrates the truth of God's one plan and purpose of Redemption for fallen man American Lutheran pastor JOSEPH AUGUST SEISS 1823 1904 was born in Maryland and served congregations in Virginia Maryland and Pennsylvania In addition to numerous translations of hymns from the original German he also authored numerous books including *The Apocalypse* **The Gospel in the Stars** Joseph Augustus Seiss, 1900 *The Gospel in the Stars* Joseph Augustus Seiss, 1882 **Gospel in the Stars Or Primeval Astronomy** Joseph A. Seiss, 2018-08-09 In a series of illuminating lectures Joseph A Seiss presents a clear picture of astronomical occurrences and inspirations to be found in the Biblical New Testament and Gospels A superbly insightful Bible commentary this book contains seventeen lectures each of which focuses upon a specific astronomical occurrence in the New Testament Events which draw specific influence from the constellations of the stars are charted with each star sign identified as important to separate events depicted in the scriptures of the gospels The nativity of Jesus Christ wherein the Star of Bethlehem appears to the three wise men is perhaps the most obvious incident of the astronomical However Seiss demonstrates that the stars above are richly significant and play a role in many of the most famous tales of the Bible For example when Seiss recounts the story of St Peter's fishing he compares the sign of Pisces which was already widely known in the Biblical era **The Gospel in the Stars** Joseph Seiss, 2017-11-03 In a series of illuminating lectures Joseph A Seiss presents a clear picture of

**The Gospel in the Stars - Or, Primeval Astronomy** Joseph A. Seiss, 2017-06-06 The Gospel in the Stars is an 1882 treatise by Joseph A Seiss Within it he attempts to reconcile Christianity with the contemporary public s fascination with astrology by drawing fascinating connections between the twelve signs of the Zodiac and Christian symbolism Joseph Augustus Seiss March 18 1823 June 20 1904 was an American theologian and Lutheran minister most famous for his contributions to pyramidology and dispensationalism His best known work is The Great Pyramid of Egypt Miracle in Stone Secrets and Advanced Knowledge 1877 considered a primary text of pyramidology Other notable works by this author include The Last Times and the Great Consummation 1856 The Children of Silence Or The Story of the Deaf 1887 and The Letter of Jesus 1888 This volume will appeal to modern readers with an interest in Judaism and it would make for a worthy addition to collections of allied literature Many vintage books such as this are becoming increasingly scarce and expensive It is with this in mind that we are republishing this volume now in an affordable modern high quality edition complete with the original text and artwork

years any known religious faith which failed to recognize the existence and power of the true God The evidence is strong which maintains that these devices had their origin in the very earliest ages of the world and this one fact proved as it seems to be may be accepted as excellent testimony to their divine origin and if that origin was divine then it is fair to attempt as Dr S does to ascertain what was the purpose of their arrangement If the hand of the Creator appears in these signs confessed thrcjgb all the centuries to be surrounded by mystery and having a persistent existence which cannot be accounted for by the action of purely human agencies then it is a fair inference that there is behind them some wonderful and eternal purpose which man in a just spirit of reverence may seek to detect Thus The J Ycphetic Times says The correspondence between the starry groups and the Sacred Scriptures is traced with a vigorous pen and invested with an absorbing interest as vivid as it is novel and we rise from its perusal with the conviction that there can be no

being investigated that a course of special study was instituted to ascertain apart from all pyramid theories whether the facts and probabilities in the case would warrant a conclusion of so much moment If any others have treated directly or even incidentally of what is sought to be shown in this volume its author has not discovered their records or their names With but little therefore but the star maps and descriptions as given by astronomers and such notices of the constellations as are to be found in the remains of antiquity and general literature he had to make his way as best he could With what success he has done his work and in how far his conclusions are entitled to credit or respect he now submits to the decision of a candid and intelligent public Festival of the Epiphany Philadelphia 1882      *Gospel Of The Stars* James Hingston,2023-07-18 First published in 1867 Gospel of the Stars is a study of the relationship between astrology and Christianity Hingston argues that the stars and constellations have symbolic meaning that can be interpreted in a Christian context and points to various examples in Scripture and Church history that support this view Although controversial in its time Gospel of the Stars remains an interesting example of the intersection of science and religion This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      **The Gospel in the Stars** Joseph Augustus Seiss,1996      [The Gospel in the Stars](#) Joseph Augustus Seiss,2014-03 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book      **GOSPEL IN THE STARS, OR PRIMEVAL ASTRONOMY** JOSEPH A. *Gospel of the Stars* Ken Edgar, 2022-10-14 When the Lord started showing me the Signs of the Zodiac everything within me rose up in protest how could I even look on something so Satanic Then God reminded me that Satan does not own anything everything he has he has stolen it away from God s children The Zodiacs are included in those stolen items in fact they are some of the oldest stolen items Satan has of God There was a question in my mind about how did the giants of the Old Testament learn of God when there were no books or scrolls How did Jesus learn so much from the Old Testament scrolls to produce the New Testament when we cannot When God began to show me the Celestial Revelation the Gospel He had written in the stars the Revelation of the Christ who would bruise the serpent and deliver mankind from the curse of sin Adam knew how to do this and passed it down to each and every generation that even a lowly shepherd boy sitting on those dark cold starry nights in the desert feeding his sheep could make up songs of praise to God A shepherd named David who had no Bible no computer and probably no literacy at all could look up at the stars and declare the handy work of God God took Abraham a Lunar worshipper and changed him into a Celestial worshipper that he could be called the father of faith Jesus spent Forty Days and Forty nights in the wilderness with only the stars at night to show Him His destiny and the Father s plan for His life By the time you finish reading this you will see that the Zodiac and all the stars belong to God He knows them by name and it was His hand that placed them in the Heavens Join me in our journey through the stars to discover the Glory of God and the Redemption of Mankind When the Lord started showing me the Signs of the Zodiac everything within me rose up in protest how could I even look on something so Satanic Then God reminded me that Satan does not own anything everything he has he has stolen it away from God s children The Zodiacs are included in those stolen items in fact they are some of the oldest stolen items Satan has of God There was a question in my mind about how did the giants of the Old Testament learn of God when there were no books or scrolls How did Jesus learn so much from the Old Testament scrolls to produce the New Testament when we cannot When God began to show me the Celestial Revelation the Gospel He had written in the stars the

Revelation of the Christ who would bruise the serpent and deliver mankind from the curse of sin Adam knew how to do this and passed it down to each and every generation that even a lowly shepherd boy sitting on those dark cold starry nights in the desert feeding his sheep could make up songs of praise to God A shepherd named David who had no Bible no computer and probably no literacy at all could look up at the stars and declare the handy work of God God took Abraham a Lunar worshipper and changed him into a Celestial worshipper that he could be called the father of faith Jesus spent Forty Days and Forty nights in the wilderness with only the stars at night to show Him His destiny and the Father's plan for His life By the time you finish reading this you will see that the Zodiac and all the stars belong to God He knows them by name and it was His hand that placed them in the Heavens      **The Gospel in the Stars** M.
