Heath, 2011-01-01 The Twilight saga has become one of the most successful fiction series ever written with more than one hundred million copies in print and several blockbuster films Despite the tremendous commercial success Twilight has generated few readers have analyzed its theological teachings or the messages Stephenie Meyer might be sending to women and teenage girls This book offers both a feminist critique of Twilight and a theological review of the stories ideas about salvation heaven and hell power reconciliation resurrection and organized religion Elaine Heath writes in an accessible voice calling attention to both the good news of Twilight s theology and the bad news of its gender stereotypes and depictions of violence against women The book includes questions for youth and adult groups or for classroom discussions , The Friend, ed. by R. the first time is John Peter Lange's Theologisch-homiletisches Bibelwerk. Intended to help preachers prepare sermons, the commentary series is essentially biblical and evangelical catholic. This 19th century commentary has served as a standard reference for more than a century. Many early reviewers regarded Schaff's edition with his additional material as superior to the original. It has proven to be a complete and useful Commentary and continues to prove especially valuable to ministers. It contains critical annotations of the text and its translation and a threefold commentary: exegetical, doctrinal, and homiletical. Under these three heads, the text is viewed from every aspect.

*Times and Seasons*, 1845      **The Times and Seasons**, 1845      Letters on the Evidences, Doctrines, and Duties of the Christian Religion, Olinthus Gregory, 1857      *Letters on the Evidences, Doctrines, and Duties of the Christian Religion, Addressed to a Friend*, Olinthus Gregory, 1846      *The Gospel According to Mark*, G. Campbell Morgan, 2010-04-01

Mark was probably the first Gospel to be written and traditionally has been associated with Peter, who opened the door of faith to the Romans as the human source. Service is its keynote and speed its characteristics. There is a charm about it which is distinctively its own, much of which is created by the bluntness and brevity of the writing of a man evidently untrained in literary methods but also by its fast-moving chronological continuity. There is a freshness and vigor about it which immediately grips and binds. In reading it, we are able swiftly but with keen and alert interest to move with Jesus of Nazareth through the wonderful crowded years of His public ministry. Dr. Morgan prepared these expositions in the very spirit of the Gospel while preaching frequently and moving rapidly but with captured heart. Their supreme purpose is to help hurrying men and women in these rushing days to go in the company of Jesus of Him who ever moved with haste but always with poise and peace along the tortuous and at times terrifying highway of life.

**The Actual Jesus**, Tina Pippin, 2025-07-29. This book moves away from the traditional historical and theological studies of Jesus to incorporate a variety of theoretical and material approaches across centuries and diverse global cultures. Through fiction and film, the connections are made with contemporary issues such as borders, asylum seekers, farmworker activism, colonialism, violence, misogyny, civil war, and nuclear proliferation, with a focus on the appearances of the actual Jesus in these worlds. The Jesus in this study is explored in particular connections with the stories of baptism, wilderness experience, ascension, and apocalypse. What is found is often confusing, challenging, surprising, and disturbing, like the Jesus of the gospels.
