A dark, semi-transparent rectangular box is overlaid on the upper half of the image, serving as a backdrop for the title and author information. The title is written in a large, white, serif font, and the author's name is in a smaller, white, serif font below it, separated by a thin horizontal line. At the bottom of the dark box, the phrase 'According to Philostratos' is written in a smaller, white, serif font.

*Rhetoric and Reference in the Fourth Gospel* Margaret Davies,1992-10-01 This innovative study attempts a comprehensive reading of the Fourth Gospel so as to make sense of its theology anthropology and history The most valuable insights of structuralism and reader response criticism have been taken up without ignoring what those methods ignore namely questions intrinsically related to the Fourth Gospel itself Moreover a just appreciation of the text requires the reader to recognize that particular historical situations affect the nature of any narrative     **The Gospels and the Gospel** George Robert Stow Mead,1902     **Jesus as Teacher in the Gospel of Mark** Evan Hershman,2020-04-16 Evan Hershman seeks to

examine Mark s portrayal of Jesus as teacher in comparison with portrayals of teachers in contemporary Greco Roman literature and argues that the teaching motif in Mark is used in highly distinctive ways He argues that careful study reveals Mark s use of the trope does not aim to expound a fully fleshed out ethical agenda but rather to emphasize Jesus s unique authority incorporate conflicts with other claimants to authority into the Gospel narrative and persuade the gospel audience to accept his Christological vision and its demands on their lives Hershman develops these three related themes behind the motif of moral instruction and offers suggestions for how this portrayal of Jesus fits with the historical and social context in which the Gospel was written By analyzing not only teaching and authority throughout Mark but also numerous Greek and Greco Roman texts concerning teachers and learning Hershman creates a new reading of significant Markan passages such as the parables discourse and the temple incident in light of a focus on the importance of Jesus s teachings to the plot of the Gospel     **The Gospel of the Lord** Michael F. Bird,2014-08-22 In this book through a distinctive evangelical and critical

approach Michael Bird explores the historical development of the four canonical Gospels He shows how the memories and faith of the earliest believers formed the Gospel accounts of Jesus that got written and in turn how these accounts further shaped the early church Bird s study clarifies the often confusing debates over the origins of the canonical Gospels Bird navigates recent concerns and research as he builds an informed case for how the early Christ followers wrote and spread the story of Jesus the story by which they believed they were called to live The Gospel of the Lord is ideal for students or anyone who wants to know the story behind the four Gospels Watch an interview with Michael Bird from our Eerdmans Author Interview Series     **The Gospel According to Mark** James R. Edwards,2002 This new Pillar volume offers

exceptional commentary on Mark that clearly shows the second Gospel though it was a product of the earliest Christian community to be both relevant and sorely needed in today s church Written by a biblical scholar who has devoted thirty years to the study of the second Gospel this commentary aims primarily to interpret the Gosepl of Mark according to its theological intentions and purposes especially as they relate to the life and ministry of Jesus and the call to faith and discipleship Unique

features of James Edwards's approach include clear descriptions of key terms used by Mark and revealing discussion of the Gospel's literary features including Mark's use of the sandwich technique and of imagistic motifs and irony. Edwards also proposes a new paradigm for interpreting the difficult Little Apocalypse of chapter 13 and he argues for a new understanding of Mark's controversial ending.

**Gospels or Biographies? The Gospels as Folk Literature** Ryder Wishart, 2024-03-11

Challenging the widely accepted classification of the canonical gospels as biographies or historiographies, the author argues that they should be classified as collections of folk literature from early Christianity. Drawing on comparative register analysis and re-introducing literary and sociolinguistic insights from the twentieth century, this insightful study challenges readers to rethink the significance of gospels for understanding Jesus's historical context and relevance for modern readers. The gospels are not merely designed to inform readers about the life of Jesus but also to push readers into accepting or rejecting his teaching. It is a must-read for anyone seeking a deeper understanding of the gospel genre and the intentions of the evangelists who compiled them.

The Gospel 'According to Homer and Virgil' Karl Olav Sandnes, 2011-02-14

This study investigates the phenomenon of Christian cento, i.e. attempts at rewriting the Gospel stories in both the style and vocabulary of either Homer (Greek) or Virgil (Latin). Out of the classical epics, an entirely new text emerged.

**The Gospel of Jesus** John Davidson, 2005

An uplifting study of Jesus, his times and his teaching.

**The Gospels Behind the Gospels** Robert M. Price, 2023-02-23

What if we have been missing a whole stage of how the canonical gospels came to be? What if there were a whole raft of prior Jesus narratives, whether written or oral, the fragmentary vestiges of which now appear in Matthew, Mark, Luke, and John? This would explain why these gospels seem overcrowded with incompatible understandings of Jesus Christologies. In *The Gospels Behind the Gospels*, innovative biblical scholar Robert M. Price attempts to reassemble the puzzle pieces, disclosing several earlier gospels of communities who imagined Jesus as the predicted return of the prophet Elijah, the Samaritan Taddai, a second Moses, a resurrected John the Baptist, a theophany of Yahweh, a Gnostic Revealer, a Zealot revolutionary, etc. As these various sects shrank and collapsed, their remaining followers would have come together, just as modern churches and denominations seek to survive by merging and consolidating. Our canonical gospels might be the result. Similarly, Price explores the possibility that Paul, Apollos, Cephas, and Christ listed as if on a par in 1 Corinthians 1:12 were originally figureheads of rival sects who eventually merged in much the same way. You will never read the gospels the same way again.

*The Post-Resurrection Appearance Stories of the Gospel Tradition* John E. Alsup, 2007-02-01

*The Post-Resurrection Appearance Stories of the Gospel Tradition* Although there are innumerable studies of the Easter event, the spectrum of New Testament research demonstrates an astonishing vacuum regarding a history of tradition analysis of the Easter appearance stories, especially in the application of the form-critical method. This study begins with a methodological review of the more recent literature and challenges the widely accepted view that the appearance stories are to be excluded from consideration of the origins of Easter faith. Because of the far-reaching confusion over the place of these stories within

the complex of the resurrection traditions Part Two scans the distinctions and relationships between them In Part Three the author concentrates upon the appearance stories themselves and raises the following questions Are pre redactional forms discernible If so do such demonstrate by comparison similarities of form and content Does a NT Gattung stand behind them And finally Part Four probes the matter of analogies in the world of primitive Christianity while Part Five summarizes and asks provisionally if observations of a formal nature invite suggestive possibilities for further work on the question of historical experience behind the stories An attempt at critical review of such questions is long overdue
