Gospel Love A Narrative Theology Good News Studies Vol 1:

Jesus and the Samaritan Woman J. Eugene Botha, 2014-04-09 This book deals with two aspects pertaining to the understanding of John On the one hand it examines the style of the Gospel and on the other hand it introduces for the first time in the study of the Fourth Gospel a comprehensive speech act reading of a Johannine discourse In the first chapter different approaches to Johannine style are identified and the deficiencies current in perceptions regarding style are indicated The second chapter deals with theoretical observations regarding the nature of style in terms of modern stylistics It is suggested that a possible paradigm for a comprehensive approach to style is speech act theory The next chapter contains a comprehensive speech act reading of John 4 1 42 Finally observations regarding style and understanding Johannine texts based on this speech act reading is given Not only does this study clarify the nature of Johannine style in more modern terms but it also gives an indication of the enormous possibilities this theory holds for enhancing New Testament exegesis

Before Abraham was Isaac M. Kikawada, Arthur Quinn, 1985 This study focuses on the portraits of Jesus found in the four Gospels It looks at the way each Gospel writer presents events and teachings and at the picture of Jesus that emerges in each of the Gospels *Elenchus of Biblica*, 1986 The Catholic Biblical Quarterly Wendell Stephen Reilly, 1985 Includes various reports of the Association **Encyclopedia of Christianity in the United States** George Thomas Kurian, Mark A. Lamport, 2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation **No Shame in Wesley's Gospel** Edward P. Wimberly, 2011-05-01 As an African American who was a senior pastor in both white and black churches between 1966 and 1974 Edward Wimberly encountered shame as the feeling of being unloved and being unlovable primarily when his parishioners and counselees experienced a loss of a loved one Grief was the dominant psychological category for talking about loss in those days and the feeling of shame of being abandoned and resulting in feelings of being unloved were described as temporary However in the middle 1980s pastoral theologians began to recognize

shame as a dominant psychological and spiritual long lasting experience that needed to be addressed Thus pastoral counselors and pastoral theologians began to explore psychological object relations theory self psychology and the psychology of shame to understand the persistence of the experience of shame Today shame as the feeling of being unloved and unlovable is a major experience of many modern people given the nature of the loss of relational connections and close knit communities Many psychologies are surfacing focusing on cultural narcissism or selfish love the cult of self admiration which is replacing self actualization and the equating of wealth and social status with being loved Growing up in the Methodist tradition in an African American church Wimberly was sensitized to John Wesley s small group experience hearing about the class meetings Moreover he had been exposed to the use of small groups in Zimbabwe Africa in 1998 based on African Methodists attempts to recover the village which was disappearing on account of technology industrialization and the colonialism s destruction of the family Thus based on the author s family of origin community s fascination with Wesley s small group and witnessing this same phenomenon in Africa Wimberly decided to explore Wesley s cell group practical theology for its contribution to twenty first century ministry to people who could be classified as relational refugees

A Theology of Disagreement Christopher Landau, 2021-05-31 Even the most casual contemporary observer of Christianity must recognise that the notion of Christian community being identifiable through the mutual love of its members John 13 35 is difficult to reconcile with the schismatic reality of current ecclesial life Nonetheless disagreement remains an ethical subject neglected by theologians A Theology of Disagreement New Testament Ethics for Ecclesial Conflicts examines how New Testament texts inform Christian approaches to disagreement Drawing on New Testament themes the book explores the nature of an ethic of disagreement and its practical implications for the church s public theological witness as well as its liturgy

The Oxford Handbook of Mission Studies Kirsteen Kim, Knud Jørgensen, Alison Fitchett-Climenhaga, 2022-04-18 The Oxford Handbook of Mission Studies represents more than a century of scholarship related to the theology history and methodology of the propagation of Christian faith and the engagement of Christians with cultures religions and societies worldwide It contains more than 40 articles by experts from different disciplinary and ecclesial perspectives who are from all continents It not only offers a broad overview of key approaches and issues in mission studies but it also highlights current trends and suggests future developments The Handbook builds on renewed interest in mission studies this century generated by recent key statements on mission from ecumenical evangelical Catholic and Orthodox sources and by a spate of academic works on the topic Western church leaders now apply insights from foreign missions such as inculturation liberation interfaith work and power encounter to today s multicultural societies Meanwhile there are new initiatives in mission from the Majority World where most Christians live so that sending is not only from the west to the rest but from everywhere to everywhere Therefore this volume aims to reflect the voices of the receivers of mission as well as its protagonists and to raise awareness of new movements In a time of growing recognition of religions more generally this work examines and theorizes

the missional dimensions of the world's largest religion its agendas growth outreach role in public life effect on cultures relevance for development and its approaches to other communities **The Hermeneutical Spirit** Amos Yong,2017-11-06 In the contemporary biblical studies climate proposals regarding the theological interpretation of Scripture are contested particularly but not only because they privilege encourage and foster ecclesial or other forms of normative commitments as part and parcel of the hermeneutical horizon through which scriptural texts are read and understood Within this context confessional approaches have been emerging including some from within the nascent pentecostal theological tradition This volume builds on the author's previous work in theological method to suggest a pentecostal perspective on theological interpretation that is rooted in the conviction that all Christian reading of sacred Scripture is post Pentecost meaning after the Day of Pentecost outpouring of the Spirit on all flesh in anticipation of the coming reign of God In that respect such a pentecostal interpretative perspective is not parochially for those within the modern day movement bearing that name but is arguably apostolic in following after the scriptural imagination of the earliest disciples of Jesus the messiah and therefore has ecumenical and missional purchase across space and time The Hermeneutical Spirit thus provides close readings of various texts across the scriptural canon as a model for Christian theological interpretation of Scripture suitable for the twenty first century global context *Fragments: The Existential Situation of Our Time* David Tracy,2020-04-10 Even as mere fragments these essays are an imaginatively learned feast for virtually anyone interested in modern theologies Modern Theology David Tracy is widely considered one of the most important religious thinkers in North America known for his pluralistic vision and disciplinary breadth His first book in more than twenty years reflects Tracy's range and erudition collecting essays from the 1980s to 2018 into a two volume work that will be greeted with joy by his admirers and praise from new readers In the first volume *Fragments* Tracy gathers his most important essays on broad theological questions beginning with the problem of suffering across Greek tragedy Christianity and Buddhism The volume goes on to address the Infinite and the many attempts to categorize and name it by Plato Aristotle Rilke Heidegger and others In the remaining essays he reflects on questions of the invisible contemplation hermeneutics and public theology Throughout Tracy evokes the potential of fragments understood both as concepts and events to shatter closed systems and open us to difference and Infinity Covering science literature philosophy psychoanalysis and non Western religious traditions Tracy provides in *Fragments* a guide for any open reader to rethink our fragmenting contemporary culture Tracy demonstrates the range of his philosophical interests in service of theology particularly his profound attention to hermeneutics A rich feast We can be grateful for the insightful essays collected in this volume from one of America's leading theologians **Currents in Theology and Mission Luke : 2 Volumes (Baker Exegetical Commentary on the New Testament)** Darrell L. Bock,1996-07-01 This informative balanced commentary includes extensive introductory notes and a comprehensive discussion of the text An outstanding addition to any academic pastoral or student library **At-Home Seminary** Rich O'Brien,2025-07-15 My goal upon entering Moody's

MABS program was then as it is now to know God better and to love Him more Before completing the program I began praying to know what God had in mind for me next While praying I realized that some if not much of the biblical knowledge I had recently gained would likely slip from my mind if I did not take steps to prevent that I was then led to compile my written assignments into a well organized anthology As I prayerfully worked on that project I realized that the finished product could well serve as a Christian discipleship or small group study That led me to prayerfully consider making the project available to everyone Now along with WestBow Press I am blessed to invite you to embark on a journey through your own At Home Seminary

Leave Love with Me William Lawton, 2023-09-19 Desire for beauty is at the heart of human existence Some find this meaning out of their religious or spiritual perspective Some find it at the edge of their traditions And others find it outside any recognizable tradition This book speaks especially to the second and third groups of people Desire releases us to explore difference and to honor alternatives Desire shapes our lives in unique ways It centers our energies for personal and relational change where difference can be debated and variety permitted We might transcend circumstances that limit us Desire is more than meaningfulness it is captivation of mind and spirit to life s possibility In my discovery desire is an abandonment to beauty

Love of Friendship in the Christian Life Jonathan Sammut, 2019-12-27 Theological reflection on friendship as a particular form of Christian love emerges in Holy Scripture and continues to be elaborated in the Christian tradition However love of friendship was at times absorbed into the other traditional understanding of love love of

God and of neighbor After a philosophical historical study of the Greco Roman roots of friendship in moral reflection and how and to what extent this was appropriated in the Christian tradition this book illustrates the transcendental character and the novelty of the Christian understanding of friendship found in Holy Scripture focusing particularly on the most relevant texts in the Fourth Gospel where love and friendship stand to be important themes It also shows how Saint Thomas Aquinas through his exegesis of the Fourth Gospel his synthesis of the Christian tradition and his ability to rearticulate Christian theology through Aristotelian philosophy inimitably defines the theological virtue of caritas as friendship with God In so doing he depicts friendship as the finality the telos of the Christian life Finally the book aims to show how the retrieval of a proper theology of friendship rooted in Holy Scripture and Christian tradition can enrich the life of an authentic Christian and contribute to the ongoing process of renewing moral theology
