argues that these films challenge and reframe the symbolic spaces of French culture addressing issues of ethnicity and difference which are central to today s debates about what it means to be French This timely book is essential reading for anyone interested in the relationship between cinema and citizenship in a multicultural society **The Human Tradition** in the Gilded Age and Progressive Era Ballard C. Campbell, 2000 The period between 1870 and 1920 was one of the most dynamic in American history This era witnessed the invention of the automobile the establishment of women's suffrage and the opening of the Panama Canal While a time of great advancement the Gilded Age and Progressive Era were also periods of uncertainty as Americans coped with corrupt politicians unchecked big business and a vast influx of immigrants SR Books offers a new approach to this time period in its book The Human Tradition in the Gilded Age and Progressive Era This volume looks at the experiences of 13 people who contributed to the shaping of American culture and thought during this period These concise accounts are written by leading historians and give students an intimate view of history This is an excellent text for courses in American studies Great Women Travel Writers Alba Amoia, Bettina Knapp, 2006-06-02 Includes ten contributor's writings on 250 years of women travel writers Travel is a guest an escape a passion Women explorers and travellers are a special breed This book covers 22 courageous women who encircled the globe and boldly crossed international barriers often to encounter the most patriarchal cultures of their time The Secrets and Silences of Edith Wharton's Women Isabelle Parsons, 2025-03-11 Edith Wharton's sensitively observed portraits of women's lives a century ago resonate into the present day captivating readers now as they did then Threaded throughout her accounts is a rich seam of secrets and silences that reveals Wharton's keen grasp of the realities navigated by women and her astute use of withholding to tell their stories This book explores her frequent marshalling of secrets and silences presented as an integral part of her literary aesthetic to cast light on her enduring interest in women's experiences in private and public settings during the early twentieth century The Memory of Architecture in Edith Wharton's Travel Writings Ágnes Zsófia Kovács, 2024-09-13 Edith Wharton was not only the author of novels and short stories but also of drama poetry autobiography interior decoration and travel writing This study focuses on Wharton's symbolic representations of architecture in her travel writings It shows how a network of allusions to travel writing and art history books influenced Wharton's representations of architectural and natural spaces The book demonstrates Wharton's complex relationship to works of art historians John Ruskin mile M le Arthur C Porter and travel authors Wolfgang Goethe Henry Adams Henry James in the trajectory of her travel writing Kov cs surveys how the acknowledgment of Wharton's sources sheds light both on the author's model of aesthetic understanding and scenic architectural descriptions and how the shock of the Great War changed Wharton's travel destinations but not her symbolic view of architecture as a mediator of things past Wharton's symbolic representations of architecture provide a new key to her travel writings **American Writers in Europe** F. Asya, 2013-10-03 These essays explore the impartial critical outlook American writers acquired through their experiences in Europe since 1850 Collectively contributors reveal how the American

writer's intuitive sense of freedom coupled with their feeling of liberation from European influences led to intellectual independence in the literary works they produced **Commemorative Modernisms** Kelly Alice Kelly, 2020-07-06 Reconsiders the relationship between the Great War and modernism through women s literary representations of deathProvides the first sustained study of death and commemoration in women's literature in the wartime and postwar periodOffers a reconsideration of the relationship between the First World War and literary modernism through the lens of women's writing Considers the literary impact of the vast mortality of the First World War and the culture of war commemoration on British and American women's writingOne of the key questions of modern literature was the problem of what to do with the war dead Through a series of case studies focusing on nurse narratives Edith Wharton Katherine Mansfield H D and Virginia Woolf as well as visual and material culture this book provides the first sustained study of women s literary representations of death and the culture of war commemoration that underlie British and American literary modernism Considering previously neglected writing by women in the war zones and at home as well as the marginalised writings of well known modernist authors and drawing on international archival research this book demonstrates the intertwining of modernist war and memorial culture and broadens the canon of war writing Edith Wharton and the Modern Privileges of Age Melanie V. Dawson, 2020-02-17 Focusing on the works of Edith Wharton and her contemporaries Melanie Dawson discusses representations of modern American identities past early youth in twentieth century literature Dawson sets Wharton's work at the center of a vital debate about the contested privileges associated with age in The Great War and Americans in Europe, 1914-1917 Kenneth Rose, 2017-03-27 This book contemporary culture examines the experiences of Americans in Europe during the First World War prior to the U S declaration of war arguing that these experiences prepared the American public for the declaration of war and defined the threat and consequences of the European conflict for Americans and American interests at home and abroad Serious Poetry Peter McDonald, 2002 Do we want to read poetry or just like having a few poets to talk about The history of poetry in twentieth century Britain and Ireland is one which ends with the assimilation of successful poets into a media culture it is also however another history one of form and authority in which certain poets found modes and pitches of resistance to the seeming inevitabilities of their times In this history it is the authority of poetry and not the media processed poet which is at stake in the integrity of poetic form Serious Poetry Form and Authority from Yeats to Hill offers a controversial reading of twentieth century British and Irish poetry centred on six figures all of whom are critics as well as poets W B Yeats T S Eliot W H Auden Louis MacNeice Seamus Heaney and Geoffrey Hill Yeats s centrality to twentieth century poetry and the problem many poets and critics had or still have with that centrality is a major focus of the book Serious Poetry argues that it is in the strengths possibilities perplexities and certainties of the poetic form that poetry's authority in a distrustful cultural climate remains most seriously alive The Unpublished Writings of Edith Wharton Vol 2 Laura Rattray, 2024-08-01 During her lifetime Edith Wharton was America

s most popular and prolific writer This book presents the unpublished writings of a canonical author along with three stage plays that open up a different field of Wharton studies It also includes a general introduction volume introductions textual variants headnotes and endnotes The New Edith Wharton Studies Jennifer Haytock, Laura Rattray, 2020 Uncovers new evidence and presents new ideas that invite us to reconsider our understanding Edith Wharton's life and career

**Domesticity and Design in American Women's Lives and Literature** Caroline Hellman, 2011-06-07 Domesticity and Design in American Women's Lives and Literature explores the ways in which four American women writers from the mid nineteenth to the early twentieth century inhabited domestic space and portrayed it in their work Hellman explores independent female authors who had intriguing and autonomous relationships with home relocating frequently either to begin the creative processes of designing and decorating anew or to avoid domestic obligation altogether by remaining in transit She also looks at how women authors wrote female characters into existence who had strikingly different relationships with home and contended with profound burdens of housekeeping in an oppressive domestic sphere The disjunction between the authors individual existences and the characters to whom they gave life reveals multiple narratives about women at home in nineteenth and twentieth century America This interdisciplinary inquiry undertakes a dual treatment of domesticity in an effort to synthesize a more complete understanding of the relationships between social history and literary accomplishment Syncretising domestic literature with domestic practice Hellman appraises the ways in which the authors appropriate domestic rhetoric to address issues of political import economy health and social welfare in the case of Stowe material feminism for Alcott the landscape for Cather and World War I for Wharton Challenging Boundaries Joyce W. Warren, Margaret Dickie, 2012-03-15 What if the American literary canon were expanded to consistently represent women writers who do not always fit easily into genres and periods established on the basis of men s writings How would the study of American literature benefit from this long needed revision This timely collection of essays by fourteen women writers breaks new ground in American literary study Not content to rediscover and awkwardly fit female writers into the white male scheme of anthologies and college courses editors Margaret Dickie and Joyce W Warren question the current boundaries of literary periods advocating a revised literary canon The essays consider a wide range of American women writers including Mary Rowlandson Margaret Fuller Harriet Beecher Stowe Emily Dickinson Frances Harper Edith Wharton Gertrude Stein Amy Lowell and Adrienne Rich discussing how the present classification of these writers by periods affects our reading of their work Beyond the focus of feminist challenges to American literary periodization this volume also studies issues of a need for literary reforms considering differences in race ethnicity class and sexuality The essays are valuable and informative as individual critical studies of specific writers and their works Challenging Boundaries presents intelligent original well written and practical arguments in support of long awaited changes in American literary scholarship and is a milestone of feminist literary study The Figure of Consciousness Jill M. Kress, 2013-08-21 Through analysis of metaphors

of consciousness in the philosophy and fiction of William James Henry James and Edith Wharton this work traces the significance of representations of knowledge gender and social class revealing how writers conceived of the self in modern literature
