Demy, Thomas Ice, Introducing a new series of quick reference guides that answer the most asked questions about the Christian faith [Bible Prophecy Under Siege](#) Ron Rhodes, 2024-02-13 Understanding and Answering False Claims about Prophecy Many people today cast doubt on the promises God gives his church in Bible prophecy as predicted by Scripture itself Scoffers will come in the last days with scoffing following their own sinful desires They will say Where is the promise of his coming 2 Peter 3 3 4 Bible Prophecy Under Siege provides a thorough survey of the misunderstandings and misguided thinking people sometimes have about the last days Prophecy expert Ron Rhodes offers you careful guidance through these differing viewpoints and you will learn the ways Bible prophecy is under siege and how to respond to false claims biblically gain helpful historical insights about the rapture and other prophetic issues be emboldened to hold firmly to prophetic biblical truth during trying times be encouraged to live with conviction rooted in God's Word With a perspective grounded in the Bible you will be equipped to discern flawed views on prophecy rest secure in immovable truth and grow in anticipation of the day when Christ will make all things new [Why Did Yahweh and His Son Yahshuah Say What They Said?](#) Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today's Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions **Understanding End Times Prophecy** Paul Benware, 2006-05-01 Many Christians think of end times prophecy as a gigantic intimidating puzzle difficult to piece together and impossible to figure out But every puzzle can be solved if you approach it the right way Paul Benware compares prophecy to a picture puzzle Putting the edge pieces together first builds the framework that makes

it easier to fit the other pieces in their place According to Benware the framework for eschatology is the biblical covenants He begins his comprehensive survey by explaining the major covenants Then he discusses several different interpretations of end times prophecy Benware digs into the details of the Rapture the Great Tribulation the judgements and resurrections and the millennial kingdom But he also adds a unique personal element to the study answering questions as Why study bible prophecy What difference does it make if I m premillennial or amillennial If what the Bible says about the future puzzles you Understanding End Times Prophecy will help you put together the pieces and see the big picture Why the End of the World is Not in Your Future Gary DeMar,2008 After Dispensationalism Brian P. Irwin,2023-05-03 What God wants his people to know about the end times Christians fixation on the end times is not new While eschatological speculation has sometimes resulted in distraction or despair Scripture does speak about the end So what does God most want us to know and do with prophecy In After Dispensationalism Brian P Irwin and Tim Perry sympathetically yet critically sketch the history beliefs and concerns of dispensationalism Though a minority view in the sweep of church history and tradition dispensationalism is one of the most influential end times systems today and there is much to learn from it And yet sometimes it gets sidetracked by overlooking the prophets main concerns Irwin and Perry reexamine the key texts and show that Ezekiel Daniel and Revelation primarily give a word of hope to God s people Understanding Bible Prophecy for Yourself Dave Gilbert,Tim LaHaye,2009-08-01 Tim LaHaye s bestselling book more than 110 000 copies sold has been redesigned to make its content even more accessible to readers and updated to include timely information relevant to biblical prophecy and current events This easy to follow guide offers the tools believers need to accurately interpret biblical prophecy Includes solid guidelines for accurately interpreting Bible prophecy charts that present a clear outline of the future step by step examples of how to interpret Bible passages on the rapture second coming and millennial kingdom exercises that help readers understand key Bible prophecies a comprehensive overview of God s plan for the future This resource leads readers to a deeper understanding of how to navigate the exciting and challenging days to come as they also discover the strength and peace of God s sovereignty The Truth Behind Left Behind Mark Hitchcock,Thomas Ice,2011-08-24 With the unparalleled worldwide success of the Left Behind series both fans and critics are curious about the relationship between Bible prophecy and the events depicted in the novels Responding to recent works that question Left Behind s biblical accuracy two respected theologians set forth solid biblical answers in this reader friendly resource Beginning with a clear presentation of prophecy interpretation and dispensationalism the authors examine specific end times events represented in Left Behind and offer historical and biblical support for each event Story Behind the Book With the incredible success of this series we believe that it would be beneficial to the body of Christ for someone to publish a book that gives solid thoughtful biblical answers to the critics of the Left Behind theology With the questions that are being raised and will continue to be raised many may begin to wonder if the Left Behind theology is really biblical Some of the impact of the series could be

undermined This book would set forth substantive biblical points in favor of the various end times events presented in the series

*Christian Zionism* Stephen Sizer,2021-09-13 I am glad to commend Stephen Sizer s groundbreaking critique of Christian Zionism His comprehensive overview of its roots its theological basis and its political consequences is very timely I myself believe that Zionism both political and Christian is incompatible with biblical faith Stephen s book has helped to reinforce this conviction Rev Dr John Stott I believe Stephen Sizer is one of the most authoritative scholars in the world on the vital issue of Christian Zionism He is a very important voice speaking out against this destructive movement that is killing us Palestinians through its theology Canon Naim Ateek Stephen Sizer s Christian Zionism Road Map to Armageddon is essential reading for any Western evangelical trying to understand the religious dimensions of American support for Israel Sizer writes as an insider within the church not as a critic watching from afar And he shows with exacting clarity how evangelical eschatology has now embedded itself in a modern political ideology One quick read of this book will change anyone s perspective on the Middle East permanently Professor Gary M Burge Congratulations

on Christian Zionism The index alone makes my mouth water since this is the scholarly treatment to counteract the rabid prophecy pack for which I had been searching I couldn't be happier that this is published You and I see eye to eye on this issue Yours is a true prophetic voice so badly needed in the current prophecy frenzy And when this mania also affects national and international policy the danger takes on larger proportions Professor Paul Maier Stephen Sizer's work on Christian Zionism is the most important and comprehensive on the subject to date and should be read by all students of the Middle East and by Christians concerned about a just resolution to the Palestinian Israeli conflict Christian Zionism raises vital theological and political challenges that must be addressed head on by Christians in the West particularly evangelicals The impact of this terribly misguided movement is increasingly putting Christians in the Middle East at risk and it seems a far cry from the witness and message of Jesus Christ Dr Donald Wagner This study of Christian Zionism based on Stephen Sizer's doctoral thesis is of seminal significance It provides a fascinating survey of the history of Christian Zionism and an in depth analysis of the theology of this highly important and influential movement Rabbi Professor Dan Cohn-Sherbok Left Behind: Separating Fact from Fiction Gary DeMar, 2009 **The Popular Handbook on the Rapture** Tim LaHaye, Thomas Ice, Ed Hindson, 2012-05-01 Why is there so much confusion about how and when the rapture will take place What does the Bible say for certain about this event When will the Tribulation occur and who will face it There is a lot of discussion among Christians about the rapture and the last days Why all the different views And how do those perspectives line up with Scripture Tim LaHaye and Thomas Ice have assembled a team of longtime Bible prophecy experts who look carefully to God's Word for the answers In this book readers will discover what they can know for certain And as they consider the things that still remain uncertain they will gain a renewed trust that God knows what He is doing His plan is perfect and it will unfold in His timing An easy to understand resource that provides much needed clarification about the end times *What Jesus Says about Earth's Final Days* Mark Hitchcock, 2003-09-04 Two days before He died Jesus gave His closest followers a sweeping panorama of earth's final days Responding to questions about the end times Jesus' great speech on the Mount of Olives described the tribulation and His second coming and offered several famous parables of practical application for the disciples In a powerful indication of His priorities Jesus devoted twice as much time to telling His followers how to live in light of His return as he did to describing the actual event Readers will be inspired and equipped to live faithfully in expectation of Christ's coming **A Primer on Messianic Prophecy** Cynthia C.
