**1** Since many have undertaken to set down an orderly account of the events that have been fulfilled among us, <sup>2</sup>just as they were handed on to us by those who from the beginning were eyewitnesses and servants of the word, <sup>3</sup>I too decided, after investigating everything carefully from the very first,<sup>4</sup> to write an orderly account for you, most excellent Theophilus, <sup>5</sup>so that you may know the truth concerning the things about which you have been in-

of the priesthood, to enter the sanctuary of the Lord and offer incense. <sup>10</sup>Now at the time of the incense offering, the whole assembly of the people was praying. <sup>11</sup>Then there appeared to him an angel of the Lord, standing at the right side of the altar of incense. <sup>12</sup>When Zechariah saw him, he was terrified; and fear overwhelmed him. <sup>13</sup>But the angel said to him, "Do not be afraid, Zechariah, for your prayer has been heard. Your wife Elizabeth will bear you a son, and you will call his name John. <sup>14</sup>You will have joy and peace, and many will rejoice at his birth. <sup>15</sup>For he will be great in the sight of the Lord. He will never drink wine or strong drink. From birth he will be filled with the Holy Spirit.

Bailey,2017-08-02 Luke the doctor wrote one of the most detailed and vivid accounts of the life of Christ Dr Bailey's commentary on Luke is presented that you might come to know the Son of man in a more intimate way and that you will come to appreciate the life of devotion of this most beloved of all medical doctors *The Gospel According to Luke* G. Campbell Morgan,2010-05-01 G Campbell Morgan Reprint Series Foreword If it is true that the measure of a person's greatness is their influence not only on his own time but on future generations G Campbell Morgan must be regarded as a great person His greatness is seen not only in the wide impact of his ministry on both sides of the Atlantic but in the fact that his books are still read and studied sixty five years after his death Named one of the ten greatest preachers of the twentieth century by the contributing board of Preaching magazine Morgan made the Bible a new and living book not only to the congregations who listened to him but the vast multitude of persons who read his books For sixty seven years Morgan preached and taught the Scriptures and served churches in England and the United States What is remarkable is that his commentaries and expositions of the Bible still speak to persons of a new millennium There have been many changes in the

world since he faithfully preached and taught the Scriptures but the wide appeal of his books testify to the timelessness of his message. Although he held pastorates in the Congregational and Presbyterian denominations he had an ecumenical appeal to persons of all denominations and traditions. The mystic Thomas Kempis once wrote, "He to whom the eternal word speaks is delivered from many opinions." In one of his sermons he referred to the words of Amos that there would be a famine for hearing the word of God. Amos 8:11. The timeless work of G. Campbell Morgan addresses that hunger as his books enable his readers to get beyond opinions to the living Word. Wipf and Stock Publishers have rendered a great gift to the religious world in reprinting dozens of Morgan's books. This growing collection makes his books more available so that readers have an option other than searching the internet for used and often expensive copies. Among this collection is the classic *The Great Physician* and commentaries on the Gospel of Matthew and John. Persons seeking a living faith and a meaningful encounter with God would profit from reading any of these Morgan books. Near the end of his ministry in a sermon entitled *But One Thing*, Morgan commented on how Portugal changed the words of a coin after Christopher Columbus discovered America. No longer did the inscription say *Ne Plus Ultra* (nothing more beyond) but *Plus Ultra* (more beyond). It is the hope of the G. Campbell Morgan Trust that the reprinting of these books will bring readers to the more beyond and an even deeper encounter with the Word in Scripture. The Morgan Trust: Richard L. Morgan, Howard C. Morgan, John C. Morgan.

**Twenty Parables of Jesus in the Gospel of Luke** John J. Kilgallen, 2008. This book hopes to bring out the teachings of Jesus' parables with particular attention paid to the immediate contexts in which Luke puts his parables. These contexts, sometimes only just a sentence and sometimes originating from Jesus as well as from Luke, give the reader an essential guide to the sense of the parables. The nature of a parable or comparison is, by general agreement of exegetes, very often open to more than one interpretation. It is in this sifting up the inner possibilities of the parables to have them speak winningly to their audiences together with the freedom belonging to an author and his desire to remain faithful to the mind of Jesus that the author strives to interpret Luke's presentation of a large number of Jesus' parables.

**According to Luke** Ivan Clutterbuck, 2000. Amidst the confusion and doubt that the contemporary world casts on our Christian witness, a return to the Gospel brings clarity and a sure foundation. In the Gospel of Luke we find a model for the Church, a model equally valid for each generation. Well known for his teaching and preaching skills, Ivan Clutterbuck invites us to study the Gospel of Luke as a whole. Working through the text from start to finish, we understand the full implications of how Jesus preached and organised his kingdom. In this Gospel guide we are provided with the latest balanced scholarship on Luke's writing in an accessible form. The last thirty years have seen a new concentration on the historical person of Jesus that has overturned much of the speculative biblical criticism of the past that seemed to undermine faith itself. Only by concentrating on the teaching and ministry of Jesus so clearly set out by Luke do we find the bedrock of the Christian message. Ivan Clutterbuck has been a priest of the Church of England for over sixty years. He has served both as an army and naval chaplain and has taught in several public schools. From 1966-74 he
