Gospel According To Matthew The:

The Gospel of Matthew John Nolland, 2005-11-01 Having devoted the past ten years of his life to research for this major new work John Nolland gives us a commentary on the Gospel of Matthew that engages with a notable range of Matthean scholarship and offers fresh interpretations of the dominant Gospel in the history of the church Without neglecting the Gospel s sources or historical background Nolland places his central focus on the content and method of Matthew s story His work explores Matthew's narrative technique and the inner logic of the unfolding text giving full weight to the Jewish character of the book and its differences from Mark's presentation of parallel material While finding it unlikely that the apostle Matthew himself composed the book Nolland does argue that Matthew's Gospel reflects the historical ministry of Jesus with considerable accuracy and he brings to the table new evidence for an early date of composition Including accurate translations based on the latest Greek text detailed verse by verse comments thorough bibliographies for each section and an array of insightful critical approaches Nolland's Gospel of Matthew will stimulate students preachers and scholars seeking to understand more fully Matthew's presentation of the gospel narrative The Gospel According to Matthew R. T. France, 1985 RT France's study of Matthew's Gospel is a contribution to the Tyndale New Testament Commentaries a popular commentary designed to help the general Bible reader understand clearly what the text actually says and what it means without undue recourse to scholarly technicalities The Gospel of Matthew Rudolf Schnackenburg, 2002 From ancient times the Gospel of Matthew has been regarded as the church Gospel its aims are preeminently catechetical pastoral and missionary But recent research raises many questions regarding Matthew's creation theological intentions and shapingfor the circle of its first recipients This highly original commentary by Rudolf Schnackenburgfollows Matthew chapter by chapter and verse by verse carefully explaining and interpreting the text against both its primitive and current horizons Schnackenburg sees Matthew's purpose as simplythe proclamation of Christian salvation His commentary gives extra attention to the great discourses of Jesus found in Matthew such as the Sermon on the Mount showing how Jesus wordsand works have special currency for the self understanding of thechurch and for the task of Christian living today Written by a master exegete with a pastor s sensitivity this commentary will fast become a classic study of Matthew s Gospel Gospel According to Matthew, Part One Barbara E. Reid, 2019-04-01 Standing at the start of the New Testament the Gospel of Matthew provides a bridge from the Jewish world awaiting a Messiah to the emerging Christian world of Jesus and his followers This Gospel introduces us to Jesus as the Master Teacher whose words of instruction are captured in large teaching sections Part One covers Matthew 1 1 16 28 from the birth of Jesus through much of his public teaching life to the first prediction of his passion Commentary study and reflection questions prayer and access to recorded lectures are included 5 lessons The Gospel of Matthew Donald Senior, 2011-12-01 Biblical texts create worlds of meaning and invite readers to enter them When readers enter such textual worlds which are often strange and complex they are confronted with

theological claims With this in mind the purpose of the Interpreting Biblical Texts series is to help dedicated students in their experience of reading and interpreting by providing guides for their journeys into textual worlds. The controlling perspective is expressed in the operative word of the title interpreting. The primary focus of the series is not so much on the world behind the texts or out of which the texts have arisen as on the worlds created by the texts in their engagement with readers In this volume Donald Senior provides an up to date introduction to the Gospel of Matthew The seven chapters of Part One focus on modern biblical scholarship and the interpretation of Matthew discussing the sources and structure of the Gospel its use of the Old Testament its understanding of Jewish Law its setting as a part of the mission of Christianity to the Gentiles its Christology its understanding of the nature of discipleship and the community from which the Gospel originated The six chapters of Part Two provide a structured guide to reading and interpreting Matthew's Gospel The Gospel according to Matthew Leon Morris, 1992-07-29 In the Christian Church the Gospel of Matthew has been considered the most important portrait of Jesus life and message Containing Jesus Sermon on the Mount and a uniquely rich collection of parables among many other things Matthew has made a major contribution to the church throughout the centuries and it still has much to say to the church today This superb commentary in the Pillar series explores the meaning and relevance of Matthew in an eminently straightforward fashion Leon Morris writes for readers who use commentaries to discover further what the Bible means Throughout he makes clear what he considers to be the meaning of the Greek text that Matthew has bequeathed to the church A perceptive introduction precedes Morris s warmhearted verse by verse exposition of Matthew an exposition based on his own literal translation of the text Now a standard reference work on the Gospel of Matthew this mature evangelically oriented commentary will continue to meet the needs of students pastor and general readers alike Commentary: the Gospel According to Matthew Dr. John Thomas Wylie, 2018-03-06 Matthew ends the silence of four hundred years between Malachis prediction and the declaration of the introduction of Jesus Israel was under the mastery of the Roman Empire No man of the place of David had been permitted to sit on the position of royalty for a long time Presently the quiet is broken and the coming Messiah pronounced The book of Matthew trails the Old Testament and is start of the New It is the interfacing joined between the books It is composed for the Jews and it is fittingly set It underestimates that the course of occasions is known to its perusers The Old Testament had shut with the picked country searching for their long guaranteed king their messiah Matthews gospel demonstrates that Jesus was that King that Messiah It is the gospel of satisfaction Matthew exhibits the Lord Jesus in an unmistakably Jewish relationship Just in this one of the four gospels do we discover a record of the Messiahs assertion I am not sent but rather unto the lost sheep of the place of Israel Matt 15 24 What did His own kin do with Him See John 1 11 In numerical position the book of Matthew is the fortieth in the ordinance Thirty nine books in the Old Testament then Matthew Forty is dependably various testing or probation in scripture Jesus was enticed of the villain for forty days Israel was in the wild for forty years David was the best for forty years Moses was in a

royal residence for forty years then on the rear of a leave for a long time In this fortieth book of the Bible Israel is in the place of probation and testing by the nearness of the Messiah in their middle Jesus Christ is displayed as King to the Jews and they dismiss Him as their Messiah as well as their Savior Matt 16 21 The Gospel of Matthew Arno Clemens Gaebelein, 1907 The Gospel of Matthew Carol Walker, 2016-02-15 The Gospel of Matthew is the first book in the New Testament It truly is a teaching Gospel It serves as an important resource for learning about the life and teachings of Jesus Christ The Apostles needed this teaching so that they could effectively form the foundation upon which the future Christian church would be built They needed this teaching to obey the commandment which Jesus gave them Go therefore and make disciples of all nations baptizing them in the name of the Father and of the Son and of the Holy Spirit and teaching them to obey everything that I have commanded you Matt 28 19 20 Using an easy to understand format The Gospel of Matthew offers an in depth study that reveals why Christ's presence forever changed the world Author Carol Walker explores the true nature of Jesus his mission on Earth and his ministry From his birth to his death and resurrection Walker recounts Jesus life and in so doing reveals how Jesus fulfilled Old Testament prophecy Walker presents thirty four lessons that cover the twenty eight chapters of Matthew Each chapter is summarized to provide historical and cultural background information and a question and answer section presents an opportunity for further discussion Lessons include the important work of the Holy Spirit the ministry of John the Baptist the Sermon on the Mount Jesus interpretation of the Ten Commandments and much more The Gospel of Matthew presents a comprehensive study for individuals or groups If you re seeking to expand your knowledge of Jesus life and teachings and want to deepen your faith let this be your guide **Opening the Scriptures Bringing the** Gospel of Matthew to Life George Martin, 2014-08-20 Ask and it will be given to you seek and you will find knock and the door will be opened to you Matthew 7.7 Asking seeking and knocking are three imperatives Jesus gave his disciples and us in order to grow fully in our Faith and be true disciples of Jesus Scripture reading and study is an important part of that path to discipleship and offers us opportunities to ask for clarity to seek the truths of the Bible to knock asking Christ to come into our hearts George Martin prolific writer on Scripture and author of Bringing the Gospel of Luke to Life and Bringing the Gospel of Mark to Life now brings Matthew's Gospel into sharp focus in a verse by verse commentary Martin gives readers the context of the first century meaning and what it means to us today Reflection questions help us to apply the biblical texts to our own lives This book is perfect for anyone who wants to learn more about the Gospel of Matthew as well as priests deacons catechetical leaders Bible study leaders Scripture teachers or seminarians Let George Martin bring the Gospel of Matthew to Life for you today The Gospel of Matthew William Barclay, 1968 A Handbook on the Gospel of Matthew Barclay Moon Newman, Philip C. Stine, 1992 This handbook like others in this series concentrates on exegetical matters that are of prime importance for translators and it attempts to indicate possible solutions for translational problems that may arise because of language or culture In this respect the Handbook attempts to deal with the full range of

information important to translators However the authors do not attempt to provide help that other theologians and scholars may be seeking but which is not directly useful for the task of translating It is assumed that such information is available The Gospel According to St, Matthew elsewhere The Gospel According to St. Matthew Alan Hugh McNeile, 1915 Randolph Vincent Greenwood Tasker, 1961 Matthew: The Gospel of Identity Michael Card, 2013-05-03 In this third volume of the Biblical Imagination Series Michael Card leads us to see the unique purpose of Matthew's Gospel both in the lives of the early Christians and for us today Using the language of fulfillment Matthew calls his readers to see their former identity Matthew Matthew L.
