A Guide to the Gospels William Graham Scroggie,1948 Acknowledged by many as a classic work of biblical scholarship A Guide to the Gospels by Dr W Graham Scroggie provides a book by book treatment of the foundational New Testament books Every element of the four Gospels is covered under the three divisions of this study The Gospels viewed synthetically The Gospels viewed analytically The Gospels viewed Christologically Filled with a wealth of charts maps and lists A Guide to the Gospels provides a ready source of information analysis and source material for the pastor teacher or Bible student Scroggie s insightful treatment of the English text furnishes the comprehensive scholarship necessary for a thorough grasp of each book of the Gospels Back cover **The Gospel in Brief - Tolstoy's Life of Christ (Aziloth Books)** Leo Tolstoy,Aylmer Maude,2016-07-14 Leo Tolstoy is famous the world over for his epic novels of Russian history and society But during the last 30 years of his life Tolstoy devoted himself to spiritual matters in an attempt to return Christianity to the fundamental teachings of Christ shorn of both biblical additions and interpolations and the obfuscating hand of Church dogma The Gospel in Brief is the culmination of this long endeavour a composite account taken only from the Four Gospels Working with the oldest original Greek versions Tolstoy set aside all accounts of miracles genealogies and prophecies seeking the core philosophy of Jesus of Nazareth and a solution in the words of Christ himself to the problem of life The result is a compelling account of a teacher whose basic message was the Unity of all existence God is the giver of life and within all things For Tolstoy acknowledgement of this central fact that the Kingdom of God is Within You immanent in all existence bestows liberation from the illusions of time and selfhood and makes easy Christ s admonition to love God and your neighbour as yourself The Aziloth edition is fully annotated allowing each section of Tolstoy s compilation to be related directly to the relevant Gospel passage A book that will uplift and give new direction to both Christian and agnostic alike
