ARCHITECTURE, ARCHAEOLOGY AND CONTEMPORARY CITY PLANNING - Proceedings of the workshop
Giorgio Verdiani,Per Cornell,2015 **Bright Lights, Dark Shadows: The Real Story of ABBA** Carl Magnus Palm,2009-10-28 Revel in the bright lights of ABBA s show stopping musical career and hear the whispers from the shadows that lurked behind Bright Lights Dark Shadows The Real Story of Abba is the first true full scale biography ever written about the band With lucid prose and an inquisitive eye author Carl Palm covers all aspects of the band s lives and careers The period before the group formed their global domination throughout the 1970s their marriages and divorces their business empire and their eventual inevitable split **Chronicles of Care: A Design History of the COVID-19 Virus** Paul A. Rodgers,Fernando Galdon,Craig Bremner,2024-04-16 The Covid 19 crisis and the designed interventions that the authors have catalogued in this book prove definitively that design does care The authors documented this as it evolved every day from the 1st January 2020 to 31st May 2020 inclusive Then they looked at all of this care and caring from the point of view of design and by the sheer volume of design interventions they have documented illustrate that design is good in a crisis What the Covid 19 pandemic illustrated is that for the first time in modern history capital was totally irrelevant Money could not save your life Only design could Rapidly designed masks shelters hospitals instructional posters infographics dashboards respirators sanitisers virtual and local communities emerged to save us From January 2020 design became king The Covid 19

global pandemic presented an ontological reality design is more than margins or profit In fact design became extremely valuable when it stopped concentrating on those things and started to care about peoples lives This brief episode in history is still repositioning the status of design and reconfiguring its signifier from consumption to care The contents of this book cover the outbreak lockdown and the beginning of the reopening in the UK In between the book functions as a history of pandemic crisis design interventions As such it is a research in the moment project where we have illustrated our thoughts and insights in tables charts and diagrams We have accepted all design interventions as valid and given them the same role and status by presenting each of them in a standard format No curation No selection No position The task of critical analysis must follow perhaps by us certainly by others

Ancient Marriage in Myth and Reality Lena Larsson Lovén,Agneta Strömberg,2010-06-09 The papers in this volume were among the contributions presented at an international symposium Ancient Marriage in Myth and Reality which was held at the Swedish Institute in Rome in October 2006 The symposium was held under the aegis of ARACHNE the Nordic network for women s history and gender studies in Antiquity The study of ancient marriage has been largely the province of historians working with texts and the result of this was an emphasis on elite marriages discussed by the male writers of the upper classes and on laws pertaining to marriage Neither area has been exhausted as several essays in this new international collection indicate but the balance among the papers reveals the shift in focus Along with innovative readings of authors from Livy to Porphyry we find examinations of demographic and contractual evidence as well as inscriptions and visual imagery Among the contributors to the volume are Pauline Schmitt Pantel Judith Evans Grubbs Ray Laurence Marjatta Nielsen and Mary Harlow
