The Prologue of the Fourth Gospel Peter Phillips, 2006-04-01 This study explores the background to the interpretation of the Prologue of the Fourth Gospel and the various layers of meaning

*Fighting Satan* Joel R. Beeke, 2015-06-23 In a day when society has in many ways placed itself under Satan's rule when Satanism is flourishing in Western nations when certain branches of the church are preoccupied with deliverance ministries and when others deny the devil's existence *Fighting Satan* is a sober practical perspective on this vital subject Joel R Beeke states We must know our enemy We must know how to withstand him and what spiritual weapons to take up against him We must defeat him by faith through lives that bear fruit and spread the truth With questions for reflection and discussion at the close of each chapter *Fighting Satan* is ideal for group and individual Bible study

Table of Contents Part One Knowing the Enemy The Personality and History of Satan 1 Satan in the Bible 2 Satan in Church History Today and the Future Part Two Knowing Satan's Weaknesses Fighting Him Defensively and Offensively 3 Building an Unyielding Defense 4 Building an Attacking Offense Part Three Knowing Satan's Strategies His Devices and Their Remedies 5 Satan's Strategies and Skill 6 Confronting Four Major Strategies of Satan Part Four Knowing Satan's Defeat in Our Personal Lives Churches and Nations 7 Our Challenge as Believers 8 Our Challenge as Church Members 9 Our Challenge as Citizens

**Knowing God through Journey and Pilgrimage** Seung Yeal

Lee, 2011-04-01 The Hebrew Christian Scriptures include many allusions to pilgrimage customs and practices yet the information is scattered and requires a considerable amount of reconstruction It is posited that the pilgrimage paradigm including the journey motif has influenced the thought patterns of the writers of both the Old and New Testaments To follow Jesus' journey to Jerusalem on the three feasts of pilgrimage in Luke Acts and John and their relevance to the way he revealed himself and taught his disciples this work begins with the creation and patriarchal narratives examining how the pilgrimage paradigm relates to discipleship Reviewing the history of the people of God including the Exodus the Exile and restoration this book establishes the significance of pilgrimage as a paradigm for Israel that eventually shapes Judaism Seung Y Lee points us to a neglected fact that the three feasts of pilgrimage have developed their own characters and meanings for the momentous events in the history of Israel and both Luke Acts and John reflect the significance of the pilgrimage paradigm for Jesus' self understanding and his teaching

**To Save Sinners** Michael Riccardi, 2023-04-12 The atoning work of the Lord Jesus Christ on the cross stands as the very epicenter of Christianity the very heart of the gospel Because of this one does not stray far from the heart of the Christian faith when he asks For whom has Christ accomplished so great a salvation Answers to that question have historically fallen in two broad categories Either Jesus died for all people without exception or he died only for those whom the Father has chosen to save Recently a mediating view has arisen arguing that we should not choose between these options but that Jesus died with multiple intentions for all without exception and for the elect alone In this book Michael Riccardi offers a critical evaluation of the multiple intentions view from the perspective of classic particularism

The book demonstrates that while the third way proposed is attractive at first blush beneath the surface it faces insurmountable biblical and theological problems including the redefinition of the nature of the atonement itself Riccardi demonstrates that particular redemption is the teaching of the text of Scripture against the objections of one of its strongest opponents *Pension Records*, 1900 [The Gospel of John](#) George Hutcheson, 1985 *Holman Old Testament Commentary Volume 14 - Ecclesiastes, Song of Songs* David Moore, Dr. Daniel L. Akin, 2003-07-01 One in a series of twenty Old Testament verse by verse commentary books edited by Max Anders Includes discussion starters teaching plan and more Great for lay teachers and pastors alike **Their Master's Voice** Chris Woodall, 2020-11-03 Of the five books that make up the Major Prophets in the Old Testament three are amongst the largest of the Bible Isaiah Jeremiah and Ezekiel As if to underscore their Major status each one is significantly longer than the Minor Prophets combined Although the specific details of each prophet's contribution differ a more general overarching theme may be discerned in them all to remind their respective target audiences of their covenantal obligations The prevailing human condition throughout the ages ensures that while circumstances cultural development and technological advancements do change with time the underlying sinful disposition of mankind remains constant in every epoch Mercifully God's messages to both victim and perpetrator alike are similarly unchanging In the stream of progressive revelation it would be irresponsible simply to dip into the waters of the Old Testament and translate its lessons to our day without due process That process might include asking certain questions of the texts under consideration Are the lessons provided by these Old Testament saints applicable to us as Christians in the twenty first century Do their words still speak today Only if Christian believers are still prone to such folly as chasing disposable pleasures instead of choosing meaningful pursuits **The Significance of the Temple Incident in the Narratives of the Four Gospels** Deolito V. Vistar Jr., 2018-11-08 Deolito Vistar brings a new perspective to the interpretation of the temple incident a key event in Jesus' life by approaching the subject not from the historical Jesus point of view but from that of the authors of the Gospels Using composition criticism as a method Vistar sensitively analyzes the four Gospels' accounts of the incident and shows areas of commonalities and crucial areas where the four evangelists have their own distinctive understanding of what Jesus meant by his protest in the temple This book is a helpful example of the use of composition analysis in the exegesis of Gospel texts It is also a helpful study of what is now generally taken for granted in Gospel scholarship that the four evangelists were both historians and theologians **Management by the Book** Robert Case, 2022-06-06 In *Management by the Book* Robert Case masterfully weaves Old and New Testament management examples and principles commentary from scholars' insight from theologians' practices from contemporary business owners and observations from Case himself to present a picture of management utterly unique in business literature **Union with Christ** Sung Rual Choi, 2023-11-13 Understanding union with Christ as a frame of thought as a motif or theme is important for accessing Calvin's theology While the union with Christ doctrine arises when Calvin explains the doctrine itself directly

especially in light of soteriology the strong presence of this motif union with Christ union with the Triune God indicates its pervasiveness when other doctrines or theological themes are explained as well This book suggests that we approach the notion of union of Christ as a theological frame of thought that touches on most of the doctrines and theological themes of Calvin's theology This book deals with union with Christ as a motif or theme rather than as a doctrine

**His Touch on the Mouths** Seock-Tae Sohn, 2018-11-19 At Pentecost there was no fire The divided tongues like fire came down to each one of the disciples and they spoke different languages so that all the people there could understand what they said without translators In the OT times God appointed his prophets by touching their mouths and putting his word into their mouths so that they might declare it to his people Therefore a prophet was the spokesman of God and is usually called the mouth of the Lord Jesus called the Word as well as God came into this world as the great prophet for the ministry of the word He taught the kingdom of God to his people and trained his disciples to be prophets after his departure The risen Christ appointed his disciples to be prophets giving them the ministerial task of the word and asking the Father to seal them as his prophets Thus the baptism of the Holy Spirit was the installation ceremony for the disciples to be the new covenant prophets as it was for the prophets of OT times The disciples were to go out to the ends of the earth to proclaim his word Those baptized by water are simultaneously baptized by the Holy Spirit and are given the office of the new covenant prophet

**John Calvin and the Printed Book** Jean-François Gilmont, 2005-11-01 John Calvin made a significant contribution to the world of early modern printing Jean-François Gilmont one of the foremost experts in the field has thoroughly researched and presented all aspects of John Calvin's interaction with books from the authors he read to the works he wrote to his relationships with the printing and publishing world of the sixteenth century Originally in French Karin Maag makes Gilmont's research available in this English translation

**Calvin on the Death of Christ** Paul A. Hartog, 2023-04-27 John Calvin's understanding of the extent of the atonement achieved in Christ's death is one of the most contested questions in historical theology In common thought Calvin's name is closely associated with the limited atonement stance canonized within the TULIP acronym but Calvin's personal endorsement of a strictly particularist view whereby Christ died for the elect alone is debatable In Calvin on the Death of Christ Paul Hartog re-examines Calvin's writing on the subject traces the various resulting historical trajectories and engages with the full spectrum of more recent scholarship In so doing he makes clear that while Calvin undoubtedly believed in unconditional election he also repeatedly spoke of Christ dying for all or for the world These phrases must be held central if we are to discover Calvin's own view of the subject Hartog's conclusions will surprise some and may hold significant implications for the Calvinist tradition today Throughout however they are cogently articulated and sensitively pitched

Exalting Jesus in Hebrews R. Albert Mohler, 2017-03-01 Edited by David Platt Daniel L. Akin and Tony Merida this new commentary series projected to be 48 volumes takes a Christ-centered approach to expositing each book of the Bible

*The Temporal Mechanics of the Fourth Gospel* Douglas Estes, 2008-01-01 By redefining narrative temporality in

light of modern physics this book advances a unique and innovative approach to the deep seated temporalities within the Gospel of John and challenges the implicit assumptions of textual brokenness that run throughout Johannine scholarship

**The Calvin Handbook** H. J. Selderhuis, 2009-08-05 Research on French theologian John Calvin is flourishing around the world and his quinqucentennial in 2009 has given such research even greater momentum Designed to support and stimulate this research The Calvin Handbook gathers contributions from internationally renowned scholars Offering a comprehensive view of Calvin's life his theology and the history of his reception this handbook is a uniquely helpful resource on Calvin for readers of every interest level John Calvin's Bible Commentaries On The Harmony Of The Gospels Vol. 1 John Calvin, Calvin produced commentaries on most of the books of the Bible His commentaries cover the larger part of the Old Testament and all of the new excepting Second and Third John and the Apocalypse His commentaries and lectures stand in the front rank of Biblical interpretation Our Author has exerted a powerful influence on all succeeding expositors They have found their interest in listening to his instructions and have been more deeply indebted to him than is generally known Many valuable interpretations of passages of Scripture appeared for the first time in his writings and have ever since been warmly approved In other cases the views which had been previously held are placed by him in so strong a light as to remove every doubt and satisfy the most cautious inquiry And yet the stores from which so much has been drawn are far from being exhausted nor is their value greatly lowered by improvements which have been subsequently made The department of History presents an analogous case Documents which had been overlooked are carefully examined Conflicting evidence is more accurately weighed Important transactions assume a new aspect or at least are altered in their subordinate details Still there are historians in whose narrative the great lines of truth are so powerfully drawn that the feebler though more exact delineations of other men cannot supply their place In the chief moral requisite for such a work Calvin is excelled by none He is an honest interpreter No consideration would have induced him to wrest the words of Scripture from their plain meaning Those who may question his conclusions cannot trace them to an unworthy motive Timid theologians will be occasionally startled by his expositions **The Cambridge Companion to Genesis** Bill T. Arnold, 2022-05-12 The Cambridge Companion to Genesis explores the first book of the Bible the book that serves as the foundation for the rest of the Hebrew Scriptures Recognizing its unique position in world history the history of religions as well as biblical and theological studies the volume summarizes key developments in Biblical scholarship since the Enlightenment while offering an overview of the diverse methods and reading strategies that are currently applied to the reading of Genesis It also explores questions that in some cases have been explored for centuries Written by an international team of scholars whose essays were specially commissioned the Companion provides a multi disciplinary update of all relevant issues related to the interpretation of Genesis Whether the reader is taking the first step on the path or continuing a research journey this volume will illuminate the role of Genesis in world religions theology philosophy and critical biblical scholarship **Historical Handbook of**

**Major Biblical Interpreters** Donald K. McKim, 1998 Contributors from both historical and biblical studies profile the methods perspectives and seminal works of major biblical interpreters from the second century to the late twentieth century Includes introductory essays for each period and bibliographies of each interpreter Edited by Donald K McKim
