Gospel Characters Leonard Griffith,1976      **Gospel Characters** Leonard Griffith,1976      **The Words of Jesus in the Gospel of Thomas** David W. Kim,2021-07-01 This book offers a detailed analysis of the Gospel of Thomas in its historic and literary context providing a new understanding of the genesis of the Jesus tradition Discovered in the twentieth century the non canonical Gospel of Thomas is an important early text whose origins and place in the history of Christianity continue to be subjects of debate Aiming to relocate the Thomasine community in the wider context of early Christianity this study considers the Gospel of Thomas as a bridge between the oral and literary phases of the Christian movement It will therefore be useful for Religion scholars working on Biblical studies Coptic codices gnosticism and early Christianity      Characters and Characterization in the Gospel of John Christopher W. Skinner,2013-04-11 This volume examines characters in the Fourth Gospel and provides an in depth look at different approaches currently employed by scholars working with literary and reader oriented methods Divided into two sections the book first considers method and theory followed by exegetical character studies using a literary or reader oriented method It summarizes the state of the discussion examines obstacles to arriving at a comprehensive theory of character in the Fourth Gospel compares different approaches and compiles the diverse methodologies into one comparative study Through this detailed exegesis the various theories will come alive and the merits or deficiencies of each approach will be available to the reader This volume is both a comprehensive study in narrative reader oriented theories and a study in the application of those theories as they apply to characterization Summing up current research on characters and characterization in the Fourth Gospel this book also provides a comprehensive presentation of different approaches to character that have developed in recent years      We Knew Him George H. Dawe,2012-05-10 We Knew Him is a collection of monologues describing personal encounters with Jesus of Nazareth The series began as talks for special occasions Drawing on various resources the author created this material for scripts and dramatic sermons Here readers will relive experiences of men and women engaging Jesus in one on one dialoguesome to love Him and others to hate Him but all to be inspired and challenged by Him In We Knew Him the author invites New Testament individuals to tell their stories Actually the author becomes the characters slipping on their sandals to relate accounts of how they knew Jesus      **The John You Never Knew** Kenneth H. Maahs,2006 Original Scholarly Monograph      **Character Matters** Aaron Menikoff,2020-05-05 Pastor it s time to turn down the noise and focus on what matters Today s pastoral world is packed with books conferences and seminars teaching you different techniques for being an all star pastor growing your church quickly and changing the world But the key to true success is much harder and much simpler Pastors are called to be faithful to have exemplary character and to love Jesus Without faithfulness their ministry ends up harming others rather than helping them Churches need pastors with sound doctrine and a sound life Character Matters was written to help you slow down cut through the noise and distractions and focus on what matters the fruit of the Spirit Each chapter is a guided

**Memories of Jesus** Halvor Moxnes,2021-02-09 This is a different book about Jesus It does not study the Gospels as sources for the historical Jesus but reads them as memories about Jesus each Gospel with its characteristic picture of Jesus The book traces the transmission and growth of memories of Jesus in various contexts and in different historical periods It also introduces readers to the little known counterstories to Christian memories in Jewish sources as well as to the rival stories in the Quran A central perspective in the book is the troubling fact that for centuries the memories of Jesus contributed to hate speech against the Jews in Europe The passion narratives in the Gospels put the blame for the death of Jesus upon Jewish leaders and these stories were transmitted across the centuries as historical truth Memories of Jesus have served as identity markers not only for churches but also for societies and countries The last chapters focus on how the memories of Jesus have played an important role in supporting the identity of oppressed and marginalized groups in particular in the contemporary United States

been the subject of focused literary critical study of the New Testament since the 1970s Bennema observes that there is still no consensus regarding how character should be understood in contemporary literary theory or in biblical studies Many New Testament scholars seem to presume that characters in Greco Roman literature are two dimensional Aristotelian figures unlike the well rounded psychologized individuals who appear in modern fiction They continue nevertheless to apply contemporary literary theory to characters in ancient writings Bennema here offers a full comprehensive and non reductionist theory for the analysis classification and evaluation of characters in the New Testament *The Lost Gospel of Judas Iscariot* Bart D.
