The Diary of Samuel Pepys f Samuel Pepys, 2021-01-01 Although the Diary of Samuel Pepys has been in the hands of the public for nearly seventy years it has not hitherto appeared in its entirety In the original edition of 1825 scarcely half of the manuscript was printed Lord Braybrooke added some passages as the various editions were published but in the preface to his last edition he wrote there appeared indeed no necessity to amplify or in any way to alter the text of the Diary beyond the correction of a few verbal errors and corrupt passages hitherto overlooked The public knew nothing as to what was left unprinted and there was therefore a general feeling of gratification when it was announced some eighteen years ago that a new edition was to be published by the Rev Mynors Bright with the addition of new matter equal to a third of the whole It was understood that at last the Diary was to appear in its entirety but there was a passage in Mr Bright's preface which suggested a doubt respecting the necessary completeness He wrote It would have been tedious to the reader if I had copied from the Diary the account of his daily work at the office As a matter of fact Mr Bright left roughly speaking about one fifth of the whole Diary still unprinted although he transcribed the whole and bequeathed his transcript to Magdalene College The Diary of Samuel Pepys by Samuel Pepys is a unique glimpse into the daily life of a 17th century Englishman Pepys was a well
