Nurturing Children's Spirituality Holly Allen, 2008-03-01 Children's spiritual development is currently a hot topic in Christian circles as well as in other fields and disciplines such as educational psychology, medicine, developmental psychology, education, and sociology. The key question for Christian scholars and educators is: How do Christian beliefs and practices uniquely interrelate with children's spirituality? In 2003 and again in 2006 a national conference entitled Children's Spirituality Conference: Christian Perspectives examined children's spirituality from a distinctly Christian standpoint. This book is a collection of the best materials from the 2006 conference. The first half of the book addresses definitional, historical, and theological concerns related to spiritual development in children. The second half explores best practices for fostering spiritual growth among our children in our homes, families, churches, Christian schools, and among special populations of children from a wide spectrum of Christian scholars and practitioners. The volume closes with John Westerhoff's moving keynote address and Catherine Stonehouse and Scottie May's eloquent culminating plenary address. Nurturing Children's Spirituality provides a rich cross-section of the current research and writing by Christian scholars on children's spirituality. Contributors: Holly Catterton, Allen Michael, J. Bible Study Meetings: Techniques and approaches for making any Bible lesson topical or scriptural, appealing to unchurched teenagers as well as to preachers' kids. Theme Lessons: Build an entire lesson on a specific theme. Try Feet Meeting (page 118), foot games followed by a lesson on the symbolic importance of washing each other's feet. You aren't into feet? Okay, what about the hands of Jesus? Or the light versus darkness? They're all here. Bible Games: These won't speed your kids into seminary, but they certainly go a long way toward making the Bible interesting to your students and fun, too. Worship Services: Some are informal, others have a liturgical feel, and all are innovative. Here are the ideas for communion, confession, music, prayer, and Scripture reading. And More: Full lessons; all the components are here, from opening mixers to closing prayers, board games with reproducible game boards, and ideas for using guest speakers and special projects. Whether you're a youth worker or a recreation director at a church, school, club, or camp, Creative Meetings, Bible Lessons, and Worship Ideas is your storehouse of proven youth group-tested ideas.
