The Rapture Delusions Steve Wohlberg, 2011-07-28 The Rapture Delusion shatters popular myths breaks the spell of false theories reveals solid biblical truth and will help prepare you for the end of the world Addressing His Church Jesus Himself declared All power is given unto Me in heaven and in earth Go ye therefore and teach all nations baptizing them in the name of the Father and of the Son and of the Holy Ghost Teaching them to observe all things whatsoever I have commanded you and lo I am with you always even unto the end of the world Matthew 28:18-20 KJV Many Christian prophecy books and end time movies predict that all true believers will miss the end because they will vanish in an event called the Rapture when they will supposedly be taken to Heaven early while those left behind will be forced to endure seven nightmarish years of apocalyptic terror during the time of the Antichrist Is this true What does the Bible really say About the end times Jesus Christ warned Take heed that no man deceive you Matthew 24:4 Paul also predicted that many would be ensnared by strong

delusion because they received not the love of the truth that they might be saved 2 Thessalonians 2 10 11 KJV The future is upon us but it will be different from what the majority expect Get ready for it Deconstructing Endtime Delusions (A Study of Christian Endtimes) Steve Morgan, 2023-11-10 What do you think about the End Times Is it a valid religious prospect a prolepsis that sets your world atwitter If you are someone open to different ways of viewing christian credenda if you are open to perspectives that are unlikely taught by a believing institution if you are curious about why humans believe observe and guess certain favoured end time practices if you have ever wondered from where or just how true certain beliefs are then welcome aboard Strap yourself in for an unconventional journey through several end time topics This book is a collated compendium of the author s Ten year personal study efforts into numerous Christian End time proposals Fed up with what seemed the brainwashing of nonsense the author began in 2010 to scribble thoughts and study conclusions about the religiously christian concept of end time This is an investigation into probing questions for why the believing community is so resolute regarding certain aniconic ecclesiastical teachings Such as Rapture Antichrist Angels Demons Nephilim of Genesis chapter six a variety of other topics The continuing years spent in research and writing meant that this investigation actively expanded the further practical lucid answers were sought to the countless questions that study interests raised Many conclusions surprised this author and so are likely to gob smack an audience also It is not technically a monograph of what a reader might assume as a conventional study of the christian religion or various end time presumptions Rather this study is an unconventional enlightening peering into some enigmatic End Time Apocalyptic topics Told through the eyes and with a curiosity of a former believer Welcome to the Revelation **Is the Reformation Finished?** Tim Rumsey, 2017-12 Is the Protestant Reformation finished Was it simply a passing family feud within Christianity an insignificant historical footnote with little relevance to modern life This book masterfully explains the history of the Protestant Reformation and shows that the primary issue behind the Reformation the question of spiritual authority matters more today than it did 500 years ago When Martin Luther nailed his Ninety Five Theses to the door of that Roman Catholic church in 1517 his goal was to reform not splinter Christianity The nails that sunk into that door however quickly fractured a religious and political system that had dominated Europe for a millennium Five hundred years later the aftershocks of the contest between papal power and the authority of the Bible continue even as many claim that the Reformation is now finished In today s world where all churches and all religions are called to unite under the banner of visible unity we must not forget why the Reformers chose to separate and why they were willing to die for this choice The final battle still lies ahead The Reformation is not finished it has only just begun The Last Days of Dispensationalism Alistair W. Donaldson, 2010-10-28 How we understand God s future purposes for the world must shape to a significant degree how Christians live life in the present The decades since the publication of Hal Lindsey s The Late Great Planet Earth have seen a great deal of end times speculation Signs of the end time apocalypse occurring soon have been heralded across our radios televisions the internet and through written forms of media urging

people to either be ready for the rapture or be left behind to endure the horrific suffering of the tribulation as God's end time program unfolds. Is this really what the Bible teaches about the purposes of the God of whom our Bible declares so loved the world that he gave his only son in order that all things be reconciled? The Last Days of Dispensationalism carefully examines this popular understanding known to us as dispensationalism and urges us to think again and to see within the Bible's grand salvation narrative and in the person of Jesus Christ a better message of redemptive hope for the future and a greater sense of meaning and purpose for the present.

*Why Did Yahweh and His Son Yahshuah Say What They Said?* Dr. Justin G. Prock, 2020-05-07

YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been spiritualized for over a Millennium which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving it to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David mentioned in the Bible. All three existed then as they do today. However, most of today's Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today. The people groups which YAHWEH and YAHSHUAH addressed still exist today. However, these people are all mixed up and known by different names but they DO exist. This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology. This brings us to the major question of: Is the Bible only about Israel? And if so, how does it affect our Eschatology today? This book answers these hard questions.

*Finding Your Own Goliath* Byron Wardlaw, 2019-11-19

The Bible mentions giants, most notably the giant Goliath. Giants put fear in the hearts and minds of most of the Hebrew populace. Goliath kept Saul's army frozen in fear; they were unable to fulfill their purpose as soldiers. Goliath never did anything, and yet he was an effective deterrent. The story of David versus Goliath was a battle of flesh and blood. There is a deeper meaning to Goliath and the giants in the promised land, and it has to do with fears, insecurities, and anxieties that lie deep within each one of us. In fact, those fears are so deep within us that David describes them as secret faults that are in the hidden part. These fears exist and greatly affect each person, but they are so well guarded that one is not even aware of their existence. These are the giants that keep one from having the faith to go down into the valley and fight the battles of life. Even the apostle Paul acknowledged the profound influence of these giants and could only proclaim, "Oh wretched man that I am!" The truth that will set one free is when one comes to the realization that they need Christ to help foster an awareness of the existence of those inner fears. David noted that God desires that one will find truth in the inward parts. The battles in life are not carnal for we do not wrestle against flesh and blood but against the giants in the depths of one's own spirit. Human nature urges people to concentrate on external phenomena when the real giants that impede

prosperity potentiality peace faith and love are internal phenomena Each one only needs to find their own personal Goliaths that lie within **The Legend of the Anti-Christ** Stephen J. Vicchio,2009-07-01 In The Legend of the Anti Christ Stephen Vicchio offers a concise and historical approach to the history of the idea of the Anti Christ including precursors to the idea the development of the idea in the New Testament as well as the understandings of the legend of the Anti Christ in the history of Christianity Vicchio also raises the question of why there is so much emphasis in the modern world about the idea

**The Devil in the Holy City** Brian Malek,2025-08-16 The Devil in the Holy City Exposing the Vatican s Greatest Deception For centuries the Roman Catholic Church has claimed to be the guardian of truth yet behind the stained glass and marble halls lies a record of corruption compromise and betrayal In The Devil in the Holy City investigative author Brian Malek peels back layers of history and doctrine to reveal how Rome twisted Scripture replaced spiritual transformation with empty ritual and aligned itself with political power instead of Christ Uncovers the hidden history of papal corruption and religious control Reveals how pagan traditions were baptized into Christianity to serve Rome s agenda Exposes modern ecumenical movements drawing the world toward a false one world religion Calls readers back to the true gospel found in the original Greek New Testament not Rome s distortions With bold research and biblical insight Malek shows that the battle for souls has always been about control and that the Vatican remains at the center of a global deception leading millions away from the truth of Jesus Christ This is more than history It s a wake up call If you ve ever questioned Catholic dogma wondered about the Vatican s role in world affairs or longed for the simplicity of authentic New Testament faith this book will open your eyes Are you ready to confront the greatest spiritual deception of our time **Choose You This Day** Paul C.

McGlasson,2019-07-25 The American church is in crisis The crisis is not caused by the politics of Trumpism though that is the occasion for it The crisis is evoked by the great challenge which every generation faces to follow Jesus Christ in the way of discipleship The word of God s promise sets before American Christians a simple but dramatic choice in the face of the toxic politics of Trumpism Does the gospel of Jesus Christ embrace the politics of Trumpism Yes or no Each must choose and the gospel itself is at stake **False Prophecies about Israel, Babylon, & Armageddon** Steve Wohlberg,2018-09-10

Today literally millions of people who study Bible prophecy have their eyes fixed upon Jerusalem Right now all over the planet Earth Christians are talking about the modern nation of Israel a future rebuilt Jewish temple and a final bloody battle called Armageddon when hostile nations marshal their forces for war against the Jews Do the climactic end time prophecies of the book of Revelation really focus on the Middle East This book takes a close look at the prophetic ideas of the majority of the Christian world Based solidly on the Bible its message could save your life [Odyssey of Grace](#) Cy

Mersereau,2020-11-30 In the Odyssey of Grace series Cy Mersereau invites you to join him as he travels through the twenty seven books of the New Testament In this series each book of the New Testament is summarized with special consideration given to topics of common and sometimes controversial interest The journey begins with the coming of Christ in the four

Gospels then threads its way through the epistles and ends with Revelation where time dissolves into the eternal state Along the way the reader will encounter adventure history theology advice for practical Christian living and become acquainted with some of the more fascinating personalities of the early church The author of each book has his own style his own emphasis and his own story that is part of the larger story of Jesus Christ and the redemption he purchased for us on Calvary two thousand years ago Some of the topics covered here include Prophetic insights from believers of various backgrounds on the book of Revelation The hotly contested miracle of Jesus turning water into wine Judas his betrayal of Christ and how and when he died A discussion of the book of Philemon to address the question of whether the Bible promotes slavery A comprehensive look into why the Gospel of Mark has so many endings and which is the right one Join in on the conversation as Cy discusses these questions and so many more

God's Glorious Church George Rohrig, 2011-04 This book is a must read for every serious student of the Bible The question of Israel and the Church in relation to God's eternal purpose is one of the most important subjects defining the Mission of the Church and the many confusing and often misleading interpretations of Bible prophecy A correct understanding of the roles played by each in the economy of God is vital to the furtherance of the mission and destiny of the Church in this present time as well as the eschatological implications involved

**What Is Truth?** Mark L. *Epic Fails* Salvador Jiménez Murguía, 2018-09-15 Many of the most successful innovations from the light bulb to the Internet have often resulted from ingenuity ambition and dedication Such achievements have changed lives for the better Yet for every new development that the public embraces there is a dark side of progress cultural byproducts that litter the road to obscurity Just because

something is a failure however doesn't necessarily mean that it shouldn't matter. In *Epic Fails: The Edsel, the Mullet, and Other Icons of Unpopular Culture*, Salvador Jimenez Murgueta examines some of the most iconic missteps of the past several decades. In order to shed light on the inherent often comic strain in American life between fame and infamy, the author surveys some of the best or rather worst of what man has to offer. From fashion flops like the mullet and Zubaz pants to marketing mistakes like Bud Dry, New Coke, and Crystal Pepsi, this text captures the unintentionally entertaining milieu of failure. Placing these gaffes in cultural context, Murgueta considers how each of these products crashed and burned while trying to arrive at an answer to the ultimate question: What were they thinking? Whether these attempts were doomed from the start, failed because of consumer indifference, or were simply the victims of poor timing, this book returns them, however briefly, to the spotlight. A fascinating look at man-made disasters, *Epic Fails* is an entertaining treatise about the forgotten and infamous endeavors of American creativity or lack thereof.

**A History of the Apocalypse** Catalin Negru, 2023-01-20. Religion. For thousands of years, this thing has dictated which people should live and which people should die, what shape our buildings should have, or what colors our garments should contain, what food people should eat, or what words people should speak. If religion is the opium of the masses, then beliefs about the end of the world are like overdoses. People touched by such beliefs no longer rely on a hidden, personal, and intimate god contemplated upon from the safe

distance of the beating human heart They live with the promise of divine intervention at a grand scale on the current coordinates of space and time This can be an exceptional motivator and a game changer in terms of civil obedience both at an individual and collective level In the name of an immediate and palpable deity people can commit shocking cruelties However such belief can also account for some of the most exceptional social developments in human history
