Gospel Of Truth:

The Gospel of Truth Mark Mattison, 2018-09-24 As they began to organize their communities of faith early followers of Jesus struggled to understand and preserve his legacy They wrote various Gospels and debated which ones should guide their lives and spiritual practices Late in the second century one bishop sharply criticized the poetic Gospel of Truth which was subsequently lost to history However two fourth century Egyptian translations were discovered in 1945 This sublime Gospel describes a loving and merciful God who calls us all to return through the Way and find joyful rest in paradise Was this Gospel written by the eloquent teacher Valentinus Were Valentinus and his followers really heretics as some charged or rather faithful mystics who were simply misunderstood Explore these questions and more in the pages of this new contemporary translation of the mystical Gospel of Truth
