Straight Talk: Biblical Christianity V. Religion Roy Standifer, 2013-06-12 A look at the Creator's answers regarding who we are our origin and what life is all about God has revealed Himself extensively and His revelations are straightforward but we have distorted and clouded them with religion He has paid the full price Himself for our violations of His holiness so our failure to respond in faith constitutes rejection and has the consequence of eternal separation from Him The main reason you haven't responded is that you haven't taken the time to look you have simply been going along with the crowd Shouldn't you at least take the time to look and see where that crowd is taking you After looking reject as you wish just don't reject without looking that's foolish *The Christian Advocate*, 1907 The Holy Bible Thomas Scott, 1832
