Out in the South Carlos Lee Barney Dews, Carolyn Leste Law, 2001-01-15 An absorbing collection of writings about gay and lesbian life in the South      **Gay Religion** Scott Thumma, Edward R. Gray, 2004-12-10 Conflicts over homosexuality and gay rights threaten to break apart denominations if not North American society These heated theological and political debates have as well obscured the fact that many gays and lesbians are religiously active individuals Gay Religion is the first book to give a straightforward presentation of the spiritual lives practices and expressions of gays lesbians bisexuals and transgender Drawing from a wide range of religious traditions new and established scholars explore the range of gay religious expression in denominations sects and even outside recognized religious institutions The essays ask what these religious innovations mean to the continually evolving religious environment of North America With its helpful section introductions and an appendix providing profiles of organizations involved Gay Religion is a unique and compelling resource for anyone interested in homosexuality and American religion      Contemporary American Religion Penny Edgell, Nancy L. Eiesland, 2000-01-01 No single narrative or theory can describe the varieties of religious experience in North America today The tidy dichotomies of liberal conservative public private local global and renewal secularization make little sense once specific congregations are examined closely To understand the shifting boundaries of contemporary religious expressions new tools are needed Contemporary American Religion collects qualitative on the ground studies of local congregations by up and coming religious scholars Ethnography combined with more traditional sociological methods help make sense of complex religious communities from Messianic Jews to evangelical feminists from Gospel Hour at a gay bar to exurban megachurches This collection covers a wide span of the religious landscape always trying to uncover new theoretical insights Essential reading for classes in sociology of religion contemporary American religion and anthropology of religion

**Decisions of the United States Courts Involving Copyright, 1983** ,1988      **The Divine Supermarket** Malise Ruthven, 2012-04-30 A perfect guide and crazy concept It s a rocking good read and something of a pocket guide to hell Time Out Travelling in a battered camping van Malise Ruthven set out across America in search of the manifestations often bizarre and sometimes terrifying of its religious spirit The journey took him from the dark woods of Puritan New England to neo Nazi cults in the Rockies from Mormons and Snake handlers to fundamentalist groups who challenge the teaching of evolution from Channellers in California to the sexual and financial scandals surrounding millionaire TV preachers The Divine Supermarket is his zesty and brilliantly observed account of the journey offering illuminating and humorous insights into the quirky soul of modern America      **Falwell Inc.** Dirk Smillie, 2016-03-01 Spiritual Street Fighter Radical Educator Christian Entrepreneur The late Reverend Jerry Falwell was a controversial and divisive religious and political figure whose legacy will long outlive him Falwell Inc is the first close examination of how he built his conservative empire from the inner workings of the fund raising juggernauts behind his church university and conservative causes to the explosive growth of Liberty

University founded by Falwell to mint conservative lawyers judges and politicians Falwell's religious ventures are now in the hands of his two very different sons They are expanding their father's empire beyond what he ever achieved Investigative reporter Dirk Smillie reveals the financial rapids Reverend Falwell and son Jerry Jr hit when business failures piled up 100 million in debt and nearly sank his school and ministry Smillie uncovers the extraordinary impact Falwell in saving his spiritual enterprises has had on Lynchburg Virginia and how savvy real estate investments and relentless fund raising saved the empire Falwell Inc details the spreading influence his legacy continues to exert on our country Falwell Inc is above all an astonishing behind the curtains look at a powerful but flawed man and his multimillion dollar business political religious and education enterprises by a reporter with unprecedented access to the family

**Religion in the Public Square** James M. Patterson, 2019-06-28 Ven Fulton J Sheen Dr Martin Luther King Jr and Rev Jerry Falwell religious leaders who popularized theology through media campaigns designed to persuade the public In Religion in the Public Square James M Patterson considers religious leaders who popularized theology through media campaigns designed to persuade the public Ven Fulton J Sheen Dr Martin Luther King Jr and Rev Jerry Falwell differed profoundly on issues of theology and politics but they shared an approach to public ministry that aimed directly at changing how Americans understood the nature and purpose of their country From the 1930s through the 1950s Sheen was an early adopter of paperbacks radio and television to condemn totalitarian ideologies and to defend American Catholicism against Protestant accusations of divided loyalty During the 1950s and 1960s King staged demonstrations and boycotts that drew the mass media to him The attention provided him the platform to preach Christian love as a political foundation in direct opposition to white supremacy Falwell started his own church which he developed into a mass media empire He then leveraged it during the late 1970s through the 1980s to influence the Republican Party by exhorting his audience to not only ally with religious conservatives around issues of abortion and the traditional family but also to vote accordingly Sheen King and Falwell were so successful in popularizing their theological ideas that they won prestigious awards had access to presidents and witnessed the results of their labors However Patterson argues that Falwell's efforts broke with the longstanding refusal of religious public figures to participate directly in partisan affairs and thereby catalyzed the process of politicizing religion that undermined the Judeo Christian consensus that formed the foundation of American politics

**Hospital for Sinners** Tom Wright, 2018-11-29 Hospital For Sinners is the culmination of nearly thirty years of planning and preparation The idea was first conceived in the late 1970s thus we have a storied history of the religious right and its components from 1979 to 2006 During this time period the supposedly light of the world has become darkened by sex scandals misappropriation of funds and sundry other lewd behaviors Our church leadership is in pursuit of money and power while hiding behind a mask of self righteousness and political associations Does God want Christians to clothe themselves in sackcloth and ashes No Nor does He desire one to ride around in a Rolls Royce either

End Time Politics Keri L. Ladner, 2024 End Time Politics shows how popular beliefs

about God's impending judgment on the world rooted in millenarian ideologies Cold War grandstanding racial antipathy and nuclear build up shaped an economic movement that led to white evangelicals unflinching support of Donald Trump
