Jampolsky, Patricia Hopkins, William N. Thetford, 1985-06 *Good-Bye to Guilt* Gerald G. Jampolsky, MD, 2009-10-21 I know that the thousands all over the world who love Jerry and whose lives have been enhanced by his message are eagerly looking forward to this new book They have a treat in store In clear and beautiful prose Jerry tells us that peace is a conscious choice Saying good bye to guilt is a vital step in making that choice from the Foreword by John Denver Love is where there is no fear Fear is where there is no love In our age of anxieties most of us live by complex expectations about what we should achieve how we should act and how others should treat us As a result we are victimized by guilt and fear guilt because our standards haven t been met in the past fear that they won t be met in the future Inevitable these negative emotions wreak havoc on our personal relationships self esteem and peace of mind But what if we let go of our fear and guilt The transformation can be miraculous says world famous psychiatrist and author Gerald G Jampolsky The secret lies in healthy perception of yourself Dr Jampolsky points the way through fourteen lessons that can change your life These lessons show How to quiet the ego self that creates fear and guilt How to accept genuine love and give it away How to stop judging others thereby to stop judging yourself How to listen to your inner voice to receive support and guidance How to forgive others so that loneliness and separation become illusions of the past And much more Here is a book for everyone who seeks the key to life s most satisfying reward A book that tells you how to throw off the burdens of the past and learn what it can mean to truly love **Forgiveness** Robin Casarjian, 2010-01-13 Drawing on the philosophy of A Course in Miracles Casarjian gives a

new and surprising definition of forgiveness and provides original exercises and meditations that acknowledge our hurt even as they lead us beyond it The book explores special cases involving family members crime victims self forgiveness and forgiveness of God *Love Is Letting Go of Fear, Third Edition* Gerald G. Jampolsky, MD,2010-12-28 After more than thirty years *Love Is Letting Go of Fear* continues to be among the most widely read and best loved classics on personal transformation Both helpful and hopeful this little gem of a guide offers twelve lessons to help us let go of the past and stay focused on the present as we step confidently toward the future Renowned all over the world as the founder of Attitudinal Healing Dr Gerald Jampolsky reminds us that the impediments to the life we long for are nothing more than the limitations imposed on us by our own minds Revealing our true selves the essence of which is love is ultimately a matter of releasing those limited and limiting thoughts and setting our minds free *Love Is Letting Go of Fear* has guided millions of readers along the path of self healing with its deeply powerful yet profoundly humble message Embrace it with an open mind and a willing heart and let it guide you to a life in which negativity doubt and fear are replaced with optimism joy and love *Forgiveness* Gerald G. Jampolsky,2011-10-04 With this guidebook in hand anyone can embrace the power of forgiveness and transform their life and relationships Discover the power of forgiveness what it can do for you right now As the title suggests *Forgiveness* shows you how to take the steps to let go of your anger and your grudges and truly forgive those you have wronged you in some way and maybe more importantly how to forgive yourself Healing and acceptance are on the horizon and with this book you can learn about the toxic negative side effects of staying angry and hurt and how we can benefit both physically and mentally from the event of forgiving others and ourselves Teaching practical spirituality and written in very simple easy to understand language readers of *Forgiveness* will learn the top twenty reasons why the path to forgiveness has so many obstacles and how to remove those obstacles to create miracles in their lives and those of others If you ready to forgive and finally live a life full of joy and contentment but are not sure where to begin then this book is for you *Reward, Punishment, and Forgiveness* Joze Krasovec,2014-09-03 This book deals with central and universal issues of reward punishment and forgiveness for the first time in a compact and comprehensive way Until now these themes have received far too little attention in scholarly research both in their own right and in their interrelationship The scope of this study is to present them in relation to the foundations of our culture These and related issues are treated primarily within the Hebrew Bible using the methods of literary analysis The centrality of these themes in all religions and all cultures has resulted however in a comparative investigation drawing attention to the problem of terminology the importance of Greek culture for the European tradition and the fusion of Greek and Jewish Christian cultures in our modern philosophical and theological systems This broad perspective shows that the biblical personalist understanding of divine authority and of human righteousness or guilt provides the personalist key to the search for reconciliation in a divided world *Before Forgiving* Sharon Lamb,Jeffrie G. Murphy,2002-05-23 For psychologists and psychotherapists the notion of forgiveness has been enjoying a substantial vogue

For their patients it holds the promise of moving on and healing emotional wounds The forgiveness of others and of one's self would seem to offer the kind of peace that psychotherapy alone has never been able to provide In this volume psychologist Sharon Lamb and philosopher Jeffrie Murphy argue that forgiveness has been accepted as a therapeutic strategy without serious critical examination They intend this volume to be a closer critical look at some of these questions why is forgiveness so popular now What exactly does it entail When might it be appropriate for a therapist not to advise forgiveness When is forgiveness in fact harmful Lamb and Murphy have collected many previously unpublished chapters by both philosophers and psychologists that examine what is at stake for those who are injured those who injure them and society in general when such a practice becomes commonplace Some chapters offer cautionary tales about forgiveness therapy while others paint complex portraits of the social cultural and philosophical factors that come into play with forgiveness The value of this volume lies not only in its presentation of a nuanced view of this therapeutic trend but also as a general critique of psychotherapy and as a valuable testimony of the theoretical and practical possibilities in an interdisciplinary collaboration between philosophy and clinical psychology

Shortcuts to God Gerald G. Jampolsky, MD, 2013-10-09 More than twenty years after the publication of LOVE IS LETTING GO OF FEAR best selling author Gerald Jampolsky brings us the highly anticipated sequel In SHORTCUTS TO GOD Dr Jampolsky sheds light on the human longing to be closer to the mystical parts of our lives and teaches us to abandon our fears and embrace honesty forgiveness and love When asked why the sequel has been so long in coming Dr Jampolsky explained that learning about love can be a lifelong expedition one that has continuous cycles of hardship fulfillment and revelation each of which builds on the past to shape the self Fortunately for the rest of us Dr Jampolsky has emerged from his own spiritual journey much the wiser and ready to share the insights and revelations he's gleaned along the way SHORTCUTS TO GOD will jump start your journey to love and spirituality whether you're just starting down the path or well on your way to enlightenment

Teach Only Love Gerald G. Jampolsky, 2011-10-04 Dr Jampolsky believes there is another way of looking at life that makes it possible for us to walk through this world in love at peace and without fear This other way requires no external battles but only that we heal ourselves It is a process he calls attitudinal healing because it is an internal and primarily mental process Jampolsky believes that attitudinal healing when properly practiced will allow anyone regardless of her circumstances to begin experiencing the joy and harmony that each moment holds and to start her journey on a path of love and hope The mind can be retrained Within this fact lies our freedom Our attitudes determine whether we experience peace or fear whether we are well or sick free or imprisoned Love in its true meaning is the attitude that this book is about Love is total acceptance and total giving with no boundaries and no exceptions Love being the only reality cannot be transformed It can only extend and expand It unfolds endlessly and beautifully upon itself Love sees everyone as blameless for it recognizes the light within each one of us is Love is the total absence of fear and the basis for all attitudinal healing The principles of attitudinal healing have been expanded since Teach Only Love was first

published in 1983 There are now twelve principles which are used in the 150 Centers for Attitudinal Healing around the world Dr Jampolsky believes that these principles have a universal appeal that crosses cultural and religious barriers He has repeatedly seen how people s lives have transformed when these principles became their heartbeat and their way of communicating with others *Innocence Remembered, a Path to Personal and Global Healing* Doris Ehrler,2009-09-01
