the endless void inside him His fate was sealed the moment the devil himself marked him guilty condemning him to carry a legacy of blood and damnation But when Luna crosses his path everything changes She is light where he is darkness hope where he is despair To him she is temptation salvation and the one soul he cannot allow himself to consume To her he is a storm she must face if she is to protect not only her own soul but his as well As desire ignites between them Luna must fight with every spark of her strength to withstand Griffin s fury while Griffin battles the infernal hunger threatening to strip away what little humanity he has left In a world where demons whisper vengeance rules and love is the most dangerous gamble of all redemption comes with a price and it may cost them everything

Creation and Emotion in the Old Testament David A. Bosworth,2023-10-10 Creation conjures emotion and thereby shapes how we think and act People fear snakes and enclosed spaces and delight in well watered landscapes Language about nature evokes these emotional meanings and their consequences We may construe nature as a mother to enhance love of creation and motivate care for our common home Mother nature becomes a caregiving source of life rather than an inert resource Alternatively we may focus on the dangers or uselessness of a swamp so that we may drain it and plant crops Creation and the ways we speak about it reflect and shape emotion and influence behavior Every reference to the natural world in biblical literature involves some emotional resonance Any animal might have intruded into the paradise of Eden but the biblical narrative gives this role to a snake The serpent elicits ominous foreboding because snakes evoke fear and fascination Isaiah amplifies the joy of Israel s restoration by depicting deserts transforming into fertile fields and creation itself rejoicing Biblical authors draw on human emotional responsiveness to creation to express and elicit emotions David A Bosworth analyzes how biblical texts use creation to conjure emotion He draws on the science of emotion including research on human emotional responsiveness to nature Ancient texts correlate with contemporary research on how human environments shape emotion and behavior The chapters unfold how specific emotions emerge from biblical references to aspects of creation

True Love Has No Expiration Date ABMeneses,2025-06-29 Who would have thought that a quiet young woman

dreaming only of a diploma would find herself in a world of luxurious mansions secret agreements and a man more elusive than summer rain Gabriela Navarro a rebellious daughter a defiant student would become the center of an unusual story of sacrifice freedom and surprise love It all began with a contract she didn't want a paper she signed with a heavy heart but accepted for the sake of her family A decision she never imagined making She thought that was the end of her dreams to become a skilled accountant to have a peaceful life free from worry and to live without the fear of debt But all that was shattered because Mr Gordon de Guzman a mysterious businessman whom you'd genuinely fear had other plans like your boss in a horror movie where you never know when he'll jump out She didn't dream of this She didn't ask for this either But one day fate simply led Gabbi to a familiar yet foreign world Gordon's mansion A world of deafening silence secrets seemingly hanging in every corner and questions that no one there wanted to answer Like a grand asylum of mystery A contract was put in place A promise was made Was there also a curse attached to it all In a mansion where time seemed to stand still where every minute felt like an hour under lights that offered no warmth began the story of a young woman and a man who never questioned what was right because they were both too busy doing what they thought was wrong Or was it right in the end We don't know But what we do know is that sometimes the most important stories begin with things we don't understand with decisions that seem wrong at first but lead to outcomes far beyond our expectations **You Can't Say**
