End Of Vandalism:

The End of Vandalism Tom Drury, 2007-12-01 Set in rural Iowa this breathtaking remarkable achievement of a debut novel by the author of Pacific is at once funny sad and touching New York Newsday A New York Magazine and Publishers Weekly Best Book of the Year With extensive excerpts appearing in the New Yorker before its release Tom Drury's groundbreaking debut *The End of Vandalism* drew widespread acclaim and comparison to the works of Sherwood Anderson and William Faulkner With his fictional Grouse County Tom Drury conjures a Midwest that is at once familiar and amusingly eccentric where a thief vacuums the church before stealing the chalice a lonely woman paints her toenails in a drafty farmhouse and a sleepless man watches his restless bride scatter their bills beneath the stars When Sheriff Dan Norman arrests Tiny Darling for vandalizing an anti vandalism dance he goes on to marry the culprit's ex wife Louise But while Tiny loses Louise Louise loses her sense of self and all three find themselves in a love triangle that sets them on an epic journey A truly great writer Esquire Grouse County is unabashedly American a setting both nostalgic and wittily contemporary The Boston Globe *The End of Vandalism* Tom Drury, 1994 Tom Drury writes about modern life in Grouse County deep in the American Midwest At the heart of the novel is a triangle sheriff Dan Norman whose empathy exceeds his love for law enforcement Tiny Darling a part time thief and Louise Darling the woman forced to choose between them although the choice is not hard New York Magazine, 1994-04-04 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Problems with the E-rate Program** United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Oversight and Investigations, 2004 **Ending the Terror** Bronislaw Baczko, 1994-07-28 A major assessment of a crucial moment in the history of the French Revolution the fall of Robespierre in July 1794 **Luke Street** Owen Gill, 1977-12-01 **One Dog and His Man** Gary Twynam, 2014-06-05 Aged 45 we moved from Tooting South London to Shifnal Shropshire so that my wife could be closer to her parents This book covers the five years that followed It's a collage of silly stories musings observations and general nonsense as I try to adjust to small town life At its heart is a rescue dog called Bobby and his attempts to make a Londoner love his world Any readers who enjoyed my previous novel Farewell Trip will find stories in this book that lead directly to scenes in that novel **The New York Times Book Review**, 1994 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback **Custer National Forest (N.F.), Beartooth Ranger District Travel Management**, 2008 The Stray Shopping Carts of Eastern North America Julian Montague, 2023-10-30 A taxonomy we didn't know we needed for identifying and cataloging stray shopping carts by artist

and photographer Julian Montague Abandoned shopping carts are everywhere and yet we know so little about them Where do they come from Why are they there Their complexity and history baffle even the most careful urban explorer Thankfully artist Julian Montague has created a comprehensive and well documented taxonomy with *The Stray Shopping Carts of Eastern North America* Spanning thirty three categories from damaged fragment and plow crush to plaza drift and bus stop discard it is a tonic for times defined increasingly by rhetoric and media and less by the plain objects and facts of the real world Montague s incomparable documentation of this common feature of the urban landscape helps us see the natural and man made worlds and perhaps even ourselves anew First published in 2006 to great perplexity and acclaim alike Montague s book now appears in refreshed and expanded form Told in an exceedingly dry voice with full color illustrations and photographs throughout it is both rigorous and absurd offering a strangely compelling vision of how we approach classify and understand the environments around us A new afterword sheds light on the origins of the project *A Is for Arson* Campbell F. Scribner, 2023-07-15 In *A Is for Arson* Campbell F Scribner sifts through two centuries of debris to uncover the conditions that have prompted school vandalism and to explain why attempts at prevention have inevitably failed Vandalism costs taxpayers hundreds of millions of dollars every year as students parents and even teachers wreak havoc on school buildings Why do they do it Can anything stop them Who should pay for the damage Underlying these questions are long standing tensions between freedom and authority and between wantonness and reason Property destruction is not simply a moral failing to be addressed with harsher punishments nor can the problem be solved through more restrictive architecture or policing Scribner argues that education itself is a source of intractable struggle and that vandalism is often the result of an unruly humanity To understand schooling in the United States one must first confront the all too human emotions that have led to fires broken windows and graffiti *A Is for Arson* captures those emotions through new historical evidence and diverse theoretical perspectives helping readers understand vandalism variously as a form of political conflict as self education and as sheer chaos By analyzing physical artifacts as well as archival sources Scribner offers new perspectives on children s misbehavior and adults reactions and allows readers to see the complexities of education the built environment of teaching and learning evolving approaches to youth psychology and student discipline through the eyes of its often resistant subjects
