Goodnight Billy:

Sprucey, the Blue Christmas Tree Donna Abear, 1997-09 **The Great Book of Good Night Stories** Thornton Burgess, 2023-11-19 In *The Great Book of Good Night Stories* Thornton Burgess presents an anthology of bedtime tales that encapsulate his signature blend of folkloric charm and moral instruction. Each story is imbued with gentle teachings about nature and the importance of kindness wrapped in Burgess's engaging prose that appeals to both children and adults alike. Drawing from his deep understanding of wildlife and his love for the natural world, Burgess weaves narratives that instill a sense of wonder and responsibility towards the environment, making this collection both delightful and educational. Thornton Burgess, an American naturalist and author, dedicated much of his life to advocating for wildlife conservation, reflecting his passion through his storytelling. Born in 1874, Burgess drew inspiration from his experiences in study and observation of nature, which profoundly influenced his writing. His ability to capture the essence of animal life and human virtues has endeared him to generations as he seamlessly marries education with entertainment. I highly recommend *The Great Book of Good Night Stories* to readers seeking a serene and enriching bedtime experience for children. Burgess's timeless tales not only lull young listeners to sleep but also impart valuable lessons that will resonate throughout their lives, making it a must-have for any family library.

The Tarnished Badge Paul Lederer, 2014-06-10 The men of a posse on the trail of an outlaw begin to turn on one another. What made Jake Worthy rob his hometown bank? Was it stupidity? Daring? Or did he simply not think the men of Quirt, Arizona, had the skill to catch him? Three days out of Quirt, the group sent after Worthy is coming apart at the seams. The richest man in town is complaining about the hardships of the trail. Alongside him are a couple of greenhorns, a few refugees from the saloon, and a redheaded man whose steely confidence the sheriff simply does not trust. By law, the chase must end at the county line, but Sheriff Fawcett fears the posse is beyond his control. To capture Worthy and retrieve the stolen gold, the men of Quirt will push themselves to the limit, even if it means turning outlaw themselves.
