Stewards of the Gospel

Ronald E. Vallet, 2011-07-22 The word stewardship comes across as stale and mildly distasteful to many in the church today as a term limited in its scope to euphemistic conversations about financial giving Yet as Ronald Vallet points out when the apostle Paul refers to stewards of the mysteries of God 1 Cor 4 1 he is talking about something much deeper and richer than fund raising In Stewards of the Gospel Vallet recovers a more adequate understanding of Christian stewardship in light of both the New Testament and the realities facing today's church as it deals with challenges to justice to the environment and even to faith itself He then applies his reinvigorated concept of stewardship in practical ways to congregations to their pastors and leaders and to the seminaries and denominational structures that mold and support those leaders Enhancing Vallet's broad gospel oriented vision of stewardship are thoughtful responses from six seasoned theological educators Daniel Aleshire David L Bartlett Bruce C Birch Terry Parsons Eugene F Roop and L E Ted Sivers

The First and the Last George R. Sumner, 2004 As Christians become more engaged with the reality of religious pluralism many find themselves torn between two worthy goals to be faithful to the lordship of Jesus Christ and to be open generously to possible truths found in other religions In The First and the Last George Sumner offers a constructive way forward showing how Christian theology can bring these two goals together At stake in the current debate over religious pluralism is the issue not only of evangelism and mission but also of the Christian claim to the uniqueness of Jesus Christ Sumner leads readers through the challenges and possibilities raised by this debate and he outlines a distinctive new method for assessing from a Christian standpoint the claims and practices of neighboring faiths The crux of Sumner's approach is what he calls final primacy a position that 1 sets non Christian religions in relation to the unique mediating role of Jesus Christ and 2 relates the truth claims of other religions to the overall scheme

of grace Sumner goes on to demonstrate the effectiveness of this position in practical terms using final primacy as a frame of reference for a number of twentieth century theologies namely those of Barth Rahner and Pannenberg and as a way of examining both Indian and African theologies against their respective backgrounds of Hinduism and tribal practices Additionally the book serves as an excellent introduction to the history of interfaith thought Sumner both surveys how religious pluralism has been handled in the past and illustrates how the position of final primacy at once redefines and promotes its most pressing issue interreligious dialogue A provocative approach to religious pluralism sure to stir widespread discussion The First and the Last provides valuable reading for anyone interested in theology interfaith dialogue and missions

Gospel Women and the Long Ending of Mark Kara Lyons-Pardue, 2020-01-23 Kara Lyons Pardue examines the issue of the ending of the gospel of Mark showing how the later additions to the text function as early receptions of the original gospel tradition providing an ancient fix to the problem of the ending in which the women flee the tomb in terror and silence Lyons Pardue suggests that the long ending functions canonically smoothing out the problem of 16:8 in ways that support the nascent four gospel canon Lyons Pardue argues that the long ending represents an ancient reception of the preceding gospel that continues to the unique portrait of discipleship that is characteristically Markan Mary Magdalene forms the renewed paradigm of an unlikely person or outsider here a woman being the one to go and tell the good news This pattern is then projected onto all disciples who are called to proclaim the news to the entire created order 16:15 The Expositor, 1914
