it focuses on three areas of particular importance 1 Craig s artistic ideas and the spread of his influence through exhibitions and books proposals are developed for work with Otto Brahm Eleonora Duse Max Reinhardt Henry van de Velde Eduard Verkade Leopold Jessner Dyaghilev Beerbohm Tree C B Cochran and others 2 Kessler s Cranach Press Hamlet with wood engraved illustrations by Craig this is a landmark in the history of twentieth century book design and printing whose genesis is now fully revealed in these letters and amplified with reproductions of eighteen trial page proofs 3 The relationship between an artist and his patron Exceptionally detailed indexes are an additional feature of this book Beyond the Mask Irène Eynat-Confino,1987 Eynat Confino goes beyond the usual consideration of Craig s purported theories of the actor scenery and the scene painter to get at the heart of Craig s idea of theater She draws not only on the research of contemporary Craig scholars but on material hitherto unavailable his writings and daybooks and the writings of friends She ties Craig s encounter with Isadora Duncan to a decisive modification in his notion of movement To have an instrument more controllable than the actor he invented the ber marionette a giant puppet Craig also invented the Scene a kinetic stage the screens that brought him worldwide fame were simply an adaptation of this concept Eynat Confino argues that a scenario Craig wrote in 1905 here published for the first time reveals a theosophical system like that of Blake a system that was the main force motivating Craig s artistic quest In her final chapter she carefully examines the psychological aesthetic and circumstantial factors that kept Craig from completing his work to bring friendliness humor love ease peace to the world

Reynier, 2016-10-04 Charting the period that extends from the 1860s to the 1940s this volume offers fresh perspectives on Aestheticism and Modernism By acknowledging that both movements had a passion for the new it goes beyond the alleged divide between Modernism and its predecessors Rather than reading the modernist credo Make it New as a desire to break away from the past the authors of this book suggest reading it as a continuation and a reappropriation of the spirit of the New that characterizes Aestheticism Basing their arguments on recent reassessments of Aestheticism and Modernism and their articulation contributors take up the challenge of interrogating the connections continuities and intersections between the two movements thus revealing the working processes of cultural and aesthetic change so as to reassess the value of the new for each Attending to well known writers such as Waugh Woolf Richardson Eliot Pound Ford Symons Wilde and Hopkins as well as to hitherto neglected figures such as Lucas Malet L S Gibbon Leonard Woolf or George Egerton they revise assumptions about Aestheticism and Modernism and their very definitions This collection brings together international scholars specializing in Aestheticism or Modernism who push their analyses beyond their strict period of expertise and take both movements into account through exciting approaches that borrow from aesthetics philosophy or economics The volume proposes a corrective to the traditional narratives of the history of Aestheticism and Modernism revitalizing definitions of these movements and revealing new directions in aestheticist and modernist studies     **The Shakespeare Association**

Michael Holroyd, 2010-03-02 PLEASE NOTE THIS EBOOK DOES NOT CONTAIN PHOTOS INCLUDED IN THE PRINT EDITION Deemed a prodigy among biographers by The New York Times Book Review Michael Holroyd transformed biography into an art Now he turns his keen observation humane insight and epic scope on an ensemble cast a remarkable dynasty that presided over the golden age of theater Ellen Terry was an ethereal beauty the child bride of a Pre Raphaelite painter who made her the face of the age George Bernard Shaw was so besotted by her gifts that he could not bear to meet her lest the spell she cast from the stage be broken Henry Irving was an ambitious harsh voiced merchant s clerk but once he painted his face and spoke the lines of Shakespeare his stammer fell away to reveal a magnetic presence He would become

one of the greatest actor managers in the history of the theater Together Terry and Irving created a powerhouse of the arts in London s Lyceum Theatre with Bram Stoker who would go on to write Dracula as manager Celebrities whose scandalous private lives commanded global attention they took America by storm in wildly popular national tours Their all consuming professional lives left little room for their brilliant but troubled children Henry s boys followed their father into the theater but could not escape the shadow of his fame Ellen s feminist daughter Edy founded an avant garde theater and a largely lesbian community at her mother s country home But it was Edy s son the revolutionary theatrical designer Edward Gordon Craig who possessed the most remarkable gifts and the most perplexing inability to realize them A now forgotten modernist visionary he collaborated with the Russian director Stanislavski on a production of Hamlet that forever changed the way theater was staged Maddeningly self absorbed he inherited his mother s potent charm and fathered thirteen children by eight women including a daughter with the dancer Isadora Duncan An epic story spanning a century of cultural change A Strange Eventful History finds space for the intimate moments of daily existence as well as the bewitching fantasies played out by its subjects Bursting with charismatic life it is an incisive portrait of two families who defied the strictures of their time It will be swiftly recognized as a classic Please note This ebook edition does not contain photos and illustrations that appeared in the print edition
