Hirsch, 2010-04-03 The New York Times bestselling authorized enormously entertaining and wide ranging The Seattle Times biography of the late great Willie Mays Willie Mays 1931 2024 was arguably the greatest player in baseball history revered for the passion he brought to the game He began as a teenager

in the Negro Leagues became a cult hero in New York and was the headliner in Major League Baseball's bold expansion to California. He was a blend of power, speed, and stylistic bravado that enraptured fans for more than two decades. Author James Hirsch reveals the man behind the player. Mays was a transcendent figure who received standing ovations in enemy stadiums and who during the turbulent civil rights era urged understanding and reconciliation. More than his records, his legacy is defined by the pure joy that he brought to fans and the loving memories that have been passed to future generations so they might know the magic and beauty of the game. With meticulous research and drawing on interviews with Mays himself as well as with close friends, family, and teammates, Hirsch presents a brilliant portrait of one of America's most significant cultural icons.

Nice Guys Finish Last Leo Durocher, Ed Linn, 2024-05-31 Durocher fought and scratched and made enough enemies so that one season he was expelled from baseball for conduct detrimental to the game. Esquire The history of baseball is rife with colorful characters. But for sheer cantankerousness, fighting moxie, and will to win, very few have come close to Leo the Lip Durocher. Following a five-decade career as a player and manager for baseball's most storied franchises, Durocher teamed up with veteran sportswriter Ed Linn to tell the story of his life in the game. Durocher began his career inauspiciously riding the bench for the powerhouse 1928 Yankees and hitting so poorly that Babe Ruth nicknamed him the All-American Out. But soon Durocher hit his stride, traded to St. Louis, he found his headlong play and never-say-die attitude a perfect fit with the rambunctious Gashouse Gang Cardinals. In 1939 he was named player-manager of the Brooklyn Dodgers and almost instantly transformed the underachieving Bums into perennial contenders. He went on to manage the New York Giants, sharing the glory of one of the most famous moments in baseball history: Bobby Thomson's shot heard round the world, which won the Giants the 1951 pennant. Durocher would later learn how it felt to be on the other side of such an unforgettable moment as his 1969 Cubs, after holding first place for 105 days, blew a seemingly insurmountable 8-1-2 game lead to the Miracle Mets. *Nice Guys Finish Last* is baseball at its best, brimming with personality and full of all the fights and feuds, triumphs and tricks that made Durocher such a success and an outsized celebrity.

So You Want to Start a Hedge Fund provides critical lessons and thoughtful insights to those trying to decipher the industry as well as those seeking to invest in the next generation of high performers. This book foregoes the sensational headline grabbing stories about the few billionaire hedge fund managers to reach the top of the field. Instead it focuses on the much more common travails of start ups and small investment firms. The successes and failures of a talented group of competitive managers, all highly educated and well trained, show what it takes for managers and allocators to succeed. These accounts include lessons on funding, team development, strategy, performance and allocation. The hedge fund industry is concentrated in the largest funds and the big funds are getting bigger. In time some of these funds will not survive; their founders and large sums will get reallocated to a broader selection of different managers. This practical guide outlines the allocation process for fledgling funds and demonstrates how allocators can avoid pitfalls in their investments. So You Want to Start a Hedge Fund also shows how to develop a sound strategy and raise the money you need. Gain a real world perspective about how allocators think and act.
