Veri,Rita Liberti,2019-09-02 On football weekends in the United States thousands of fans gather in the parking lots outside of stadiums where they park their trucks let down the gates and begin a pregame ritual of drinking and grilling Tailgating which began in the early 1900s as a quaint picnic lunch outside of the stadium has evolved into a massive public social event with complex menus extravagant creative fare and state of art grilling equipment Unlike traditional notions of the home kitchen the blacktop is a highly masculine culinary environment in which men and the food they cook are often the star attractions Gridiron Gourmet examines tailgating as shown in television film advertising and cookbooks and takes a close look at the experiences of those tailgaters who are as serious about their brisket as they are about cheering on their favorite team demonstrating how and why the gendered performances on the football field are often matched by the intensity of the masculine displays in front of grills smokers and deep fryers **San Diego Magazine** ,2007-01 San Diego Magazine gives readers the insider information they need to experience San Diego from the best places to dine and travel to the politics and people that shape the region This is the magazine for San Diegans with a need to know Clint Faraday book 42: A Smidgin of Murder CD Moulton,
