Gospel According To Spiritism:

The gospel according to spiritism Allan Kardec, 2022-02-17 The Gospel according to Spiritism is one of the five books that make up the Spiritist Codification a set of teachings transmitted by high order spirits and organized and commented upon by Allan Kardec This work contains the essence of the moral teaching of Jesus and therefore is a refuge where the followers of all religions and even those who have no religion may join hands because it offers a sure itinerary for our inner reform the objective indicated by Christ as indispensable for achieving our future happiness and inner peace that achievement which only the full observance of the divine laws can provide to the spirit on its gradual evolutionary path toward God

The Gospel according to Spiritualism (Translated) Allan Kardec, 2021-09-09 In this book Allan Kardec deals with a problem of great importance especially taking into account the past and present relations between the Church and Spiritism The Gospel according to Spiritism contains the explanation of the moral maxims of Christ their concordance with Spiritism and their application to different cases of life All the communications have been made by very high spirits and texts due to different authors agree and integrate each other in an admirable way It is the true interpretation of the life of Christ his miracles acts and parables with an explanation and commentary of high spiritual entities in a presentation that corrects errors and false interpretations to offer only and above all the truth The name of Allan Kardec is famous in the world as the first codifier and therefore practically as the founder of the spiritualist doctrine or rather as he wanted to define it of the spiritualist philosophy It was his merit to have collected and coordinated in several volumes of great interest all the theories and principles enunciated through various mediums in numerous spiritist communications At that time spiritualism was in its infancy and Kardec's works shed light on this new world that was opening up to man on Earth After The Book of Spirits and The Book of Mediums which are the foundations of spiritualism appeared The Gospel according to Spiritism Famous and spread all over the world it will fully satisfy the demands and expectations of the numerous devotees and enthusiasts Since it was written the work has lost nothing of its topicality and validity proving that the truth is always the same and its inspiring principles never change

The Gospel According to Spiritism (New English Edition) , 2019-06-08 New English translation of L'Evangile selon le Spiritisme the most widely read work of the Spiritist Doctrine written by Allan Kardec and first published in 1866 in Paris

The Gospel According to Spiritism Kardec Kardec, 2020-08-24 The subjects contained in the Gospels can be divided into five parts The ordinary acts of the life of Christ the miracles the prophecies the words that served to establish the dogmas of the church and moral teaching If the first four have been the subject of controversy the last one has remained unassailable Before this divine code the same incredulity bows it is the ground where all cults can be found and the banner under which all can shelter whatever their beliefs because it has never been the subject of religious disputes always and everywhere raised by questions of dogma For the rest if the sects had discussed it they would have found in that teaching

their own condemnation because the majority have taken into consideration the mystical part more than the moral part which demands self reform For men in particular it is a rule of conduct that embraces all circumstances of public or private life the principle of all social relations founded on the most rigorous justice in short and above all it is the infallible path of true happiness the part that lifts the veil that covers the future life This part is the exclusive object of this work Why buy this book Because the knowledge that is revealed in this author s books a series that we sell through Amazon in different languages and formats will take the reader on a deep journey through a deeper understanding of the wisdoms that govern our universe A book that every lover of life its forms and spiritual religious and self knowledge knowledge cannot stop reading

solutions to psychological moral and philosophical problems according to the Spiritist Doctrine In addition the book is prefaced with an abridged version of Henri Sausse s biography of Allan Kardec *A Practical Commentary on the Gospel According to St. Matthew* James Morison,1902 On the Margins of Religion Frances Pine,João de Pina-Cabral,2008-03-01 Focusing on places objects bodies narratives and ritual spaces where religion may be found or inscribed the authors reveal the role of religion in contesting rights to places to knowledge and to property as well as access to resources Through analyses of specific historical processes in terms of responses to socio economic and political change the chapters consider implicitly or explicitly the problematic relation between science including social sciences and anthropology in particular and religion and how this connects to the new religious globalisation of the twenty first century Their ethnographies highlight the embodiment of religion and its location in landscapes built spaces and religious sites which may be contested physically or ideologically or encased in memory and often in silence Taken together they show the importance of religion as a resource to the believers a source of solace spiritual comfort and self willed submission Creole Religions of the Caribbean, Third Edition Margarite Fernández Olmos,Lizabeth Paravisini-Gebert,2022-08-23 An updated introduction to the religions developed in the Caribbean region Creole Religions of the Caribbean offers a comprehensive introduction to the overlapping religions that have developed as a result of the creolization process Caribbean peoples drew on the variants of Christianity brought by European colonizers as well as on African religious and healing traditions and the remnants of Amerindian practices to fashion new systems of belief From Vodou Santería Regla de Palo the Abakuá Secret Society and Obeah to Quimbois and Espiritismo the volume traces the historical cultural origins of the major Creole religions as well as the newer traditions such as Rastafari This third edition updates the scholarship by featuring new critical approaches that have been brought to bear on the study of religion such as queer studies environmental studies and diasporic studies The third edition also expands the regional considerations of the diaspora to the US Latinx communities that are influenced by Creole spiritual practices taking into account the increased significance of material culture art music literature and healing practices influenced by Creole religions **The Big Book of Reincarnation** Roy Stemman,2012-05-01 IS DEATH THE FINAL CHAPTER In The Big Book of Reincarnation Roy Stemman attempts to answer one of the big questions of existence Is death the end Or is it merely the end of a chapter in the book of existence A self described skeptical believer Stemman uses his skills as a professional journalist to perform an in depth exploration of reincarnation Using case studies anecdotes and physical evidence from the best documented cases from around the world Stemman shines a bright light on this subject inviting readers to decide for themselves on the basis of facts rather than on the basis of hearsay speculation and superstition Stemman finds fascinating examples of evidence of reincarnation in the nightmares of a Louisiana bayou boy the past life recall of a renowned neurosurgeon the research of a highly respected university professor and the unique system of governance in the mountains of Tibet to name just a few He examines the lives of those affected by reincarnation such as

children who can actually remember their previous lives Instead of shying away from the skeptics Stemman evaluates their leading theories and compares them to the findings that he has accumulated throughout his global research The Big Book of Reincarnation is thorough well researched engaging and the most comprehensive book ever published on this fascinating subject
