Gospels And Grit:

Gospel Grit Randy Butler,2013-10-31 What was it like to literally follow Jesus Often we read what Jesus said but don't stop to see what He did Pastor Randy Butler in his often humorous down to earth manner helps us catch a fresh vision of what it must have been like to actually follow Christ Gospel Grit is a call to cultivate the simplicity of trust and obedience in our own following This book fires our imagination What might have taken place around the campfire with Jesus What could have been discussed while walking down a dust plagued road outside of Jerusalem What would Jesus and the disciples have discussed after a day of boating Dr Butler takes us through the Gospels examining the 731 statements that reflect either what Jesus showed us or told us As we go through this book we see a thirty year old carpenter who exchanged careers for a job that paid nothing for the remaining three years of His life We see Him dodging in and out of crowds teaching preaching healing and helping people while at the same time relying on twelve guys to carefully watch what He showed them and listen to what He told them so that years later they would remember those special three years and accurately write down their memories Dr Butler believes these statements in the Gospels are for us today and we can accept the challenge to become more authentic followers of Him living the real Gospel Grit

Dickens's Secular Gospel Chris Louttit,2009-05-07 The first full length study on the subject of Dickens and work this book argues that rather than engaging with work as an abstract quasi religious and entirely benign value Dickens's writings demonstrate the varied ways in which it shapes gender identity and personality

Livingstone's 'lives' Justin Livingstone,2014-11-01 David Livingstone the missionary explorer has attracted more commentary than nearly any other Victorian hero Beginning in the years following his death he soon became the subject of a major biographical tradition Yet out of this extensive discourse no unified image of Livingstone emerges Rather he has been represented in diverse ways and in a variety of socio political contexts Until now no one has explored Livingstone's posthumous reputation in full This book meets the challenge In approaching Livingstone's complex legacy it adopts a metabiographical perspective in other words this book is a biography of biographies Rather than trying to uncover the true nature of the subject metabiography is concerned with the malleability of biographical representation It does not aim to uncover Livingstone's real identity but instead asks what has he been made to mean Crossing disciplinary boundaries Livingstone's lives will interest scholars of imperial history postcolonialism life writing travel writing and Victorian studies

The Gospels with Salt: Jesus Wildman-Jesus Woman Francis Gross,2005-05-27 This learned highly personal and blunt devotional commentary on selected passages in the four gospels is intended for both devotional and educational purposes It showcases a number of archetypal images of Jesus found in the gospels including Jesus as Wildman Jesus as feminine man Jesus as wounded healer Jesus as fiery prophet and Jesus as Trickster Contemporary readers church and unchurch will find The Gospels with Salt very informative and stimulating

Thomas Carlyle and the Idea of Influence Megan Dent,Paul E. Kerry,Albert D. Pionke,2018-06-20 That Thomas Carlyle was influential in his

own lifetime and continues to be so over 130 years after his death is a proposition with which few will disagree His role as his generation's foremost interpreter of German thought his distinctive rhetorical style his approach to history via the innumerable biographies of great men and his almost unparalleled record of correspondence with contemporaries both great and small makes him a necessary figure of study in multiple fields Thomas Carlyle and the Idea of Influence positions Carlyle as an ideal representative figure through which to study that complex interplay between past and present most commonly referred to as influence Approached from a theoretically ecumenical perspective by the volume's introduction and eighteen essays influence is itself refigured through a number of complementary metaphorical frames influence as organic inheritance influence as aesthetic infection influence as palimpsest influence as mythology influence as network and more Individual essays connect Carlyle with the persons and publications of Mathilde Blind Orestes Brownson John Bunyan G K Chesterton Benjamin Disraeli George Eliot T S Eliot Ralph Waldo Emerson Johann Wolfgang von Goethe James Joyce William Keenan Windham Lewis Jules Michelet John Stuart Mill Robert Owen Spencer Stanhope John Sterling and others Considered as a whole Thomas Carlyle and the Idea of Influence assembles a web of conceptual and intertextual connections that both challenges received understandings of influence itself and establishes a standard by which to measure future assertions of Carlyle's enduring intellectual legacy in the twenty first century and beyond

The Gospel at Work in Modern Life Robert Whitaker, 1910

Supracultural Gospel Mary Lou Codman-Wilson, 2022-05-24 A Fresh Look at Contextualization Positive cross cultural communication is an essential skill when sharing the gospel Unfortunately many common Western biblical constructs create stumbling blocks for people of different backgrounds causing them to reject the gospel But that doesn't have to be the case Join Dr Mary Lou Codman Wilson and Alex Zhou as they dialogue about Alex's experience becoming a believer in the US and his struggle to share his faith when he returned to China They model a process of examining our cultural worldview to overcome the tensions associated with living out our faith in a context dominated by different religious or secular systems Supracultural Gospel presents seven principles to adapt the gospel to bridge East and West essential attitudes and practices of emotionally healthy and spiritually discerning discipleship and key gospel concepts in non Western terms while retaining biblical accuracy Written in a highly conversational tone and validated with personal stories from many Asian internationals Supracultural Gospel is a powerful and practical tool for those who are passionate about cross cultural discipleship Are you ready to unpack your worldview and embrace a supracultural gospel

Christian Register and Boston Observer..., 1899

Shepherding Like Jesus Andrew Hébert, 2022-03-01 Pastor Andrew Hébert points out the cultural misunderstanding of what a successful American pastor should be and discusses the importance of returning to the most essential element of pastoral ministry the character of Christ

No Easy Jesus Jason Mitchell, 2017-03-07 2018 Christian Book Award finalist New Author category Too many Christians I know have grown bored and frustrated with just believing in Jesus They've settled for salvation someday not realizing they can experience a fuller life today Many Christians

share a secret Few of us dare to speak it out loud because doing so would feel like taking a slap at God and it wouldn't make us look good either Yet this secret is affecting us painfully on the inside every single day Here it is Believing in Jesus has left us disappointed At one point we were thrilled and hopeful about living a life of trusting in Christ But over time our experience has failed to live up to our expectations or make the difference we thought it would So we've begun to think This can't be all there is to being a Christian If that's what you've been thinking you're right No Easy Jesus holds the key to moving forward when you're bored disillusioned and beaten down by faith as usual It's a clarion challenge to wake up each day and choose Jesus all over again to make the tough gritty choices that align your way with His and lead to true fullness of life Because when you decided to follow Jesus you didn't sign up for what was easiest you signed up for what was best

Passages Brian Hardin, 2011-12-20 Many Christians feel guilty when they think of reading the Bible Though they want to love reading Scripture they rarely have time for more than a few verses on the run But the Bible is not meant to be a burden It is the story of God's passionate love for His children It is also not a book of mystical incantations It is a best friend offering counsel and companionship And it is not a distant relic but something very near Near enough in fact to be every reader's story So how do Christians delight in this story rather than see it as a source of failure The founder of the immensely popular Daily Audio Bible Brian Hardin shows readers how reading through the Bible in a year will change their life and the lives of others Passages shows readers how to read the Bible and offers practical ideas for immersing themselves in God's life giving words Here readers will discover that reading the Bible can be a breathtaking adventure **Explore** Kristina

one semester introduction to the Bible prepares students to begin reading the biblical text as Christian Scripture focusing on the meaning of Scripture for the church The editors and contributors experienced teachers with expertise in different parts of the Bible orient students to the whole of Scripture so that they may read the biblical text for themselves The book first explains what Christians believe about Scripture and gives a bird's eye survey of the whole biblical story Chapters then introduce the story arrangement style and key ideas of each division of the Old and New Testament helping readers see how the books of the Bible make a coherent whole *The Gospel of St. Matthew in Lowland Scotch, from the English Authorised Version. The Gospels for Hearers is a fresh engaging new translation described by prominent theologian and historian Paul W Barnett as A significant achievement that deserves widespread application and use Every aspect of the book from the translation to the presentation supports one fundamental idea that this book will be read out loud in a public forum It reaches back as transparently as possible to the first public readings capturing the urgency passion and earthy humanity of the original Greek texts The experience of hearing it is often described as both familiar and surprising with an uncommon clarity that regularly prompts the listener to say they have heard or realised something new While it is different from traditional translations it is academically sound theologically neutral and tested against leading commentaries It is not designed to replace existing translations but to complement them providing insights and perspectives that help deepen one's experience of the words and stories of Jesus It is the work of one person unfettered by committees dogma or political correctness the result of 60 years of study translation and public reading The translation is literal rather than a paraphrase delivering the words of the original texts as simply and clearly as possible even where the resulting text is ambiguous emotionally confronting or indelicate It is testimony to the translator's skill that the end product is so readable providing such clarity and emotional engagement with the subject matter The Gospels for Hearers is a faithful and powerful translation bringing fresh perspective on familiar material encouraging greater connection with the texts and providing surprising insights Read it aloud at your church study group or just to a friend Read large slabs of it in fact read whole books and let the life changing words of the Gospels envelop inspire and carry you along These are the words and stories of Jesus delivered with honesty courage and passion The Gospels for Hearers is a gift for anyone searching for an authentic uncluttered and captivating translation of the ancient manuscripts
