Gospel According To Angels:

The Gospel According to Angels Robert W. Graves,1998 Angels have told us everything we need to know about what God considers important

The Gospel According to Dan Brown Jeff Dunn,Craig Bubeck,2006 Using their knowledge of how stories work Dunn and Bubeck compare the gospel stories of the Bible to Brown s myths They show that the two worldviews are worlds apart Inside jacket cover

The Gospel according to John D. A. Carson,1990-12-20 In this solid evangelical commentary on John s Gospel a respected Scripture expositor makes clear the flow of the text engages a small but representative part of the massive secondary literature on John shows how the Fourth Gospel contributes to biblical and systematic theology and offers a consistent exposition of John as an evangelistic Gospel The comprehensive introduction treats such matters as the authenticity authorship purpose and structure of the Gospel

The Gospel According to Peter Walter Richard Cassels,1894 Walter Richard Cassels superb explanation of the Gospel of Peter remains one of the best evaluations yet committed to paper This edition includes Cassel s original notes The original manuscript was discovered in Egypt in the late 19th century by French archaeologist Urbain Bouriant in a monk s grave which showed signs of a dignified burial The unearthing of a new document dating to the time of the New Testament caused a sensation among theologians who eagerly awaited its initial publication in 1892 Two years after The Gospel of Peter first appeared W R Cassels published this translation with a close reading and analysis The controversial elements among them Pontius Pilate being exonerated of condemning Jesus to death are discussed along with the unusually detailed descriptions of Jesus crucifixion and resurrection Cassels also makes comparative analyses of this document with the canonical gospels of Matthew Mark Luke and John In the modern day the Gospel of Peter is considered by scholars to apocryphal the name it bears is likely not the true composer However given that it is referenced by the historian Eusebius it is likely that the paper dates to around the mid to late 2nd century The work s origins and its exact relation to the other Gospels of the New Testament remain a mystery and a source of fascination for Biblical scholars

Angels Charlotte Montague,2011 Over 50 per cent of Americans and over one third of British people believe that we all have a guardian angel that protects us throughout our lives More people believe in these divine bodyguards than in global warming It is truly astonishing how many spiritually aware people have seen or sensed an angel s presence at a time of contemplation or hardship Angels have been protecting us for centuries This book explores the cultural origins of the heavenly messengers that guide and heal every one of us and reveals compelling real life encounters with angels The result is a fascinating insight

into the world of angels and their everyday presence among us Contents Angels through the ages angels in Christianity Judaism Islam and Kabbalism Angel links with black magic occultism and ancient astrology Paganism Angel healers what your angel can do for you Angel encounters real life stories from people around the world **The Gospel according to Luke** J. J. Van Oosterzee, 2007-05-01 Presented here in paperback for the first time is John Peter Lange's Theologisch-homiletisches Bibelwerk Intended to help preachers prepare sermons the commentary series is essentially biblical and evangelical catholic This 19th century commentary has served as a standard reference for more than a century Many early reviewers regarded Schaff's edition with his additional material as superior to the original It has proven to be a complete and useful Commentary and continues to prove especially valuable to ministers It contains critical annotations of the text and its translation and a threefold commentary exegetical doctrinal and homiletical Under these three heads the text is viewed from every aspect *The Gospel according to st. Dictionary of Angels Gustav Davidson, 1994-10 An investigation of the evidence in Talmudic gnostic apocalyptic partristic and legendary texts concerning immortal winged beings **The Gospel according to Mark** James R. Edwards, 2001-11-08 This new Pillar volume offers exceptional commentary on Mark that clearly shows the second Gospel though it was a product of the earliest Christian community to be both relevant and sorely needed in today's church Written by a biblical scholar who has devoted thirty years to the study of the second Gospel this commentary aims primarily to interpret the Gosepl of Mark according to its theological intentions and purposes especially as they relate to the life and ministry of Jesus and the call to faith and discipleship Unique features of James Edwards's approach include clear descriptions of key terms used by Mark and revealing discussion of the Gospel's literary features including Mark's use of the sandwich technique and of imagistic motifs and irony Edwards also proposes a new paradigm for interpreting the difficult Little Apocalypse of chapter 13 and he argues for a new understanding of Mark's controversial ending [The Gospel According to St. Mark](#) C. H. Turner, 2023-05-15 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book *Behold, the Angels Came and Served Him'* Kristian A. Bendoraitis, 2015-11-19 Angels have been analyzed in Christological research due to their primary function as messengers and mediators between heaven and earth Their role in the Gospel narratives however has been largely unexplored Utilizing the Old Testament and sources from the Second Temple period to illustrate the variety of angel traditions Bendoraitis identifies how these traditions are reflected in Matthew's Gospel and interprets the passages in which angels appear or are represented resulting in a detailed exegesis of those

passages which specifically mention angels Each reference is critically analyzed in view of its role in the Gospel s narrative and in light of Matthew s redactional hand In addition each chapter is accompanied by a discussion of relevant traditions of angels in order to illustrate how Matthew s use of angels has facilitated his Gospel s message The examination concludes by postulating three factors in the inclusion of angel traditions in Matthew s narrative pertaining both to Matthew s Christology and worldview

Dictionary of Jesus and the Gospels (2nd edn) J B GREEN,J BROWN,N PERRIN,2020-05-21 The Dictionary of Jesus and the Gospels is unique among reference books on the Bible the first volume of its kind since James Hastings published his Dictionary of Christ and the Gospels in 1909 In the more than eight decades since Hastings our understanding of Jesus the Evangelists and their world has grown remarkably New interpretive methods illumined the text the ever changing profile of modern culture has put new questions to the Gospels and our understanding of the Judaism of Jesus s day has advanced in ways that could not have been predicted in Hastings s day But for many readers of the Gospels the new outlook on the Gospels remains hidden within technical journals and academic monographs The Dictionary of Jesus and the Gospels bridges the gap between scholars and those pastors teachers students and lay people desiring in depth treatment of select topics in an accessible and summary format The topics range from cross sectional themes such as faith law Sabbath to methods of interpretation such as form criticism redaction criticism sociological approaches from key events such as the birth temptation and death of Jesus to each of the four Gospels as a whole Some articles such as the Dead Sea Scrolls rabbinic traditions and revolutionary movements at the time of Jesus provide significant background information to the Gospels Others reflect recent and less familiar issues in Jesus and Gospel studies such as divine man ancient rhetoric and the chreiai Contemporary concerns of general interest are discusses in articles covering such topics as healing the demonic

and the historical reliability of the Gospels And for those entrusted with communicating the message of the Gospels there is an extensive article on preaching from the Gospels The Dictionary of Jesus and the Gospels presents the fruit of evangelical New Testament scholarship at the end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialog with contemporary scholarship and challenges facing the church
