Goss and Other Crested China Nicholas Pine,1986 *Goss and Other Crested China* Nicholas J. Pine,1984-01-01 William Henry Goss first decorated porcelain with coats of arms in the 1870 s and thereby sowed the seeds of a craze which was shortly to sweep Britain Heraldic porcelain from the Goss factory and dozens of competitors was on sale from 1895 to 1915 and it is estimated that 90 percent of British homes possessed at least one piece during that period But the trade declined during the First World War and came to an end with the depression of the 1930 s There has been a revival of interest in heraldic porcelain since the early 1970 s and it has become popular with collectors This book tells the story of Goss and his competitors explores the vast range of pieces produced and their decorations and suggests possible themes for the collector many of which are illustrated *Souvenirs* Michael Hitchcock,Ken Teague,2019-09-16 This title was first published in 2000 *Souvenirs* broadly conceived are generally thought to be the material counterpart of travels events relationships and memories of all kinds The material items classed as souvenirs discussed in this text have memorial functions usually connected with the owner s travels But not all of the items are souvenirs of tourism they are also souvenirs of other past phenomena such as political events suffragettes colonial history India former artistic pre eminence Awaji Ningyo puppetry or former ways of life South American ceramic archaisms The authors do not necessarily focus on material souvenirs in their memorial function as prompters of memory They also use their case studies as starting points for the discussion of many interesting contemporary phenomena such as cottage industries for economic development in Mexico and Ainu as devices to invigorate or maintain artistic practices as emblems of cultural conformity Surrealists or as symbolic weapons in national and international political arguments A key focus of many of the chapters is the question of meaning what is the meaning of any particular souvenir or collection and for whom does it bear that meaning Writer's Market 2010 Caroline Taggart,2010-06-30 THE MOST TRUSTED GUIDE TO GETTING PUBLISHED Written by writers for writers and backed by 89 years of authority Writer s Market is the 1 resource for helping writers sell their work Used by both seasoned professionals and writers new to the publishing world Writer s Market has helped countless writers transform their love of writing from a hobby into a career Nowhere else but in the 2010 Writer s Market will you find the most comprehensive and reliable information you need This new edition includes Complete up to date contact information and submission guidelines for more than 3 500 market listings including literary agents book publishers magazines newspapers production companies theaters greeting card companies and more Informative interviews helpful tips and instructional articles on the business of writing The How Much Should I Charge pay rate charts for professional freelancers Sample good and bad queries in the Query Letter Clinic Easy to use format and tabbed pages so you can quickly locate the information you need **Warman's English & Continental Pottery & Porcelain** Susan D.
