EVANGELISM

DISCIPLESHIP Benjamin Cocar, 2014-12-27 After the apostle Paul had done some tent making in Corinth with Aquila and

Priscilla Luke tells us at Acts 18:5 when Silas and Timothy came down from Macedonia Paul began devoting himself completely to the word solemnly testifying to the Jews that Jesus was the Christ. We note Paul began devoting himself completely. Why more so than before? Verses 9 and 10 go on to say the Lord said to Paul in the night by a vision: Do not be afraid any longer but go on speaking and do not be silent for I am with you and no man will attack you in order to harm you for I have many people in this city. We too have similar reasons for devoting ourselves more completely to the Word of God. Yes unquestionably God has many people in all the cities throughout the world including our community. These ones need to be discovered and taught everything Jesus commanded. The wait for Jesus' second coming will not last forever so we need to be awakened to our responsibility of proclaiming biblical truths, teaching and making disciples of those who have a receptive heart.

Happiness Randy Alcorn, 2024-06. Christians are supposed to be happy. In fact, we are supposed to radiate joy, peace and contentment that is so unmistakable and so attractive that others are naturally drawn to us because they want what we have. And yet in today's culture, the vast majority of Christians are perceived as angry, judgmental people who don't seem to derive any joy from life whatsoever. So why aren't we happy? Unfortunately, many Christians are taught early on that God doesn't want us to be happy; he wants us to be holy. In fact, many Christians are laboring under the false notion that God himself is not happy. But nothing could be further from the truth. God does want us to be happy. The Bible is filled with verses that prove that ours is a happy, joy-filled God who not only loves celebrations but also desperately wants his children to be happy. Why else would He go to the lengths He did to ensure our eternal happiness in His presence? We know that we will experience unimaginable joy and happiness in Heaven, but that doesn't mean we can't

also experience joy and happiness here on earth In Happiness noted theologian Randy Alcorn dispels centuries of misconceptions about happiness and provides indisputable proof that God not only wants us to be happy He commands it The most definitive study on the subject of happiness to date this book is a paradigm shifting wake up call for the church and Christians everywhere
