The International Library of Essays on Capital Punishment, Volume 1 Peter Hodgkinson, 2016-12-05 This volume provides up to date and nuanced analysis across a wide spectrum of capital punishment issues The essays move beyond the conventional legal approach and propose fresh perspectives including a unique critique of the abolition sector Written by a range of leading experts with diverse geographical methodological and conceptual approaches the essays in this volume challenge received wisdom and embrace a holistic understanding of capital punishment based on practical experience and empirical data This collection is indispensable reading for anyone seeking a comprehensive and detailed understanding of the complexity of the death penalty discourse

The Bell Witch in Myth and Memory Rick Gregory, 2023-10-11 Apparently slumber parties in the mid South 1970s were plied with a strange ritual At midnight attendees would gather before a mirror and chant I don't believe in the Bell Witch three times to see if the legendary spook would appear alongside their own reflections a practice that echoes the Bloody Mary pattern following the execution of Mary Queen of Scots centuries ago But that small circuit of preteen gatherings was neither the beginning nor the end of the Bell Witch's travels Indeed the legend of the haint who terrorized the Bell family of Adams Tennessee is one of the best known pieces of folklore in American storytelling featured around the globe in popular culture references as varied as a 1930s radio skit and a 1980s song from a Danish heavy metal band Legend has it that Old Kate was investigated even by the likes of future president Andrew Jackson who was reported to have said I would rather fight the British ten times over than to ever face the Bell Witch again While dozens of books and articles have thoroughly analyzed this intriguing tale this book breaks new ground by exploring the oral traditions associated with the poltergeist and demonstrating her regional national and even international sweep Author Rick Gregory details the ways the narrative mirrors other legends with similar themes and examines the modern proliferation of the story via contemporary digital media The Bell Witch in Myth and Memory ultimately explores what people believe and why they believe what they cannot explicitly prove and more particularly why for two hundred years so many have sworn by the reality of the Bell Witch In this highly engaging study Rick Gregory not only sheds light on Tennessee's vibrant oral history tradition but also provides insight into the enduring worldwide phenomenon that is folklore
