 Christopher Thomas, 1998-01-01 The relationships between the Devil and disease sickness and sin healing and forgiveness
 and exorcism and deliverance form an intriguing and controversial set of issues This monograph brings some clarity to the
 topic by offering the first full length examination of the origins of illness in New Testament thought In an attempt to respect
 the diversity of thought within the New Testament the author employs a method that allows the distinctive contributions of
 each New Testament writer to be appreciated on their own terms These readings are followed by an attempt at the
 construction of a New Testament theology of the Devil disease and deliverance where the distinctive New Testament voices
 on this topic are heard in relation to one another The monograph concludes with a chapter devoted to the implications of this

 Rights Reserved **Matthew's Transfiguration Story and Jewish-Christian Controversy** A. D. A. Moses, 1996-01-01 The
 Gospel accounts of the transfiguration of Jesus continue to puzzle the average reader The purpose of this book is to address
 some of the perplexing issues surrounding the event and to explain the significance of the transfiguration particularly in
 Matthew's Gospel It demonstrates that Matthew's account of the event is to be seen in the context of first century
 controversy between Christians and Jews about Jesus and Moses with the Jews emphasizing Moses greatness and Matthew
 portraying the transfiguration within Moses Sinai categories and also in terms of the enigmatic Son of Man figure in Daniel 7
 Possible influence of the transfiguration event is also seen elsewhere particularly in 2 Corinthians 3 and 4 where the author
 argues Paul uses his Damascus road experience as a counter to his opponents emphasis on the law and Peter's witness to
 Jesus transfiguration *Wisdom in the Q-Tradition* Ronald Allen Piper, 2004-12-23 Studies collections of aphoristic sayings
 of Jesus known as the Q sayings tradition *The Last Things* Donald G. Bloesch, 2010-03-23 In *The Last Things* Donald G
 Bloesch takes up difficult and sometimes controversial themes such as the coming of the kingdom of God the return of Jesus
 Christ the life hereafter the millennial hope the final judgment hell heaven purgatory and paradise Wrestling with biblical
 texts that often take metaphorical form Bloesch avoids rationalistic reductionism as well as timid agnosticism While he
 acknowledges mystery and even paradox Bloesch finds biblical revelation much more than sufficient to illuminate the central
 truths of a Christian hope articulated throughout the history of the church *The Last Things* is not just a review of past
 Christian eschatology but a fresh articulation of the grace and glory of God yet to be consummated The triumph of the grace
 of Jesus Christ and the dawning of hope beckon us to reach out in the power of the Spirit to receive that blessed future and

the promise to renew the life of the church universal today Of Heroes and Villains D. Keith Campbell, 2013-08-05 Gripping stories whether modern or ancient always include heroes and villains The Synoptic Gospels chock full of villains religious leaders and others in pursuit of an emerging hero Jesus are no different Drawing first century Jews into their familiar past and beckoning modern readers to join in its appreciation these writers employ a literary tactic that intensifies this conflict they depict these characters as Old Testament heroes and villains To enter this fascinating intertextual character portrayal this book in building on eighty years of lament studies advances our understanding of the Synoptists's literary and rhetorical use of the Psalmic Lament in relation to other Old Testament motifs to characterize Jesus and his opponents Other contributions made along the way including insights into the Synoptists's literary appropriation of Isaiah's Servant are all geared toward helping us better understand how Matthew Mark and Luke characterize their hero and villains **Scripture and Truth** D. A. Carson, John D. Woodbridge, 1992-09-01 From a biblical historical or theological perspective each essay examines a challenge to belief in the integrity and reliability of Scripture What emerges from these essays is a full orbbed restatement of this evangelical doctrine *Discipleship in the Ancient World and Matthew's Gospel, Second Edition* Michael J. Wilkins, 2015-08-24 With a comprehensive sweep of the relevant literature including classical and Hellenistic sources the Septuagint and the New Testament the author defines disciple and related terms as they were used in the ancient world Pertinent Semitic words from the Hebrew Bible Rabbinic literature and Qumran documents provide additional background for the term A special emphasis is Matthew's use of mathetes and the role of Simon Peter as a model disciple The study first appeared in 1988 in the prestigious *Novum Testamentum Supplements* under the title *The Concept of Disciple in Matthew's Gospel As Reflected in the Use of the Term Mathetes* In this second edition the author includes a new chapter outlining advances in the field since the book was first published *The Scroll of the Gospel of David* Tony Robinson, 2008-06 In John 5:39 and 46 Yeshua Jesus emphatically stated that the Torah was written about Him Furthermore in Luke 24:27 and 44-47 He stated that the following truths were prophesied in the Torah the Prophets and the Psalms He would suffer die be buried in the grave resurrected and finally repentance and remission of sins would be preached in His name among the nations With Yeshua's statements in mind would you be able to find one such prophecy Unfortunately most who believe that Yeshua is the Messiah are hard pressed to point to any such prophecies Even so *The Scroll of the Gospel of David* will introduce you to an entire world of Messianic prophecy in the Old Testament and will help you understand how the death burial and resurrection of Yeshua in three days is the most prophesied event in the Old Testament Tony Robinson is a writer teacher worship leader and songwriter who has been involved in Messianic ministry for the past seven years He graduated from the University of Illinois with a B.S. in chemistry and from Kansas State University with a M.S. in analytical chemistry He is director of Restoration of Torah Ministries a non profit organization established to 1 teach the Hebraic roots of the faith 2 lead Messianic worship and 3 write Messianic songs that celebrate the Torah Furthermore he is author of the web page

Restored, Rescued, and Redeemed by Jesus Amir M. Dinkha,2021-09-02 Minor characters both male and female heavily populate the fourfold Gospel of Matthew Mark Luke and John They all come from different socioeconomic strata of society Some are distinguished by name while most remain anonymous Some are taciturn while others are loquacious A few are wealthy while the majority are poor This book examines seven pericopae of different minor characters who appear suddenly in different settings and circumstances interact with Jesus briefly and then vanish quickly leaving behind historical memories preserved by the Gospel evangelists as windows into Jesus identity and his multifaceted charismatic ministry of compassion and redemption within the context of first century Judaism **Mark's Gospel--Prior or Posterior?** David Neville,2002-08-01 The similarities and difference of arrangement and order of episodes in the gospels of Mark Matthew and Luke have always been one of the major criteria for resolving the Synoptic Problem How important and how reliable are arguments based on such considerations and where might they lead Here Neville reviews these issues in detail explaining the significance of his conclusions for understanding the literary relationships among the three Synoptics gospels and particularly for the competing theories of Markan priority the standard two source hypothesis and Markan posteriority the Griesbach hypothesis *Studies in the New Testament* John Duncan Martin Derrett,1982 [The Crucifixion](#) Fleming Rutledge,2017-02-09 Few treatments of the death of Jesus Christ have made a point of accounting for the gruesome degrading public manner of his death by crucifixion a mode of execution so loathsome that the ancient Romans never spoke of it in polite society Rutledge probes all the various themes and motifs used by the New Testament evangelists and apostolic writers to explain the meaning of the cross of Christ She shows how each of the biblical themes contributes to the whole with the Christus Victor motif and the concept of substitution sharing pride of place along with Irenaeus's recapitulation model *Ambition* Emma Ineson,2019-11-21 Be encouraged by Bishop Emma's advice and inspired by her wisdom and humour JUSTIN WELBY ARCHBISHOP OF CANTERBURY Counting things is very much on the table at the moment But what is the theology around notions of ambition and success Why do they sit so uncomfortably in a Christian context After all growth is

not the preserve of big business when viewed through the lens of the story of God and his people So we need to ask what is right about ambition for the Christian leader And what were Jesus views Inevitably because everything interesting is paradoxical success and failure are close bedfellows The single most successful event in the history of humankind the victory of love over sin and death looked very much like one man naked shamed and abandoned by most of his followers hanging on a cross If we keep a vision of the Kingdom of God at the centre of all we do we cannot go far wrong This lively and liberating book includes a brilliant take on Jesus teaching in The Beatitudes for Ambitious Leaders Here Emma Ineson describes key spiritual dispositions that will enable us whether in the church or living out our vocation elsewhere to do just that Studies in the New Testament, Volume 3: Midrash, Haggadah, and the Character of the Community J.D.M.
