**Monstrous Bodies** June Pulliam, 2014-08-08 Recent works of young adult fantastic fiction such as Stephenie Meyer's *Twilight* Saga have been criticized for glamorizing feminine subordination But YA horror fiction with female protagonists who have paranormal abilities suggests a resistance to restrictive gender roles The monstrous Other is a double with a difference a metaphor of the Western adolescent girl pressured to embody an untenable doll like feminine ideal This book examines what each of three types of female monstrous Others in young adult fiction the haunted girl the female werewolf and the witch has to tell us about feminine subordination in a supposedly post feminist world where girls continue to be pressured to silence their voices and stifle their desires

**The Haunted House in Women's Ghost Stories** Emma Liggins, 2020-06-30 This book explores Victorian and modernist haunted houses in female authored ghost stories as representations of the architectural uncanny It reconsiders the gendering of the supernatural in terms of unease denial disorientation confinement and claustrophobia within domestic space Drawing on spatial theory by Gaston Bachelard Henri Lefebvre and Elizabeth Grosz it analyses the reoccupation and appropriation of space by ghosts women and servants as a means of addressing the

opposition between the past and modernity The chapters consider a range of haunted spaces including ancestral mansions  
 ghostly gardens suburban villas Italian churches and houses subject to demolition and ruin The ghost stories are read in the  
 light of women's non-fictional writing on architecture travel interior design sacred space technology the ideal home and the  
 servant problem Women writers discussed include Elizabeth Gaskell Margaret Oliphant Vernon Lee Edith Wharton May  
 Sinclair and Elizabeth Bowen This book will appeal to students and researchers in the ghost story Female Gothic and  
 Victorian and modernist women's writing as well as general readers with an interest in the supernatural Scottish Gothic  
 Carol Margaret Davison, 2017-03-08 Written from various critical standpoints by internationally renowned scholars Scottish  
 Gothic An Edinburgh Companion interrogates the ways in which the concepts of the Gothic and Scotland have intersected  
 and been manipulated from the mid-eighteenth century to the present day This interdisciplinary collection is the first ever  
 published study to investigate the multifarious strands of Gothic in Scottish fiction poetry theatre and film Its contributors all  
 specialists in their fields combine an attention to socio-historical and cultural contexts with a rigorous close reading of works  
 both classic and lesser-known produced between the eighteenth and twenty-first centuries **Neo-Victorian Gothic**

 Odabas, 2018-11-09 The ghost as a literary figure has been interpreted multiple times spiritually psychoanalytically  
 sociologically or allegorically Following these approaches Janna Odabas understands ghosts in Asian American literature as  
 self-reflexive figures With identity politics at the core of the ghost concept Odabas emphasizes how ghosts critically  
 renegotiate the notion of Asian America as heterogeneous and transnational and resist interpretation through a morally or  
 politically preconceived approach to Asian American literature Responding to the tensions of the scholarly field Odabas  
 argues that the literary works under scrutiny openly play with and rethink conceptions of ghosts as mere exotic ethnic

ornamentation      South African Gothic Rebecca Duncan, 2018-06-15 The term Gothic has rarely been brought to bear on contemporary South African fictions appearing too fanciful for the often overtly political writing of apartheid and post apartheid South Africa As the first book length exploration of Gothic impulses in South African literature this volume accounts for the Gothic currents that run through South African imaginaries from the late nineteenth century onwards South African Gothic identifies an intensification in Gothic production that begins with the nascent decline of the apartheid state and relates this to real anxieties that arise with the unfolding of social and political change In the context of a South Africa unmaking and reshaping itself Gothic emerges as a language for long suppressed histories of violence and for ongoing experiences at odds with utopian images of the new democracy Its function is interrogative and ultimately creative South African Gothic challenges narrow conceptions of the status quo to drive at alternative less exclusionary visions      **The Anthracite Coal Region** John G. Sabol Jr, 2008-03-24 This book is an archaeological excavation of anomalous phenomena that still lingers to haunt various locations in the anthracite coal region of Northeastern Pennsylvania The unearthing of this haunting presence is both a metaphorical excavation the bringing into the light of various dramas events and experiences of an individual and collective nature and a physical engagement the emergence of ghostly presence through investigative field performances This anthracite coal region drama is viewed through the use of a deep map of short but compendious ghost narratives This deep map consists of autobiographical events symmetrical archaeological practices memories of local places ethnic folklore haunting traces and manifestations natural history the use of ascientific fieldmethodology and a sincere and profound sensitivity to the land These ghost narratives are a subtle multi layered and deep mining of a small regional landscape that has long been neglected and been perceived as insignificant social history This book is meant to change that perceptionthrough a sensualunearthing of its haunting uncertainties      *Edward Elgar and the Nostalgic Imagination* Matthew Riley, 2007-02-08 A study of nostalgia in the music of the popular twentieth century composer Edward Elgar
