Good Stories for Great Birthdays Frances Jenkins Olcott, 2012-08-01 Unlike some other reproductions of classic texts: 1. We have not used OCR (Optical Character Recognition) as this leads to bad quality books with introduced typos. 2. In books where there are images such as portraits, maps, sketches, etc., we have endeavoured to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Good Stories for Great Birthdays Frances Jenkins Olcott, 2015-07-12 Excerpt from *Good Stories for Great Birthdays* Arranged for Story Telling and Reading Aloud and for the Children's Own Reading. Here are over 200 stories celebrating 23 great birthdays of patriot founders and upbuilders of the Republics of both North and South America. In the stories are more than 75 historical characters, men, women, and children. The arrangement follows the school year, beginning in October with Columbus. The book cover is dressed in George Washington's colours, scarlet and white. These tales are not packed full of dry facts and dates boring to children. Instead, they treat history in a manner appealing to boys and girls. For it is the strong personalities that moved in the big events of the world; it is the forceful lives of the men themselves, their preparation in boyhood for successful careers, their struggles for right, their heroism, devotion, and high adventure, as well as the why and wherefore of things which make history an intense reality to children and young folk. American history treated after such a fashion may be used educationally to develop a fine

true type of Americanism So most of the tales presented here are ones of personality human and alive About the Publisher
