**Defense of Sin** John Portmann, 2003-03-07 Intriguing and occasionally unsettling In Defense of Sin is a refreshingly frank exploration of some real facts of life Portmann gathers an on target collection of great writers on transgressions large and small Read about defenses for promiscuity greed deceit gossip lust breaking the golden rule and more and use this unusual guide to decide for yourself if sin has a place in our contemporary and virtually unshockable society Provocative and illuminating this book may change how you think about sin morality and what's right Contributors include Aaron Ben-Zeev Anthony Ellis Jane English Ludwig Feuerbach Sigmund Freud Bernard Mandeville Jerome Neufriedrich Nietzsche David Novitz Joyce Carol Oates David A J Richards Seneca Jonathan Swift Richard Wasserstrom and Oscar Wilde *Behold the Man* Harold Burke-Sivers, 2015-09-22 Lucid and inspiring Behold the Man is a unique exploration of Catholic spirituality for men Much of the literature written for Catholic men focuses on topical issues such as fatherhood and sexuality While this book does not exclude these subjects it is the first to present a comprehensive picture of Catholic male spirituality What is authentic male Catholic spirituality What distinguishes it from Protestant male spirituality How does masculine spirituality complement feminine spirituality These questions and many more are answered in this book Drawing from Scripture and Church teaching the author roots Catholic male spirituality in a covenant relationship with God and the cross of Jesus Christ He demonstrates that when a man embraces the cross he is truly able to be himself the man that God created and calls him to be Behold the Man can deepen a man's experience of Christ and help him to know the Lord more intimately **Yoga and Meditation** Stephen Knapp, 2021-01-01 Perhaps no doctrine of Christian science rouses so much natural doubt and questioning as this that God knows no such thing as sin Indeed this may be set down as one of the things hard to be understood such as the apostle Peter declared were taught by his fellow apostle Paul which they that are unlearned and unstable wrest unto their own destruction Let us then reason together on this important subject whose statement in Christian Science may justly be characterized as wonderful **Introspection** Reginia (Regana) McKinney-McGee., 2014-01-08 Gina Phillips is hiding her pain While her work takes her all over the world she attempts to follow God's laws and love her family Even so she is battling internal demons that have caused her to push her dreams aside and live a lie The truth is that no one really knows her Gina has taken it upon herself to dispense justice in her own way As she meets one man after the other she feels nothing as she sleeps with them steals their identification and leaves them with something that will change their lives forever No one knows what she is taking or giving to the unsuspecting men except God But even as Gina continues down a dark path lined with deceit a piece of her soul seeks deliverance from the hidden secrets that have left her ashamed alone in her pain and without peace Now only time will tell if her secret will ever be exposed Introspection is the poignant story of a struggle between morality and retribution as a woman with deep secrets embarks on a life changing journey to seek justice from unwary souls A theologicall ...
