Endangered Daughters Discrimination And Development In Asia:

Endangered Daughters Elizabeth Croll,2002-01-04 This unique and groundbreaking book seeks to re focus gender debate onto the issue of daughter discrimination a phenomenon still hidden and unacknowledged across the world It asks the controversial question of why millions of girls do not appear to be surviving to adulthood in contemporary Asia In the first major study available of this emotive and sensitive issue Elisabeth Croll investigates the extent of discrimination against female children in Asia and shifts the focus of attention firmly from son preference to daughter discrimination This book brings together demographic data and anthropological field studies to reveal the multiple ways in which girls are disadvantaged from excessive child mortality to the withholding of health care and education on the basis of gender Focusing especially on China and India the book reveals the surprising coincidence of increasing daughter discrimination with rising economic development declining fertility and the generally improved status of women in East and South Asia Essential reading for all those interested in gender in contemporary society

Endangered Daughters Elisabeth Croll,2000 This work asks the controversial question of why millions of girls do not appear to be surviving to adulthood in contemporary Asia It shifts the focus of attention firmly from son preference to daughter discrimination

Transforming Unequal Gender Relations in India and Beyond Saroj Pachauri,Ravi K. Verma,2023-09-08 This book offers a unique intersectional perspective on gender equality SDG5 It presents an intersection of gender with caste class region ethnic and sexual identities and other structural drivers of inequalities in various development sectors It presents case studies and empirical findings from development practice and policymaking and highlights the challenges to implementing SDG5 in practice It discusses policies to promote gender equality and prevent violence against women and girls and women in decision making and leadership positions The chapters restate that gender equality is possible only if unequal gender norms are transformed to recognize women and girls as independent economic entities and not merely homemakers providing unpaid care It also analyzes to deconstruct the idea of monolithic masculinity to recognize gender diversity and men s role in providing care The book shows how much has been achieved yet how far is also left to go It is an essential reference point for researchers policymakers students and scholars across gender studies women s studies and sociology

The Politics of Rights Andrea Cornwall,Maxine Molyneux,2013-09-13 Since the late 1990s development institutions have increasingly used the language of rights in their policy and practice This special issue on feminist perspectives on politics of rights explores the strategies tensions and challenges associated with rights work in a variety of settings Articles on the Middle East Africa Latin America East and South Asia explore the dilemmas that arise for feminist praxis in these diverse locations and address the question of what rights can contribute to struggles for gender justice Exploring the intersection of formal rights whether international human rights conventions constitutional rights or national legislation with the everyday realities of women in settings characterized by entrenched gender inequalities and poverty plural legal systems and cultural norms that can constitute

formidable obstacles to realizing rights The contributors suggest that these sites of struggle can create new possibilities and meanings and a politics of rights animated by demands for social and gender justice **Social Policy Review 35** Ruggero Cefalo, Marcia Rose, Andy Jolly, 2023-06-30 EPDF and EPUB available Open Access under CC BY NC ND licence In the latest edition of Social Policy Review experts review the leading social policy scholarship from the past year The book addresses current issues and critical debates within the field with a particular focus on intergenerational research Contributors also explore key social policy and research developments across a wide range of themes including the impact of COVID 19 on eldercare and homelessness research into Faith Based Organisations local social services in Italy and social policies for Autistic adults in England and Wales Published in association with the Social Policy Association this comprehensive volume will be essential reading for students and academics in social policy social welfare and related disciplines *Millennium development goals* J. Godwin Prem Singh, 2009 Proceedings of a national conference on Millennium development goals

Gender and Development Janet Henshall Momsen, 2004 Since the Classic Women and Development in the Third World was published over a decade ago a new awareness of the importance of gender roles in development has grown Gender and Development provides an clear and concise introduction to this topic based on the author's wide field experience Featuring topical and up to date information and analysis throughout this accessible textbook contains a wealth of student friendly features including chapter learning objectives discussion questions annotated guides to further reading and websites numerous maps and photographs as well as boxed international case studies which encompass the transition countries of Eastern and Central Europe and the Central Asian Republics as well as Latin America and Asia *Demography - Volume I* Zeng Yi, 2010-11-30 According to the classic and widely accepted statement by Hauser and Duncan 1959 2 demography is defined as the study of the size territorial distribution and components of population changes therein and components of such changes Almost all disciplines of social sciences and most disciplines of natural sciences deal with human beings in one way or another either directly or indirectly Furthermore demographic concepts e g birth rate death rate and migration and methods and analysis strategies e g life table analysis can be readily extended to other species insects animals plants etc and inanimate collectives enterprises automobiles etc Clearly demography is an important thematic field in science and it may provide the empirical foundation for studying human beings animals and inanimate collectives on which other relevant scientific research is built The volume aims to be of value to the various audiences of both non specialists and experts who seek a comprehensive understanding of issues related to human population As reviewed in the very beginning of the Theme Introduction interdisciplinary is one of the three major features of demography Given the rapid development in techniques for collecting not only demographic data but also other related data concerning health biomarkers genetics behaviors and social and natural environments in conventional population surveys as well as rapidly enhancing computing powers this volume shows and concludes that demography will be even more interdisciplinary in the coming decades A notable example

is that the cross field marriage between bio medical sciences and demography will lead us to enter an era in which bio medical and demographic methods will be well integrated As indicated by James R Carey and James W Vaupel in Chapter 13 of this volume the bio demographic branches of demography are vibrant areas of demographic research that are rapidly growing and that have great potential to enrich and enlarge the domain of demography Not only can demographers learn much from biologists and epidemiologists but demographers can contribute much to research on life in general and to research on population health The increasing availability of data sources and much enhanced computing internet power will also lead demography to be more interactive with the other fields such as psychology environmental science economics business and management etc As discussed in this volume s Chapter 11 by Swanson and Pol for example it is now possible to link conventional demographic data sources of census surveys and vital statistics with administrative records such as social security tax reporting medical insurance hospital records school registration supermarket purchasing cards use etc while protecting individuals privacy Such linkages will substantially increase the value of demographic methods surveys and administrative records for scientific research and policy analysis as well as the applicability of demography in business and governmental decision making processes

India Today Arnold P. Kaminsky, Roger D. Long Ph.D., 2011-09-23 Containing almost 250 entries written by scholars from around the world this two volume resource provides current accurate and useful information on the politics economics society and cultures of India since 1947 With more than a billion citizens almost 18 percent of the world s population India is a reflection of over 5 000 years of interaction and exchange across a wide spectrum of cultures and civilizations India Today An Encyclopedia of Life in the Republic describes the growth and development of the nation since it achieved independence from the British Raj in 1947 The two volume work presents an analytical review of India s transition from fledgling state to the world s largest democracy and potential economic superpower Providing current data and perspective backed by historical context as appropriate the encyclopedia brings together the latest scholarship on India s diverse cultures societies religions political cultures and social and economic challenges It covers such issues as foreign relations security and economic and political developments helping readers understand India s people and appreciate the nation s importance as a political power and economic force both regionally and globally

Gender-Biased Sex Selection in South Korea, India and Vietnam Laura Rahm, 2019-07-18 This book provides an in depth analysis of the influence of public policy on sex selection Three Asian countries were chosen for the comparative policy analysis namely South Korea India and Vietnam that share in common a historical legacy of son preference high levels of sex imbalances and active policy response to curbing the growing demographic masculinization of their nations The research based on the data collected from field work in the three countries shows that despite the adoption of very similar anti sex selection policies the outcomes have been markedly different for each of the three countries These unexpected diverse outcomes are explained partly by their different historical and cultural contexts and partly to the different social political and economic institutions and dynamics This monograph offers careful and detailed explanations of both within and across country diversities in policy outcomes pointing to the importance and the limits of cross national policy learning and adoption and raising questions about the efficacy of international organizations current approaches to global policy and knowledge transfer

The International Handbook of the Demography of Race and Ethnicity Rogelio Sáenz, David G. Embrick, Néstor P. Rodríguez, 2015-06-03 Examining key countries in every region of world this handbook presents population profiles and analyses concerning racial ethnic disparities and changing intergroup relations Inside prominent scholars from various parts of the world and disciplines address the links between stratification demography and conflict across the globe Organized by region continent coverage for each profiled country includes demographic information a historical overview that addresses past racial ethnic conflict identification of the most salient demographic trends and issues that the country faces theoretical issues related to the linkages between stratification demography and conflict methodological issues including quality of data and cutting edge methods to better understand the issue at hand and details on the possible future of the existing trends and issues with particular emphasis on public policy and human rights This handbook will help readers to better understand the commonalities and differences that exist globally in the interplay between stratification demography and conflict In addition it also provides an excellent inventory of theoretical perspectives and methodological approaches that are needed to better comprehend this issue This handbook will appeal to students researchers and policy analysts in the areas of race and ethnic relations demography inequality international sociology

international relations foreign studies social geography and social development *Migration and Marriage in Asian Contexts* Zheng Mu, Wei-Jun Jean Yeung, 2021-11-29 This book analyses how Asian migrants adapt and assimilate into their host societies and how this assimilation differs across their sociodemographic backgrounds ethnic profiles and political contexts The diversities in Asian migrants assimilation trajectories challenge the assumption that given time migrants will eventually integrate holistically into their host societies This book captures the diverse patterns and trajectories of assimilation by going beyond marriage migration to look at how family formation processes are shaped by migration driven by reasons other than marriage Using quantitative qualitative and mixed method analyses not only does this book uncover the nuances of the link between marriage and migration but it also widens methodological repertoires in research on marriage and migration It also captures various social outcomes that may have been influenced by migration including migrants economic well being cultural assimilation subjective well being and gender inequality vis vis marriages This book further embeds the studies in the Asian contexts by drawing on individual countries unique policies relevant to cross cultural marriages the persistent impacts of extended families the patriarchal traditions and systems of religion and caste The chapters in this book were originally published as a special issue of the Journal of Ethnic and Migration Studies FACETS OF CONTEMPORARY HISTORY M. Thilakavathy, R.K. Maya, 2019-06-05 This book Facets of Contemporary History is a selection of research papers presented in the International Conference on Contemporary History which was held on 30th and 31st January 2015 This conference was organized by the Department of History Tourism and Travel Management Ethiraj College for Women Chennai It gives us great pleasure to put together a selection of the papers for the public in the form of a book in the interest of research Contemporary History refers to the history of the immediate past or that which can be expected to remain in living memory While there are areas of history which have branched off from contemporary history such as social history and economic history this conference took a very broad look at contemporary events from not just a historical but also a social science perspective This Book contains 6 Sections namely Political History Socio Cultural History Gender Economic History Environment and Tourism We would like to place on record the Management of the college for the moral and financial support extended in the conduct of the Conference and in the production of the book Thanks are due to our respected Chairman of the Trust Board Mr V M Muralidharan for all his support and encouragement Heartfelt thanks are due to Prof Dr Karu Nagarajan Member Secretary TAMIL NADU STATE COUNCIL FOR HIGHER EDUCATION for their generous financial Assistance towards the conduct of the Conference We would be failing in our duty if we do not thank the faculty of the Department of History Tourism and Travel Management for their support and encouragement in the conduct of the Conference **Women and Gender Equity in Development Theory and Practice** Jane S. Jaquette, Gale Summerfield, 2006-03-27 DIVCollection of essays on issues of women and development attempting to bridge theory and practice in the post 9 11 era to reflect debates in various realms from the environment land rights and identity to information

technology employment and poverty div *Politics of Difference in Taiwan* T.W. Ngo, Hong-zen Wang, 2011-05-10 Offering systematic coverage of major social groups including ethnic minorities recent migrants gay and lesbian groups religious sects and marginalized workers this is the first study to investigate the multiple facets of social domination in Taiwan and the ongoing struggles by minority groups to overcome subordination

An Anthropology of Biomedicine Margaret M. Lock, Vinh-Kim Nguyen, 2018-01-09 In this fully revised and updated second edition of *An Anthropology of Biomedicine* authors Lock and Nguyen introduce biomedicine from an anthropological perspective exploring the entanglement of material bodies with history environment culture and politics Drawing on historical and ethnographic work the book critiques the assumption made by the biological sciences of a universal human body that can be uniformly standardized It focuses on the ways in which the application of biomedical technologies brings about radical changes to societies at large based on socioeconomic inequalities and ethical disputes and develops and integrates the theory that the human body in health and illness is not an ontological given but a moveable malleable entity This second edition includes new chapters on microbiology and the microbiome global health and the self as a socio technical system In addition all chapters have been comprehensively revised to take account of developments from within this fast paced field in the intervening years between publications References and figures have also been updated throughout This highly regarded and award winning textbook Winner of the 2010 Prose Award for Archaeology and Anthropology retains the character and features of the previous edition Its coverage remains broad including discussion of biomedical technologies in practice anthropologies of medicine biology and human experiments infertility and assisted reproduction genomics epigenomics and uncertain futures and molecularizing racial difference ensuring it remains the essential text for students of anthropology medical anthropology as well as public and global health

An Anthropology of Biomedicine Margaret Lock, Vinh-Kim Nguyen, 2010-04-26 *An Anthropology of Biomedicine* is an exciting new introduction to biomedicine and its global implications Focusing on the ways in which the application of biomedical technologies bring about radical changes to societies at large cultural anthropologist Margaret Lock and her co author physician and medical anthropologist Vinh Kim Nguyen develop and integrate the thesis that the human body in health and illness is the elusive product of nature and culture that refuses to be pinned down Introduces biomedicine from an anthropological perspective exploring the entanglement of material bodies with history environment culture and politics Develops and integrates an original theory that the human body in health and illness is not an ontological given but a moveable malleable entity Makes extensive use of historical and contemporary ethnographic materials around the globe to illustrate the importance of this methodological approach Integrates key new research data with more classical material covering the management of epidemics famines fertility and birth by military doctors from colonial times on Uses numerous case studies to illustrate concepts such as the global commodification of human bodies and body parts modern forms of population and the extension of biomedical technologies into domestic and intimate domains Winner of the 2010

Prose Award for Archaeology and Anthropology **Encyclopedia of Chinese History** Michael Dillon, 2016-12-01 China has become accessible to the west in the last twenty years in a way that was not possible in the previous thirty. The number of westerners travelling to China to study for business or for tourism has increased dramatically and there has been a corresponding increase in interest in Chinese culture, society and economy and increasing coverage of contemporary China in the media. Our understanding of China's history has also been evolving. The study of history in the People's Republic of China during the Mao Zedong period was strictly regulated and primary sources were rarely available to westerners or even to most Chinese historians. Now that the Chinese archives are open to researchers there is a growing body of academic expertise on history in China that is open to western analysis and historical methods. This has in many ways changed the way that Chinese history, particularly the modern period, is viewed. The *Encyclopedia of Chinese History* covers the entire span of Chinese history from the period known primarily through archaeology to the present day. Treating Chinese history in the broadest sense, the *Encyclopedia* includes coverage of the frontier regions of Manchuria, Mongolia, Xinjiang and Tibet that have played such an important role in the history of China. Proper and will also include material on Taiwan and on the Chinese diaspora. In A-Z format with entries written by experts in the field of Chinese Studies, the *Encyclopedia* will be an invaluable resource for students of Chinese history, politics and culture.

Women, Gender and Rural Development in China Tamara Jacka, Sally Sargeson, 2011 China's countryside is being transformed by rapid far-reaching development. This wide-reaching and multidisciplinary book questions whether gender politics are changing in response to this development and explores how gender politics inform and are reproduced or reconfigured in the languages, knowledge processes and practices of development in rural China. The contributors, prominent scholars in the fields of political science, sociology, gender development and Chinese studies, argue that although gender has been elided in recent development policies, women have been singled out as a vulnerable group requiring protection, instruction and empowerment from paternalistic state and NGOs. Nevertheless, development has facilitated the dissemination of gender equality as an ideal and institutional norm, increased the channels through which women can advance claims for equal rights and expanded the possibilities for agency available to them. Drawing on extensive field research in sites across China, from remote communities in Inner Mongolia and Guizhou to the fringes of expanding cities, the contributors illustrate how different women are bringing their own aspirations for development to bear in the momentous changes occurring in rural China. This compelling and thought-provoking book will be of interest to scholars, students and researchers in the fields of public and social policy, sociology, political economy, anthropology, gender and development.

Endangered Daughters Discrimination And Development In Asia Introduction

Endangered Daughters Discrimination And Development In Asia Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Endangered Daughters Discrimination And Development In Asia Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Endangered Daughters Discrimination And Development In Asia : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Endangered Daughters Discrimination And Development In Asia : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Endangered Daughters Discrimination And Development In Asia Offers a diverse range of free eBooks across various genres. Endangered Daughters Discrimination And Development In Asia Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Endangered Daughters Discrimination And Development In Asia Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Endangered Daughters Discrimination And Development In Asia, especially related to Endangered Daughters Discrimination And Development In Asia, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Endangered Daughters Discrimination And Development In Asia, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Endangered Daughters Discrimination And Development In Asia books or magazines might include. Look for these in online stores or libraries. Remember that while Endangered Daughters Discrimination And Development In Asia, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Endangered Daughters Discrimination And Development In Asia eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Endangered Daughters Discrimination And Development In Asia full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Endangered Daughters Discrimination And Development In Asia

eBooks, including some popular titles.

FAQs About Endangered Daughters Discrimination And Development In Asia Books

What is a Endangered Daughters Discrimination And Development In Asia PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Endangered Daughters Discrimination And Development In Asia PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Endangered Daughters Discrimination And Development In Asia PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Endangered Daughters Discrimination And Development In Asia PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Endangered Daughters Discrimination And Development In Asia PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
