

The End of the COLD WAR

**Its Meaning and
Implications**

Edited by

Michael J. Hogan

End Of The Cold War Its Meaning And Implications

Scott Lucas

End Of The Cold War Its Meaning And Implications:

The End of the Cold War Michael J. Hogan, 1992-06-26 This book first published in 1992 examines the end of the Cold War and the implications for the history and future of the world order **Rethinking Theory and History in the Cold**

War Richard Saull, 2001 Rethinking Theory and History in the Cold War focuses on what we mean by politics and international relations and how such assumptions have come to determine our understanding of the Cold War Using an historical materialist method the author criticizes conventional conceptions of international politics that tend to focus on the agency of and relations among states and offers an alternative historical sociology of the Cold War through an analysis of the relationship between formal political authority and socio economic production Seen from this perspective the state the modern conceptions of politics can be seen as products of a capitalist modernity in which politics is based on the separation of the spheres of politics in the state and economics in civil society **BOOK JACKET The Last Decade of the Cold War**

Olav Njolstad, 2004-08-02 The last decade of the Cold War witnessed the transformation of world politics with the collapse of one party Communist rule in Eastern Europe and the Soviet Union This book explains how it happened and why **The**

Columbia Guide to the Cold War Michael Kort, 2001-03-08 The Cold War was the longest conflict in American history and the defining event of the second half of the twentieth century Since its recent and abrupt cessation we have only begun to measure the effects of the Cold War on American Soviet post Soviet and international military strategy economics domestic policy and popular culture The Columbia Guide to the Cold War is the first in a series of guides to American history and culture that will offer a wealth of interpretive information in different formats to students scholars and general readers alike This reference contains narrative essays on key events and issues and also features an A to Z encyclopedia a concise chronology and an annotated resource section listing books articles films novels web sites and CD ROMs on Cold War themes

The Cold War: A Very Short Introduction Robert J. McMahon, 2003-03-27 The massive disorder and economic ruin following the Second World War inevitably predetermined the scope and intensity of the Cold War But why did it last so long And what impact did it have on the United States the Soviet Union Europe and the Third World Finally how did it affect the broader history of the second half of the twentieth century what were the human and financial costs This Very Short Introduction provides a clear and stimulating interpretive overview of the Cold War one that will both invite debate and encourage deeper investigation **ABOUT THE SERIES** The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable *The Unfinished Journey* William Henry Chafe, 2003 This popular classic text chronicles America's roller coaster journey through the decades since World War II Considering both the paradoxes and the possibilities of post war America Chafe portrays the significant cultural and political themes that have colored our country's past and

present including issues of race class gender foreign policy and economic and social reform He examines such subjects as the Vietnam War the Civil Rights movement the origins and the end of the Cold War the culture of the 1970s the Reagan years the Clinton presidency and the events of September 11th and their aftermath In this edition Chafe provides an insightful assessment of Clinton's legacy as president particularly in light of his impeachment and an entirely new chapter that examines the impact of two of America's most pivotal events of the twenty first century the 2000 presidential election turmoil and the September 11th terrorist attacks Chafe puts forth an excellent account of George W Bush's first year as president and also covers his subsequent role as a world leader following his administration's declared war on terrorism The completely revised epilogue and updated bibliographic essay offer a compelling and controversial final commentary on America's past and its future Brilliantly written by a prize winning historian the fifth edition of *The Unfinished Journey* is an essential text for all students of recent American history

A Companion to Europe Since 1945 Klaus Larres, 2014-01-28
A Companion to Europe Since 1945 provides a stimulating guide to numerous important developments which have influenced the political economic social and cultural character of Europe during and since the Cold War Includes 22 original essays by an international team of expert scholars Examines the social intellectual economic cultural and political changes that took place throughout Europe in the Cold War and Post Cold War periods Discusses a wide range of topics including the Single Market European American relations family life and employment globalization consumption political parties European decolonization European identity security and defence policies and Europe's fight against international terrorism Presents Europe in a broad geographical conception to give equal weighting to developments in the Eastern and Western European states

The Other Cold War Heonik Kwon, 2010-12-06 In this conceptually bold project Heonik Kwon uses anthropology to interrogate the cold war's cultural and historical narratives Adopting a truly panoramic view of local politics and international events he challenges the notion that the cold war was a global struggle fought uniformly around the world and that the end of the war marked a radical universal rupture in modern history Incorporating comparative ethnographic study into a thorough analysis of the period Kwon upends cherished ideas about the global and their hold on contemporary social science His narrative describes the slow decomposition of a complex social and political order involving a number of local and culturally creative processes While the nations of Europe and North America experienced the cold war as a time of long peace postcolonial nations entered a different reality altogether characterized by vicious civil wars and other exceptional forms of violence Arguing that these events should be integrated into any account of the era Kwon captures the first sociocultural portrait of the cold war in all its subtlety and diversity

Cold War James R. Arnold, Roberta Wiener, 2012-01-16 The impact of the Cold War is still being felt around the world today This insightful single volume reference captures the events and personalities of the era while also inspiring critical thinking about this still controversial period Cold War The Essential Reference Guide is intended to introduce students to the tensions between the Soviet Union

and the United States that dominated international affairs in the second half of the 20th century A comprehensive overview essay plus separate essays on the causes and consequences of the conflict will provide readers with the necessary context to understand the many facets of this complex era The guide s expert contributors cover all of the influential people and pivotal events of the period encompassing the United States the Soviet Union Europe Southeast Asia China the Middle East Latin America and Africa from political military and cultural perspectives Reference entries offer valuable insight into the leaders and conflicts that defined the Cold War while other essays promote critical thinking about controversial and significant Cold War topics including whether Ronald Reagan was responsible for ending the Cold War the impact of Sputnik on the Cold War and the significance of the Prague Spring

The Cold War and After Richard Saull, 2007-01-20 The Cold War is often presented as an international power struggle between the Soviet Union and the US Richard Saull challenges this assumption He broadens our understanding of the defining political conflict of the twentieth century by stressing the social and ideological differences of the superpowers and how these differences conditioned their international behaviour Saull argues that US Soviet antagonism was part of a wider conflict between capitalism and communism involving states and social forces other than the superpowers The US was committed to containing revolutionary and communist movements that emerged out of uneven capitalist development In highlighting the socio economic and ideological dimensions of the Cold War Saull not only provides a richer history of the Cold War than mainstream approaches but is also able to explain why revolutionary domestic transformations caused international crises Tracing the origins of new resistance to American global power Saull s book provides an ideal alternative perspective on the Cold War and its end

Freedom's War Scott Lucas, 1999

The War on Terrorism and the American 'Empire' after the Cold War Alejandro Colas, Richard Saull, 2007-04-11 This new study shows how the American led war on terror has brought about the most significant shift in the contours of the international system since the end of the Cold War A new imperial moment is now discernible in US foreign policy in the wake of the neo conservative rise to power in the USA marked by the development of a fresh strategic doctrine based on the legitimacy of preventative military strikes on hostile forces across any part of the globe Key features of this new volume include an alternative critical take on contemporary US foreign policy a timely accessible overview of critical thinking on US foreign policy imperialism and war on terror the full spectrum of critical view sin a single volume many of these essays are now contemporary classics The essays collected in this volume analyse the historical socio economic and political dimensions of the current international conjuncture and assess the degree to which the war on terror has transformed the nature and projection of US global power Drawing on a range of critical social theories this collection seeks to ground historically the analysis of global developments since the inception of the new Bush Presidency and weigh up the political consequences of this imperial turn This book will be of great interest for all students of US foreign policy contemporary international affairs international relations and politics

Ronald Reagan and His Quest to Abolish Nuclear Weapons Paul

Lettow,2006-02-14 In Ronald Reagan and His Quest to Abolish Nuclear Weapons Paul Lettow explores the depth and sophistication of President Ronald Reagan's commitment to ridding humankind permanently of the threat of nuclear war. Lettow's narrative spans the start of Reagan's presidency and the 1986 Reykjavik summit between Reagan and Soviet leader Mikhail Gorbachev during which America's Strategic Defense Initiative (SDI) was a defining issue. Lettow reveals SDI for what it was: a full-on assault against nuclear weapons waged as much through policy as through ideology. While cabinet members and advisers played significant roles in guiding American defense policy, it was Reagan himself who presided over every element large and small of this paradigm shift in U.S. diplomacy. Lettow conducted interviews with several former Reagan administration officials and he draws upon the vast body of declassified security documents from the Reagan presidency. Much of what he quotes from these documents appears publicly here for the first time. The result is the first major work to apply such evidence to the study of SDI and superpower diplomacy. This is a survey that doesn't merely add nuance to the existing record but revises our very understanding of the Reagan presidency.

USA, India, Africa During and After the Cold War Okoth, Pontian Godfrey,2015-03-16 The Cold War period witnessed competition from political, economic, ideological, diplomatic, military, and social dimensions between the United States of America (USA) and the then Union of Soviet Socialist Republics (USSR). In the superpower rivalries, India and Africa were adversely affected in many ways. The situation did not change for the better in the post-Cold War period, which has witnessed the domination of the world by the US and its allies, the Group of Eight (G8) industrialised countries. This domination has been characterised by the process of Americanization of the world, otherwise termed globalisation, in virtually all spheres of life. USA, India, Africa During and After the Cold War demonstrates that both the United States and The Soviet Union used African States, India, and other Third World countries for their own geopolitical considerations; that the foreign policy and foreign relations of the US were meant to subject Africa and India to the dictates of US imperialism. The book assesses the impact of the Cold War and the post-Cold War order on Africa, India, and the entire world and argues that the Non-Aligned Movement is still relevant to the Third World countries despite the demise of the Cold War. The book analyses issues from the African point of view as opposed to hitherto Western viewpoints but provides a balanced appreciation of the complex forces that shape foreign policies and foreign relations globally. It is a valuable contribution to modern diplomatic history and targets university students, researchers, foreign affairs ministries, and practicing diplomats.

Power Transition and International Order in Asia Peter Shearman,2013-09-23 This edited volume examines how the transition and diffusion of power in global politics is impacting on stability and order in Asia. Both in the academic field of International Relations (IR) and among policymakers, the big question today concerns the rise of China, the relative decline of the United States, and the increasing importance of Asia in global politics. The level of impact the international power transition will have in the region remains unclear, but observers agree that Asia is a potential tinderbox for crises and conflict. This volume brings together leading scholars from around the

world to assess current thinking in IR on these issues The authors apply appropriate theories and methods of analysis in their specific area of expertise to examine the likely effects of the changing global power distribution on Asia There is also said to be an ongoing diffusion of power away from states to non state actors in the region hence in addition to examining changing relations between the Great Powers the book will also assess the implications that other actors from terrorist groups insurgents and organised crime syndicates could have on stability and order This book will be of much interest to students of Asian politics security studies diplomacy and international relations

The Legacy of the Cold War Vojtech Mastny, Zhu Liqun, 2013-12-16 The unexpected end of the protracted conflict has been a sobering experience for scholars No theory had anticipated how the Cold War would be terminated and none should also be relied upon to explicate its legacy But instead of relying on preconceived formulas to project past developments taking a historical perspective to explain their causes and consequences allows one to better understand trends and their long term significance The present book takes such perspective focusing on the evolution of security its substance as well as its perception the concurrent development of alliances and other cooperative structures for security and their effectiveness in managing conflicts In *The Legacy of the Cold War* Vojtech Mastny and Zhu Liqun bring together scholars to examine the worldwide effects of the Cold War on international security Focusing on regions where the Cold War made the most enduring impact the Euro Atlantic area and East Asia historians political scientists and international relations scholars explore alliances and other security measures during the Cold War and how they carry over into the twenty first century

European Community, Atlantic Community? Valérie Aubourg, Gérard Bossuat, Giles Scott-Smith, 2008 *American Defence Annual, 1994* Charles F. Hermann, 1998-06-03 To find more information about Rowman and Littlefield titles please visit www.rowmanlittlefield.com

The China Diary of George H. W. Bush Jeffrey A. Engel, 2011-05-04 Available in print for the first time this day by day diary of George H W Bush s life in China opens a fascinating window into one of the most formative periods of his career As head of the United States Liaison Office in Beijing from 1974 to 1975 Bush witnessed high level policy deliberations and daily social interactions between the two Cold War superpowers The China Diary of George H W Bush offers an intimate look at this fundamental period of international history marks a monumental contribution to our understanding of U S China relations and sheds light on the ideals of a global president in the making In compelling words Bush reveals a thoughtful and pragmatic realism that would guide him for decades to come He considers the crisis of Vietnam the difficulties of détente and tensions in the Middle East while lamenting the global decline in American power He formulates views on the importance of international alliances and personal diplomacy as he struggles to form meaningful relationships with China s top leaders With a critical eye for detail he depicts key political figures including Gerald Ford Donald Rumsfeld Deng Xiaoping and the ever difficult Henry Kissinger Throughout Bush offers impressions of China and its people describing his explorations of Beijing by bicycle and his experiences with Chinese food language lessons and Ping Pong Complete with a preface by George H W Bush

and an introduction and essay by Jeffrey Engel that place Bush's China experience in the broad context of his public career. The China Diary of George H. W. Bush offers an unmediated perspective on American diplomatic history and explores a crucial period's impact on a future commander in chief. The Politics of Proverbs Wolfgang Mieder, 1997 Demonstrates how proverbs and to a lesser extent proverbial expressions have played a significant role in political life during the 20th century. Takes as major examples the speeches and writings of Adolf Hitler, Winston Churchill, and Harry Truman to show how proverbs can be brought into the service of most any ideology. Also traces the use of proverbs and their cartoon analogues during the five decades of Cold War propaganda and proverbial slurs against Native Americans and Asian Americans. Paper edition, unseen, 1995. Annotation copyrighted by Book News, Inc., Portland, OR.

End Of The Cold War Its Meaning And Implications Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free End Of The Cold War Its Meaning And Implications PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free End Of The Cold War Its Meaning And Implications PDF books and

manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of End Of The Cold War Its Meaning And Implications free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About End Of The Cold War Its Meaning And Implications Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. End Of The Cold War Its Meaning And Implications is one of the best book in our library for free trial. We provide copy of End Of The Cold War Its Meaning And Implications in digital format, so the resources that you find are reliable. There are also many Ebooks of related with End Of The Cold War Its Meaning And Implications. Where to download End Of The Cold War Its Meaning And Implications online for free? Are you looking for End Of The Cold War Its Meaning And Implications PDF? This is definitely going to save you time and cash in something you should think about.
