Seeking Love, Marriage and Family FRANTZ MARS, 2014-06-13 Coming out of the womb we did not come with the knowledge so therefore Love Marriage and Family are things one has to learn The title of this book really describe the book Love Marriage and Family Most people think love is something mysterious love is one of the most used word in the English language but also one of the most confused word Love is a choice since you have to pick who you want to love there are so many types of love Marriage is a vocation vocation means a calling from God in another word you are called to love your spouse to consecrate your life to your partner to commit with intimacy and passion Marriage is not for everyone one of the most problem people are confronted with in a marriage the ladies don t know the purpose of a man in a marriage and the men don t see why a lady is necessary This book exposed the physiquess of both gender the ladies can endure more than the guys they are conditioned to carry nurture deliver

push sensitive which is of their beauty But the guys are very physical they have strength discipline smart more logical Looking at it they are quite different but they were created to complete each other they will get together and create one human being As Humans God expects us to live as a community which is a product of families When God said love your neighbor as you love yourself if you have to enumerate your neighbor who should be your first neighbor your first should be your spouse then your children So society expects a great participation of your family to have a nice world This book is pretty deep there are so much to learn Definitely you will have a great time reading this book **30 Lessons for Loving** Karl Pillemer, Ph.D.,2015-01-08 From the author of the beloved 30 Lessons for Living Karl Pillemer s 30 Lessons for Living first became a hit and then became a classic Readers loved the sage advice and great stories from extraordinary older Americans who shared what they wish they had known when they were starting out Now Pillemer returns with lessons on one of the mosttalked about parts of that book love relationships and marriage Based on the most detailed survey of longmarried people ever conducted 30 Lessons for Loving shows the way to lifelong fulfilling relationships The author an internationally renowned gerontologist at Cornell University offers sage advice from the oldest and wisest Americans on everything from finding a partner to deciding to commit to growing old together Along the way the book answers questions like these How do you know if the person you love is the right one What are the secrets for improving communication and reducing conflict What gets you through the major stresses of marriage such as child rearing work money issues and inlaws From interviews with 700 elders 30 Lessons for Loving offers unique wisdom that will enrich anyone s relationship life from people searching for the right partner to those working to keep the spark alive after decades together Filled with great stories wise observations and useful advice 30 Lessons for Loving is destined to become another classic *Two Plus Two* Geoffrey L. Greif,Kathleen Holtz Deal,2012-04-23 Pays attention to differences between how men and women create and maintain friendships as well as how we are affected by developmental shifts across the lifespan Separates couples into three distinct categories Seekers Keepers and Nesters to provide a template for understanding the broad and dynamic situations of couples interactions with others Examines the challenges and difficulties many different types of couples face such as young mid life older remarried and inter racial couples The role of friendship in a person s and a couple s life is largely unexplored in family therapy literature and self help books on families Every couple is involved in some form of couples friendship yet virtually no research is available on this important relationship In addressing this gap in the literature this book will enhance the marriages and couples relationships of its readers as well as open up important avenues for marital and family therapists Based on a research study conducted by the authors with over 400 people Each chapter contains a marriage enrichment angle Expands existing research on gender differences in friendship development Love to Stay Adam Hamilton,2013-08-06 In this book Adam Hamilton explores how with God s help we can make love last Drawing upon a survey of thousands of couples and singles interviews with relationship and marriage therapists the latest research in the

field and wisdom from the Bible Hamilton looks at what it takes to create and sustain healthy meaningful romantic relationships across the course of a lifetime Contents include More Than a Piece of Paper What She Wants What He Wants The Significance of Sexual Intimacy Habits That Hurt Habits That Heal Clothe Bear With and Forgive A Love That Lasts a Lifetime

Making Marriage Work Rob Pascale,Louis H. Primavera,2016-02-23 Staying happily married has become a difficult proposition in recent times Although the institution is still firmly embedded in our culture divorce rates have steadily climbed since the 1960s While some marriages are truly divorce worthy many other broken marriages can be saved Recent emphasis on personal needs and greater social acceptance of divorce and alternative lifestyles may have weakened the resolve of partners to work through their problems Furthermore many couples may not realize that problems in their current marriages are likely to surface in other relationships Consequently while they may consider divorce a solution it may in fact only be a stepping stone to the next relationship where patterns may repeat Solving marital differences can be difficult They tend to be linked to or caused by other problems and that can make it hard to identify the real reasons for conflicts Without knowing the true nature of their problems couples cannot arrive at solutions that actually work To understand the underlying issues that plague many marriages the authors look to the research conducted on the subject over the past fifty years and to real life stories of success and failure to outline the major issues that detract from marital stability Drawing on Louis Primavera s twenty five years in private practice as a marriage counselor each chapter is peppered with anecdotes that every married person can relate to and that help bring issues to life The authors also propose frank and honest solutions that can help couples have more satisfying relationships Anyone looking to improve their marriage will find suggestions for sussing out the underlying problems they may be experiencing and guidance for addressing those problems
