The production was highly praised much of its strength deriving from this translation by Edward Bond and Elisabeth Bond
Pabl scrupulously faithful both to Wedekind's irony and his poetry The Times This translation of Spring Awakening was first

concerns a weekend with friends of the Bliss family who have all been invited independently for a weekend at their country house near Maidenhead The Vortex was a controversial drama in its time introducing drug addiction onto the stage at a time when alcoholism was barely mentioned Fallen Angels which is written for two star actresses was described as degenerate vile obscene shocking the second half of the play is entirely taken up with an alcoholic duologue between the two women Easy Virtue is an elegant laconic tribute to a lost world of drawing room dramas no other writer went more directly to the jugular of that moralistic tight lipped but fundamentally hypocritical 20s society He is simply a phenomenon and one that is unlikely to occur ever again in theatre history Terence Rattigan *Freefall* Michael West,2010-07-10 There are things I haven't said Things I want to say again I need to think I need more time A sudden shock and a man's life flashes before his eyes He experiences an intense rush of extraordinary images and tangled memories revelations and lost connections People time and places swirl around him As he valiantly attempts to stitch it all back together will his luck hold out The play's conceit follows a man who has suffered a stroke experiencing a series of flashbacks Trapped within his own head the audience are taken with him through a whistlestop tour of his life a series of vivid often painful episodes from childhood tragedy to crumbling marriage In a beguiling portrait of mortality and humanity Freefall explores memory family and loss From the author of Dublin by Lamplight and Foley Freefall reunites award winning Irish playwright Michael West with The Corn Exchange Dublin's innovative theatre company who explore the boundaries and possibilities of theatre with their trademark style of Commedia dell'Arte Freefall is a sharp humorous and exhilarating look at the fragility of a human life blending impressionistic beauty poignancy and comedy **Punk Rock** Simon Stephens,2009-09-03 William Carlisle has the world at his feet but its weight on his shoulders He is intelligent articulate and fed In the library of a grammar school William and his fellow Sixth Formers are preparing for their mock A Levels while navigating the pressures of teenage life They are educated and aspirational young people but step by step the dislocation disjunction and latent aggression is revealed Punk Rock premiered at the Lyric Hammersmith on 3 September 2009 in a co production between the Lyric Hammersmith and the Royal Exchange Theatre Manchester [A Thousand Stars Explode in the Sky](#) David Eldridge,Robert Holman,Simon Stephens,2013-10-16 On a farm in the North East of England a family gathers Five brothers and four generations feature in an epic play about hope love fear and the very end of time A Thousand Stars Explode in the Sky is a refreshingly subtle and compassionate vision of the world on the edge of apocalypse Within a cosmological context the focus is on a single family their relations with each other and their unreconciled regrets soon to become permanent With an ensemble of strong engaging characters there are knotty realistic family dynamics and a palimpsest of recent family history The characters and dialogue are naturalistic but the serious themes are elucidated and alleviated with humour and quirky surreal touches The play represents a unique collaboration between three of the UK's pre eminent stage writers The ambition of the partnership is matched by the ambition of the play's sweeping scope Whilst the three voices collide they also ring out

individually without sacrificing the piece's coherent wholeness and the play represents a rare fascinating study in stage collaboration
