*The Real Peter Sellers* Andrew Norman,2022-01-12 Throughout the world people regard Peter Sellers purely as a comedic genius surely one of the greatest ever to have lived But the astute observer will notice that he always appeared to be acting even when being interviewed So who was Peter Sellers Sellers once said I could never be myself you see There is no Me I do not exist There used to be me but I had it surgically removed Clearly this was not intended to be taken literally Instead the inference is that somehow he had lost his sense of identity To discover the real Peter Sellers is no easy task and when we do what we encounter is a totally different persona from the comedic characters that he portrayed on the screen Sellers had celebrity status a succession of beautiful wives immense wealth magnificent motor cars expensive yachts a house in Mayfair and various palatial residences But far from being happy he was plagued by self doubt ambitious but never satisfied And so he resorted to superstition clairvoyance and drugs to get himself through the day For all Sellers worldwide fame as Inspector Clouseau many regard the film *Being There* in which he played the character Chance a gardener as his masterpiece In fact the film was a damning indictment of the false god of materialism Sellers obsession with the character of Chance makes it seem likely that this was the kind of person he aspired to be and wished that he had been

Parkys People makes the perfect gift      The Life and Death of Peter Sellers Roger Lewis, 2025-07-17 A fascinating tragic and instructive story vividly told Sunday Telegraph Roger Lewis in his no holds barred biography exposes a Peter Sellers the world little knows Recognized as the greatest British comic since Charlie Chaplin Sellers was the grand master of fifty five films from Dr Strangelove to Being There and the Pink Panther hits But shadowing his phenomenal career was a history of increasingly bizarre behaviour involving psychotic violence compulsive promiscuity drug abuse and humiliating self destructive obsessions with people including Princess Margaret Sophia Loren Liza Minnelli and each of his four wives Ann Hayes Britt Ekland Miranda Quarry and Lynne Frederick He alternately showered his wives and children with gifts and then threatened to kill them Sellers fluidity as an actor made for a terrifying madness that grew like a slow metastasizing cancer throughout his adult life The Life and Death of Peter Sellers concludes with his premature death at the age of 54 sick at heart and alone in those sunless hotel rooms so recoiled from intimacy that no one really knew him anymore PRAISE FOR THE LIFE AND DEATH OF PETER SELLERS It is a mad book but then the subject is a madman I love Lewis s passion I recommend it Sunday Times Reinventing the genre as well as reassessing its subject with formidable intelligence this book is a remarkable achievement Literary Review      People on People Susan Ratcliffe, 2001 From Martin Amis on Jimmy Connors and Jane Austen on Henry VIII to Liz Hurley on Marilyn Monroe and Madonna on Eva Peron here are more than 4 000 quotations about both historical and contemporary figures from all over the world The speakers are as well known as the people they are talking about and come from a broad range of disciplines and professions including actors architects dancers historians mathematicians literary figures politicians academics sports personalities and scientists We read Margot Fonteyn s praise of Fred Astaire His technique is astounding yet everything is accomplished with the air of someone sauntering through the park on a spring morning Albert Einstein on Madame Curie Very intelligent but as cold as a herring El Greco on Michaelangelo He was a good man but did not know how to paint And Barbara Streisand in defense of Bill Clinton We elected a President not a Pope All the quotations about an individual are brought together in an entry headed by a brief description making it possible to compare what different people have said about one particular person A detailed author index gives a context line from each quotation biographical information on authors and an overview of their comments often revealing their personalities A colorful source of information on famous personalities past and present People on People is an entertaining read perfect for browsing      **The Spectator** , 1980      Sight and Sound , 1995      The Annual Register, Or, A View of the History and Politics of the Year ... , 1853 Continuation of the reference work that originated with Robert Dodsley written and published each year which records and analyzes the year s major events developments and trends in Great Britain and throughout the world After 1815 the usual form became a number of chapters on Great Britain paying particular attention to the proceedings of Parliament followed by chapters covering other countries in turn no longer limited to Europe The expansion of the History came at the expense of the sketches reviews and other essays so that the nineteenth century

publication ceased to have the miscellaneous character of its eighteenth century forebear although poems continued to be included until 1862 and a small number of official papers and other important texts continue to be reproduced     **The Feathered World** ,1906     **Waterstone's Guide to Books** Waterstone & Co,1989     **Annual Register** ,1853
