The volume also contains De Ouincey's best known piece of literary criticism On the Knocking at the Gate in Macbeth and his finest tale of terror The Avenger a disturbing exploration of violence vigilantism and religious persecution ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more The Mysterious Bookshop Presents the Best Mystery Stories of the Year 2025 John Grisham, 2025-09-23 1 bestseller John Grisham selects the best short mystery fiction of the past year From over 3 000 considered stories published in the past year this anthology contains the twenty best selected by 1 New York Times bestselling author John Grisham under the auspices of New York City's legendary crime fiction specialty store The Mysterious Bookshop Included are tales of suspense detection and puzzlement that illuminate the diversity of styles contained under the mystery umbrella and highlight some of the greatest practitioners of the short form working today with a blend of household names and lesser known writers no less worthy of your attention There's something for everyone in this celebrated anthology now in its fifth year which continues to dazzle with the breadth of its selection and which draws from sources as disparate as Black Cat Weekly Ellery Queen Mystery Magazine and Conjunctions Plus it s all capped off with an additional bonus story from an earlier era sourced from the bookshop's rare book room An Actor's Edition of Shakespeare Revisited James R. Hartman, 2007-07-26 An

Actor's Edition of Shakespeare Revisited is a book for actors directors professors of theatre and the general public Each of the plays has been edited for more understandability and length The intent of the book was to make the works more accessible without making the language modern When audiences see a Shakespeare play they have only one time to grasp the words as they are spoken Audience members do not have time to look at lengthy explanations or notes about words or expressions Therefore this edition of these five plays presents the plays so that audience members as well as actors can follow the plays with little difficulty Some words have been changed to accomplish this In certain speeches subjects or verbs were supplied for understandability Because Shakespeare used many pronouns these plays make use of more nouns so that the meaning of who or what is being spoken about becomes more clear The book also has some useful tools for the director and actors A chart has been provided for each play that lists each character by act and scene This can be very useful when there is a need to double cast actors In addition a combination roles page has also been added which gives suggestions for doubling parts for a smaller company To help at rehearsals page numbers for the beginning of each act and scene is provided on a single page for each play Finally each play has been broken into beats for the actor and the director It is the hope of the author of this book that more people will find excitement in reading performing staging or viewing Shakespeare because of the edited versions for understandability Enjoy the plays either reading or performing The London street-folk, book **the first** Henry Mayhew, 1851 The Family Shakespeare ...
