UPC 031809070734 The Complete Kit ISBN 9781596364127 or UPC 031809035436 offers up each of these resources and more About speaker and author Dr Timothy Paul Jones Dr Jones serves as Professor of Leadership and Church Ministry at The Southern Baptist Theological Seminary in Louisville Kentucky     The End Times in Chronological Order Ron Rhodes,2012-08-01 Bible prophecy expert Ron Rhodes offers an easy to understand yet detailed chronology and explanation of end times events The chapters are arranged around the major end times themes the rapture the tribulation the millennial kingdom and the eternal state Each chapter begins with a list of the specific events it covers making this an extremely user friendly chronological guide to end times biblical prophecy Rhodes allows for various interpretations among Christians Yet the sequence he describes is faithful to the biblical text based on a literal approach to prophecy and held by many Bible scholars As readers discover that they really can understand Bible prophecy they will come to love and trust the Scriptures like never before     Understanding End Times Prophecy Paul Benware,2006-05-01 Many Christians think of end times prophecy as a gigantic intimidating puzzle difficult to piece together and impossible to figure out But every puzzle can be solved if you approach it the right way Paul Benware compares prophecy to a picture puzzle Putting the edge pieces together first builds the framework that makes it easier to fit the other pieces in their place According to Benware the framework for eschatology is the biblical covenants He begins his comprehensive survey by explaining the major covenants Then he discusses several different interpretations of end times prophecy Benware digs into the details of the Rapture the Great Tribulation the judgements and resurrections and the millennial kingdom But he also adds a unique personal element to the study answering questions as Why study bible prophecy What difference does it make if I m premillennial or amillennial If what the Bible says about the future puzzles you Understanding End Times Prophecy will help you put together the pieces and see the big picture     Understanding the New Testament and the End Times, Second Edition Rob Dalrymple,2018-04-16 Many evangelicals have come to embrace a populist eschatology that has neither the support of the historical church nor of the scholarly world today For some this has led to a disillusionment with eschatological speculations For others the results are apathy and a failure to understand the mission of God s people This is tragic For when the entirety of the New Testament is read and understood from an eschatological perspective the grand narrative of Scripture and its fulfillment in Jesus comes clearly into focus A proper framework for understanding eschatology directly correlates to a proper understanding of the mission of God s people who are themselves carrying forth the biblical story as we approach the New Jerusalem To fail to comprehend eschatology is to fail to comprehend our mission This book has two objectives First to provide a proper hermeneutical framework from which we may discern a biblical eschatological worldview Second to demonstrate that a proper eschatological framework relates to the mission of God s people and the demand for holiness Thus eschatology matters     40 Questions about the End Times Eckhard J. flows disproportionately into the hands of the elites the common people suffer and society wide efforts to become an elite grow ever more frenzied He calls this process the wealth pump it s a world of the damned and the saved And since the number of such positions remains relatively fixed the overproduction of elites inevitably leads to frustrated elite aspirants who harness popular resentment to turn against the established order Turchin s models show that when this state has been reached societies become locked in a death spiral it s very hard to exit In America the wealth pump has been operating full blast for two generations As cliodynamics shows us our current cycle of elite overproduction and popular immiseration is far along the path to violent political rupture That is only one possible end time and the choice is up to us but the hour grows late
